SECTION 3

GENERAL MEETINGS

7 GENERAL MEETINGS

- 7.1 Each year, The League must hold an Annual General Meeting in accordance with the Acts (the **Annual General Meeting**). This is in addition to any other general meetings which are held in the year. The Board will decide when and where the Annual General Meeting will be held (including via an electronic platform as per Articles 8.12 – 8.14).
- 7.2 Any general meeting which is not an Annual General Meeting is called an extraordinary general meeting.
- 7.3 The Board can decide to call an extraordinary general meeting at any time. Member Clubs may requisition an extraordinary general meeting under the Acts.

8 NOTICE OF GENERAL MEETINGS

- 8.1 At least 21 clear days' notice in writing must be given for:
- 8.1.1 every Annual General Meeting; and
 - 8.1.2 any meeting where it is proposed to pass a special resolution.
- 8.2 For every other general meeting, at least 14 clear days' notice in writing must be given.
- 8.3 Any notice must state where the meeting is to be held, the date and time of the meeting, and where relevant the electronic platform to which it is going to be held via, and the nature of any special business for the meeting. Article 9.1 explains what business is treated as special business.
- 8.4 Every notice of a general meeting must contain a reasonably prominent statement that a Member Club entitled to attend and vote, can appoint a proxy to attend and, on a poll, vote instead of it. It must also state that a proxy does not have to be a Member of The League.
- 8.5 The notice calling an Annual General Meeting must state that the meeting is the Annual General Meeting.
- 8.6 The notice calling a meeting at which it is proposed to pass a special or extraordinary resolution must state that it is intended to propose the resolution as either a special or extraordinary resolution.
- 8.7 Notice of every general meeting must be given to all Member Clubs and to The League's auditors. If by accident, notice of a meeting is not given to any person who is entitled to receive such notice, the proceedings of that meeting will still be valid. This also applies to any accidental failure to send any other notice or circular relating to the meeting or, where proxy forms are sent out, a proxy form. It also applies where the notice, circular or proxy form was sent but was not received.
- 8.8 Even though a general meeting of The League is called by a notice period shorter than that stated in Article 8.1 or 8.2, it will be treated as having been validly called if it is agreed:
- 8.8.1 in the case of an Annual General Meeting, by all the Member Clubs entitled to attend and vote at that meeting; and
 - 8.8.2 in the case of an extraordinary general meeting, by Member Clubs which together hold at least 95 per cent of the shares entitled to attend and vote at that meeting.
- 8.9 If the Board considers that it is impractical or undesirable to hold a general meeting on the date or at the time or place set out in the notice of meeting, it can either postpone the meeting to another date, time or place or cancel the meeting. This also applies to any meeting postponed under this Article and to any adjourned meeting. The Board may not postpone or cancel a meeting requisitioned by the Member Clubs under the Acts.
- 8.10 If a meeting is postponed for more than 14 days, the Board must give at least 7 clear days' notice of the postponed meeting in the same way as for the original meeting.

- 8.11 Certain resolutions require special notice under the Acts and the provisions about special notice are binding on The League and the Member Clubs.
- 8.12 The Board may decide to enable persons entitled to attend and participate in a general meeting to do so by simultaneous attendance and participation by means of an electronic platform(s). Member Clubs or their proxies present shall be counted in the quorum for, and entitled to vote at, the general meeting in question, and that meeting shall be duly constituted and its proceedings valid if the Chair of the meeting is satisfied that adequate facilities are available throughout the meeting to ensure that Member Clubs or their proxies attending the meeting who are not present together at the same place may:
- 8.12.1 participate in the business for which the meeting has been convened;
 - 8.12.2 hear all persons who speak at the meeting; and
 - 8.12.3 be heard by all other persons present at the meeting.
- 8.13 Save for meetings which have been requisitioned by Member Clubs, if it appears to the Chair of the meeting that the electronic platform(s) has become inadequate for the purposes referred to in Article 8.12, then with the consent of the the Chair of the meeting, interrupt or adjourn the meeting. All business conducted at that meeting up to the time of that adjournment shall be valid.
- 8.14 If a general meeting is held by means of an electronic platform(s), the Board may make any arrangement and impose any requirement or restriction as is:
- 8.14.1 necessary to ensure the identification of those taking part and the security of any electronic communication; and
 - 8.14.2 proportionate to those objectives.
- In this respect, the Board may authorise any voting application, system or facility as they see fit.

- 9.7.2 a meeting which was called in any other way will be adjourned to another day, time and place decided by the Chair.
- 9.8 The League must comply with Article 8.10 in relation to giving notice of the meeting. At the adjourned meeting if a quorum is not present within 30 minutes of the time fixed for the start of the meeting or within any extended time period, the quorum shall be 5 Member Clubs who are entitled to vote and are present in person or by proxy. If a quorum is still not present, the meeting will be dissolved.
- 9.9 The Chair of the Board will be the Chair of any general meeting.
- 9.10 If there is no Chair of the Board, the Directors who are present will choose one of themselves to act as Chair of the meeting. This also applies if the Chair of the meeting not being present within 5 minutes of the time the meeting is due to start or if the Chair is unwilling Chair to the meeting.
- 9.11 If there is no Director present within 5 minutes of the time the meeting is due to start or if each Director who is present, is unwilling to chair the meeting, the Member Clubs present in person shall choose one of their representatives to be Chair of the meeting.
- 9.12 The Chair of the meeting can take any action to make sure the meeting is orderly. This can be whatever action they think is necessary. Any decision the Chair relating to matters of order or procedure including whether any question raised is a point of order or procedure, will be final and cannot be challenged.
- 9.13 The Chair of a general meeting may adjourn a quorate meeting at any time after the time the meeting was due to start, with the consent of the meeting. The Chair may adjourn the meeting if so directed by the meeting.
- 9.14 The only business which can be carried on at an adjourned meeting is that business which could validly have been carried on at the meeting which was adjourned.
- 9.15 If a meeting is adjourned for more than 14 days, at least 7 clear days' notice of the adjourned meeting must be given. That notice must be given in the same way as for the original meeting. Otherwise, there is no need to give notice of an adjourned meeting or of the business which is to take place at an adjourned meeting. This Article does not apply to a meeting which is adjourned because a quorum is not present. In such circumstances Article 9.4 applies.
- 9.16 Each Director is entitled to attend and speak at any general meeting.

10 VOTING

- 10.1 If a resolution is put to the vote at a general meeting, it will be decided by a show of hands. This applies unless a poll is demanded, before the resolution is put to the meeting or before or when the result of the show of hands is declared by the Chair. A poll can be demanded:
- 10.1.1 by the Chair of the meeting;
- 10.1.2 by at least 5 Member Clubs who are present either in person or by proxy at the meeting and are entitled to vote; or
- 10.1.3 by Member Clubs in accordance with the Acts.
- 10.2 The following applies when there is a vote by a show of hands and no poll is demanded or any demand for a poll is withdrawn. The Chair can declare that on a show of hands:
- 10.2.1 a resolution has been passed or has been passed unanimously or has been passed by a particular majority; or
- 10.2.2 a resolution has been lost or has been lost by a particular majority.

- 10.3 The Chair's declaration will be final and conclusive. The declaration must be entered in the minute book, which will be conclusive proof of the fact. There is no need to prove the number or proportion of votes recorded for or against a resolution.
- 10.4 If a poll is demanded in relation to the election of the Chair or on a question of adjournment, the poll must be carried out immediately. Otherwise the Chair can decide how, when and where a poll will be carried out but the poll must be taken within 30 clear days of the date of the demand. There is no need (unless the Chair decides otherwise) for notice to be given of a poll.
- 10.5 The Chair can appoint scrutineers who do not need to be Member Clubs. They must appoint scrutineers if so directed by the meeting. The result of the poll will be treated as the decision of the meeting where the poll was demanded. This applies even if the poll is carried out after the meeting.
- 10.6 A demand for a poll on a particular matter will not stop a general meeting from continuing to deal with other matters. If a poll is demanded it may, if the Chair consents, be withdrawn at any time before the end of the meeting or before the poll is taken (whichever is earlier). If a demand for a poll is withdrawn, any declaration of the result of a vote on that resolution by a show of hands, which was made before the poll was demanded, will be valid.
- 10.7 On a poll, votes can be given either by the Member Club's representative or by proxy.
- 10.8 A person who is entitled to more than one vote on a poll does not need to use all their votes, or cast all the votes they use, in the same way.
- 10.9 If the votes at a general meeting are equal, either on a show of hands or on a poll, the Chair of the meeting will be entitled to a second or casting vote. This is in addition to any votes which they may have as a representative of a Member Club, or as a proxy.
- 10.10 Every Member Club which is present in person at a general meeting will have one vote on a show of hands. A proxy cannot vote on a show of hands.
- 10.11 Where there is a poll, every Member Club which is present in person or by proxy will have one vote.
- 10.12 Where:
- 10.12.1 an objection is raised to the right of any person to vote at a meeting;
- 10.12.2 votes have been counted that should not have been counted or that could have been rejected;
- 10.12.3 votes are not counted that should have been counted,
- these things will only affect the validity of the decision of the meeting if the objection is raised or the error is pointed out at the meeting at which the vote was cast or the error occurred. The Chair of the meeting will decide all such objections and errors and their decision will be final and conclusive. This Article applies in the same way to adjourned meetings.

11 PROXIES

- 11.1 A proxy form must be in writing and signed on behalf of the Member Club either by a director, the club secretary or by a person who is properly authorised to sign. The signature on the form does not have to be witnessed.
- 11.2 A proxy form must be in any form which is commonly used, or in any other form which the Board approves. The Board can send out proxy forms with the notice of meeting, for use at the meeting. This is subject to the provisions of the Acts.
- 11.3 A proxy form must be delivered to the Registered Office, or to any other place in the United Kingdom specified in the notice of the meeting, or in any document sent with the notice, or in the notice of an adjournment. This must be done at least:
- 11.3.1 48 hours before the time set for the meeting;

SECTION FIVE | ARTICLES OF ASSOCIATION

- 11.3.2 for a poll taken during or on the same day as the meeting, 48 hours before the time set for the meeting; or
- 11.3.3 24 hours before the time set for any other poll taken after the day of the meeting.
- 11.4 This Article applies in the same way to adjourned meetings.
- 11.5 A Member Club can still attend and vote in person at a meeting or on a poll, even though it has delivered a proxy form in respect of that meeting or poll.
- 11.6 A proxy form gives the person who is appointed as proxy authority to demand or join in demanding a poll. It will not give any further right to speak at the meeting, unless the Chair of the meeting allows. The proxy form also gives the person appointed as proxy, authority to vote in whatever way the proxy decides on any amendment of a resolution put to the meeting for which it is given. If a Member Club gives its proxy authority to vote as the proxy decides or to vote in a particular way, this is a matter between the Member Club and its proxy. The League will accept the abstention or vote of the proxy as final and conclusive even if The League has actual knowledge of the terms of the authority of the proxy.
- 11.7 Any vote cast or poll demanded by a proxy will not be valid if the Member Club gives written notice to The League at the Registered Office at least 3 hours before the time set for the meeting or, if later, the poll, that the proxy form has been revoked.
- 11.8 A proxy form is not valid after 12 months from the date specified on the form as the date of signature except at an adjourned meeting or on a poll where the original meeting or demand for a poll was held or made within the 12 month period.
- 11.9 Subject to the provisions of the Acts, a resolution in writing signed by or on behalf of all the Member Clubs, shall be valid and treated in the same way as if the resolution had been passed as an ordinary, special or extraordinary resolution at a general meeting of The League.

12 REPRESENTATIVES OF MEMBER CLUBS

- 12.1 A Member Club may, by a resolution of its directors, authorise any individual to act as its representative at any general meeting or adjourned meeting. The Board may require reasonable evidence of such authorisation.
- 12.2 A Member Club may be represented by its Chair or by any director or by the chief executive or by the club secretary without evidence of any resolution of its directors.
- 12.3 A representative can exercise all the powers on behalf of the Member Club which appointed them, which the Member Club could exercise if it were an individual shareholder.
- 12.4 A Member Club must attend any general meeting either by sending a representative or by appointing a proxy. In default a Member Club will pay a fine of £500 unless The League is satisfied that there are extenuating circumstances. This figure will be reviewed annually by the Board and may be increased. The Board may lift this requirement in relation to a particular general meeting by notice to Member Clubs.

SECTION 4

REGULATIONS

13 THE REGULATIONS OF THE LEAGUE

- 13.1 To further the objects of The League as set out in clause 3 of the Memorandum, the Board has power to propose regulations relating to the activities of The League, Member Clubs and the respective officers, employees, registered players and agents of Member Clubs.
- 13.2 The Regulations are those adopted and effective from 6 June 1998 as amended from time to time.
- 13.3 Subject to the provisions of Article 14 and save as expressly provided in any particular Regulation, the Regulations may not be changed except at a general meeting and in accordance with the following provisions:
- 13.3.1 the League shall give at least 21 clear days' notice of any resolution to change the Regulations;
 - 13.3.2 the resolution shall be special business;
 - 13.3.3 the Board is not obliged to include any resolution to change the Regulations which may have been proposed by a Member Club in a notice of extraordinary general meeting convened by the Board;
 - 13.3.4 the Board is not obliged to include any such resolution in a notice of Annual General Meeting unless the proposed resolution is received at the Registered Office at least 10 clear days before the notice of the Annual General Meeting is posted. The Board will use its best endeavours to advise Member Clubs of this deadline;
 - 13.3.5 the Board may require the Member Club to draft its resolution;
 - 13.3.6 the resolution to change the Regulations shall not be carried unless it has been passed by a majority of the votes cast by all Member Clubs present and voting either in person or by proxy and at the same time by a majority of the votes cast by all the Member Clubs (which are then in the Championship of The League Competition) present and voting either in person or by proxy;
 - 13.3.7 the provisions of these Articles shall apply to any general meeting to change the Regulations.

14 FIXTURES REGULATION

- 14.1 Any Division may propose an alteration, deletion or addition to any Fixtures Regulation which affects only that Division and which has no detrimental effect on the financial interests of the other Divisions or The League as a whole.
- 14.2 The proposal will be considered by the Chair and the Chief Executive of The League and if approved by them, such proposal may be adopted by a simple majority of the Clubs in that Division.
- 14.3 If the proposal is not approved, the Division may submit the proposal to The League in general meeting. Such proposal may be adopted by a simple majority of the Member Clubs of the League.
- 14.4 'Fixtures Regulation'** means regulations or rules of The League relating to international call-ups, substitutes and the numbering of Players' shirts and other matters agreed with the Board.
- 14.5 The adopted proposal will take effect as a regulation for the following Season and shall be binding upon the Clubs in that Division.

SECTION 5

THE BOARD OF DIRECTORS

15 NUMBER OF DIRECTORS

- 15.1 The Board shall be the Directors of The League within the meaning of the Acts.
- 15.2 There must be at least three Directors (not counting any alternate Directors in that capacity). There will be a maximum of ten Directors.
- 15.3 The following shall be Directors of The League:
 - 15.3.1 up to six Directors nominated by the Divisions as appointed pursuant to Article 16 (together the **Club Directors**, and each a **Club Director**);
 - 15.3.2 the Chair, when appointed by the Board in accordance with Article 17; and
 - 15.3.3 up to two Independent Non-Executive Directors, when appointed by the Board in accordance with Article 17.
- 15.4 The Board may, in its discretion, appoint the Chief Executive (if any) as a Director.

16 CLUB DIRECTORS

- 16.1 Of the six Club Directors:
 - 16.1.1 the Championship is entitled to nominate three Club Directors;
 - 16.1.2 League 1 is entitled to nominate two Club Directors; and
 - 16.1.3 League 2 is entitled to nominate one Club Director.
- 16.2 The term of office of each Club Director shall:
 - 16.2.1 in respect of their first term:
 - (a) where appointed after the commencement of a Season following the removal of a Club Director (in accordance with Article 20), continue until the date of the appointment of their successor following the fourth Annual General Meeting held after the date of their appointment, whereupon they shall retire from office (unless re-elected); or
 - (b) in any other case, continue until the date of the appointment of their successor following the fourth Annual General Meeting held after the date of their appointment, whereupon they shall retire from office (unless re-elected);
 - 16.2.2 in the case of their second and third terms, three years or until the date of appointment of their successor, if later.
- 16.3 No person may be elected as a Club Director by the same Division for more than three consecutive terms.
- 16.4 In these Articles, any term would be considered consecutive to the immediately preceding term unless those two terms are separated by a period of not less than 11 months.
- 16.5 Every candidate for the role of Club Director must be a director of a Club in that Division, and shall complete a nomination paper in the form required by The League and the completed form must be filed at the Registered Office. No Club may appoint more than one Club Director at any point in time.
- 16.6 If there are more candidates than the number of permitted vacancies The League will conduct a postal ballot of the Clubs in that Division to determine the nominated Club Directors.

17 INDEPENDENT DIRECTORS

- 17.1 Subject to these Articles, the Board shall appoint:
- 17.1.1 the Chair; and
 - 17.1.2 at least one independent non-executive Director, but no more than two at any one time (the **Independent Non-Executive Directors**),
- and together the Chair and the Independent Non-Executive Directors are hereafter referred to as the **Independent Directors**.
- 17.2 An Independent Director shall not:
- 17.2.1 be a director or other officer of any Member Club or of a holding company of any such Member Club; or
 - 17.2.2 either individually or with one or more associates, either directly or indirectly have any interest in the management or administration of any Member Club.
- 17.3 The Board, or any committee authorised by the Board, can decide the terms of the appointment of the Independent Directors.
- 17.4 At each Annual General Meeting of The League any Independent Director then in office:
- 17.4.1 who has been appointed by the Board since the previous Annual General Meeting in accordance with Article 17.1; or
 - 17.4.2 for whom it is the third Annual General Meeting following the Annual General Meeting at which they were last appointed,
- shall retire from office but shall be eligible for re-appointment by an ordinary resolution of the members.
- 17.5 Subject to Articles 17.6 and 17.7 no person may serve as an Independent Director for more than three terms.
- 17.6 An Independent Director who retires at an Annual General Meeting shall (unless they are removed from office or their office is vacated in accordance with these Articles) retain office until the close of that meeting or (if earlier) when a resolution is passed at that meeting not to fill the vacancy or to elect another person in their place or the resolution to re-appoint them is put to the meeting and lost.
- 17.7 If The League, at any meeting at which an Independent Director retires in accordance with these Articles, does not fill the office vacated by the Chair, the retiring Independent Director, if willing to act, shall be deemed to be re-appointed unless at that meeting an ordinary resolution is passed not to fill the vacancy or elect another person in their place or unless the ordinary resolution to re-appoint them is put to the meeting and lost.
- 17.8 In addition to any power of removal conferred by the Acts, an Independent Director may be removed from that office at any time by a resolution of the Board or by an ordinary resolution of The League in general meeting. For the avoidance of doubt, and notwithstanding any other provisions of these Articles, an Independent Director may not vote in relation to a Board resolution to remove them from that office.

18 EXTENSION OF FINAL TERM OF OFFICE

- 18.1 Notwithstanding the provisions of Article 16.2.2 (in the case of a Club Director) or Article 17.4.2 (in the case of an Independent Director), at any time during the last three months of a Director's final term of office the Board may extend that Director's final term of office by one year where the Board considers in its discretion that there are exceptional circumstances that justify the need to retain that Director on the Board for that additional period.

19 TRANSITIONAL ARRANGEMENTS

- 19.1 Those Independent Non-Executive Directors holding office as at the date of adoption of these Articles shall be subject to Article 17 with immediate effect save that where first appointed prior to the 1 January 2019, they shall be required to retire at the Annual General Meeting held in June 2019 and if re-appointed by ordinary resolution of the members, shall

SECTION FIVE | ARTICLES OF ASSOCIATION

be required to retire at the Annual General Meeting to be held in June 2022 (with no ability to apply for re-election thereafter).

20 REMOVAL

20.1 A Director or alternate Director shall stop holding that office in any of the following circumstances:

20.1.1 if the Member Club of which they are a director is promoted or relegated to or from The League or as between the three Divisions. Save for promotion or relegation out of The League, such person shall hold office until the appointment of their successor;

20.1.2 if they are removed by a simple majority of their Division;

20.1.3 if they deliver a written resignation to the Registered Office or in the case of a Director or alternate Director offers it at a Board meeting;

20.1.4 if they petition for their own bankruptcy or are adjudged bankrupt, propose or make an arrangement with their creditors or a composition with their creditors (including a voluntary or any other type of arrangement), or if they apply for an order for protection from their creditors;

20.1.5 if the Board decides that they are no longer able to hold office because of physical or mental incapacity or mental disorder;

20.1.6 if they have missed Board meetings for a continuous period of six months without the Board's consent, and the Board passes a resolution that they should no longer hold office. In the case of a Director this applies even if their alternate has attended meetings in their place;

20.1.7 if they cease to be a director of the Member Club of which they were a director when appointed as a Director of The League, unless within 7 days of such cessation they are appointed as a director of a Member Club in the same Division and indicate their willingness to continue to serve as a Director;

20.1.8 if the Member Club of which they are a director gives provisional or actual notice of withdrawal under Regulation 4 of the Regulations;

20.1.9 if they die;

20.1.10 if they cease to be a Director under the Acts or are removed either under the Acts or these Articles;

20.1.11 if they are prohibited by law from being a Director;

20.1.12 if they are an executive Director and are dismissed from their office. This applies even if this is in breach of any service contract they have with The League;

20.1.13 if they are convicted of a criminal offence and the Board passes a resolution saying that it is not in The League's best interests for them to remain in office; and/or

20.1.14 if the Member Club of which they are a Director takes or suffers any matter or action specified in Article 4.7.4 but remains a Member of The League.

20.2 No person shall be entitled to stand as a candidate as a Director or alternate Director if the Member Club of which they are a director takes, suffers or is subject to any matter or action specified in Article 4.7.4 but remains a Member of The League.

21 VACANCIES

21.1 If either a Club Director or an alternate Director cease to hold office, the League will notify each Club in the relevant Division and the provisions of Article 16 shall apply.

21.2 The League may prescribe such voting and other procedures (including a timetable) to ensure as little disruption as practicable to the management and affairs of The League.

- 21.3 If any Independent Director ceases to hold office, the Board will determine the process and timetable for appointment of any replacement to ensure as little disruption as practicable to the management and affairs of The League.

22 ALTERNATE DIRECTORS

- 22.1 Each Division may elect one alternate director for each Club Director nominated by that Division, and may at its discretion remove any alternate so appointed.
- 22.2 Every candidate for the role of alternate Director must be a director of a Club in that Division, and shall complete a nomination paper in the form required by The League and the completed form must be filed at the Registered Office.
- 22.3 If there are more candidates than the number of permitted vacancies The League will conduct a postal ballot of the Clubs in that Division to determine the nominated alternate Directors.
- 22.4 Each person acting as an alternate Director will alone be responsible to the Company for their own acts and defaults and will not be deemed to be the agent of the Club Directors of the division appointing them.
- 22.5 Each person acting as an alternate Director is entitled to receive notice of all meetings of the Board (including any supporting papers) and, in the absence of the applicable Club Director, to attend and vote at such meetings and to exercise all the powers, rights and duties and authorities of a Club Director. For the purposes of this Article 22, absence includes circumstances where the Club Director is disqualified from attending or voting by virtue of any provision of these Articles due to a conflict of interest, provided always that in such circumstances the alternate is not also disqualified in respect of the same matter(s).
- 22.6 Alternate Directors will be the nominated representative for their Division on the Commercial Committee established pursuant to Regulation 75.5 of the Regulations.
- 22.7 An alternate Director will cease to be an alternate Director:
- 22.7.1 if the Division appointing them revokes their appointment; or
 - 22.7.2 if they resign their office by notice in writing to The League; or
 - 22.7.3 if the Club Director for which they are an alternate, ceases for any reason to be a Director, provided that if any Director retires but is re-appointed or deemed to be re-appointed at the same meeting, any valid appointment of an alternate Director which was in force immediately before their retirement shall remain in force; or
 - 22.7.4 if any event happens in relation to the alternate which, if he were a Director otherwise appointed, would cause them to vacate their office.

23 REPRESENTATION ON EXTERNAL BODIES

- 23.1 Subject to the provisions of Article 23.3 below, the Board will nominate the persons who are to represent The League and its interests on outside bodies including, without limitation, the Football Association's:
- 23.1.1 council (**FA Council**);
 - 23.1.2 board of directors (**FA Board**); and
 - 23.1.3 professional game board (**PGB**).
- 23.2 The League will only replace a Director on the FA Board and/or PGB during their term of office on those bodies if:
- 23.2.1 having held the office of Director of The League at the time of their appointment, they cease to hold that office under the provisions of Article 20; or
 - 23.2.2 they cease to be eligible to serve on the FA Board and/or PGB pursuant to the provisions of the Football Association's Articles of Association, standing orders and/or any other appropriate terms or reference and/or rules.

SECTION FIVE | ARTICLES OF ASSOCIATION

- 23.3 For so long as The League is able to nominate six or more persons to represent The League on The FA Council, two of the nominations shall be selected by Member Clubs (**Club Nominees**).
- 23.4 All Club Nominees shall complete a nomination paper in the form required by The League and the completed form must be filed at the Registered Office.
- 23.5 If there are more Club Nominee candidates than two, The League shall conduct a postal ballot of Member Clubs to determine the Club Nominees. The ballot procedures shall be determined by The League.
- 23.6 Club Nominees shall be appointed until midnight on the day before the Summer Meeting in the following year, or the date of their replacement or vacation of office, if earlier but shall be eligible for re-election. No Club Nominee can serve more than six consecutive terms of office. A Club Nominee shall stop holding that office in any of the following circumstances:
- 23.6.1 if the Member Club which they represent is promoted or relegated to or from The League;
 - 23.6.2 if they are removed by a simple majority of the Clubs in general meeting;
 - 23.6.3 if they deliver a written resignation to the Registered Office;
 - 23.6.4 if they petition for their own bankruptcy or are adjudged bankrupt, propose or make an arrangement with their creditors or a composition with their creditors (including a voluntary or any other type of arrangement), or if they apply for an order for protection from their creditors;
 - 23.6.5 if the Board decides that they are no longer able to hold office because of physical or mental capacity or mental disorder;
 - 23.6.6 if they have missed FA Council meetings for a continuous period of six months without the Board's consent, and the Board passes a resolution that they should no longer hold office;
 - 23.6.7 if they cease to be eligible to represent The League on the FA Council pursuant to the provisions of the Football Association's Articles of Association, standing orders and/or any other appropriate terms or reference and/or rules;
 - 23.6.8 if they cease to be a representative of the Member Club which nominated them, unless they are within 7 days of such cessation appointed to represent another Member Club and indicate their willingness to continue to serve as a member of FA Council;
 - 23.6.9 if the Member Club which they represent gives provisional or actual notice of withdrawal under Regulation 4 of the Regulations;
 - 23.6.10 if they die;
 - 23.6.11 if they are convicted of a criminal offence and the Board passes a resolution saying that it is not in The League's best interests for them to remain in office; or
 - 23.6.12 if the Member Club which they represent takes or suffers any matter or action specified in Article 4.7.4 but remains a Member of The League.

24 DIRECTORS' FEES AND EXPENSES

- 24.1 The fees paid to Directors for performing their services as Directors will be decided by the Board or any committee of the Board which is authorised to decide Directors' fees.
- 24.2 The League will pay the reasonable travelling, hotel and incidental expenses incurred by the Directors to attend and return from:
- 24.2.1 Board meetings;
 - 24.2.2 meetings of committees of the Board;
 - 24.2.3 general meetings; and
 - 24.2.4 other meetings on The League's business.

- 24.3 The League can also pay all other expenses properly and reasonably incurred by Directors in conducting The League's business or performing their duties.
- 24.4 Expenses shall be paid in respect of each day or night that the Director is away from home.
- 24.5 The Board or any committee authorised by the Board can decide a Director's remuneration. This can be paid either as well as, or instead of, the fees they receive for being a Director.

25 AUTHORISATION OF CONFLICTS OF INTERESTS

- 25.1 For the purposes of Section 175 of the 2006 Act, the Directors shall have the power to authorise any matter which would or might otherwise constitute or give rise to a breach of the duty of a Director under that section to avoid a situation in which they have, or can have, a direct or indirect interest that conflicts, or possibly may conflict, with the interests of The League.
- 25.2 The power of the Directors to authorise any matter under Article 25.1 applies (but is not limited) to the appointment (whether past, present or future) of Directors to represent The League on other bodies in accordance with the provisions of Article 23.
- 25.3 Authorisation of a matter under Article 25.1 shall be effective only if:
- 25.3.1 the matter in question shall have been proposed in writing for consideration at a meeting of the Directors in accordance with the Board's normal procedures or such other manner as the Directors may determine;
 - 25.3.2 any requirement as to the quorum at the meeting of the Directors at which the matter is considered is met without counting the Director in question (or any other interested Director); and
 - 25.3.3 the matter was agreed to without such Director (or Directors) voting, or would have been agreed to if the votes of any interested Directors had not been counted.
- 25.4 Any authorisation of a matter under Article 25.1 shall be subject to such conditions, limitations and/or terms as the Directors may determine, whether at the time such authorisation is given or subsequently, and may be varied or revoked by the Directors at any time and at their absolute discretion. The Director(s) shall notify the Board as soon as practicable of any significant change in the circumstances proposed for consideration under Article 25.3.1. Subject to any such conditions, limitations and/or terms imposed by the Directors, any authorisation given shall be deemed to be given to the fullest extent permitted by the Acts. A Director shall comply with any obligations imposed on them by the Directors pursuant to any such authorisation.

26 TRANSACTIONS WITH THE COMPANY

- 26.1 If a Director is interested in any contract or arrangement (or proposed contract or arrangement) with The League either directly or indirectly, they must notify the other Directors of their interest and the nature of it. They must do this at the Board meeting at which the contract or arrangement is first considered, or if they did not know they had an interest in the contract or arrangement when it was first considered, at the first meeting of the Board after they become aware of their interest.
- 26.2 It will be enough for the Director to give a general notice to the Board stating that:
- 26.2.1 they are a shareholder of a specified company or member of a firm and is interested in any transaction made with that company or firm after the date of the notice;
 - 26.2.2 they are an officer of a Member Club; or
 - 26.2.3 they are interested in any transaction between The League and a specified person who is 'connected' with them which may be made after the date of the notice. (Section 346 of the Companies Act says when a person is to be regarded as connected with another person).
- 26.3 The notice will not be effective unless it is either given at a Board meeting or the Director giving the notice takes reasonable steps to make sure that it is discussed at the next Board meeting after it has been given.

SECTION FIVE | ARTICLES OF ASSOCIATION

- 26.4 If the Acts allow, and subject to notice having been given as required under Articles 26.1 and, a Director can:
- 26.4.1 enter into any contract or arrangement with The League. This applies whether they do this as an officer of another company or as an individual;
 - 26.4.2 act for The League in a professional capacity, either alone or through their firm, and the Director or their firm can be paid for professional services as though they were not a Director; and
 - 26.4.3 have any kind of interest in any existing or proposed contract or arrangement with The League.
- 26.5 The Director will not be disqualified from acting as a Director of The League and any such contract or arrangement will be valid and cannot be challenged on the basis of the Director's interest.
- 26.6 Notwithstanding the foregoing, neither a Director nor their firm can be The League's Auditor.
- 26.7 If the Director has declared their interest at a Board meeting as required by these Articles and the Acts, a Director does not have to pay to The League or the Member Clubs any fees, profits or other benefits they make as a result of that contract or arrangement, and any such contract or arrangement shall not be liable to be avoided on the grounds of any such fees, profits or other benefits.
- 26.8 Subject to the provisions of Article 26.9 below, a Director cannot vote or be counted in the quorum, on a Board resolution in relation to any contract or arrangement of any kind in which they have a material interest. In deciding whether a Director has a material interest, any interest of any person connected with them must be taken into account.
- 26.9 A Director can vote, and be counted in the quorum, on a resolution about any of the following things, as long as the only material interest they have in the resolution is one of the following:
- 26.9.1 a contract or arrangement which affects the Member Clubs as a whole; or
 - 26.9.2 a contract or arrangement between The League and any company in which the Director holds or is beneficially interested in 1 per cent or less of the equity share capital of that company.
- 26.10 If any question comes up at a Board meeting about whether a Director has a material interest, or whether they can be counted in the quorum or vote, the question will be decided by the Board. For these purposes, the Director in question will not be counted in the quorum and cannot vote on the resolution.

27 THE BOARD'S POWERS AND DUTIES

- 27.1 The Board will manage The League's business. The Board can use all of The League's powers except where the Articles or the Acts say that powers can only be used by the Member Clubs voting at a general meeting.
- 27.2 The Board is always subject to:
- 27.2.1 the provisions of the Acts;
 - 27.2.2 The League's memorandum of association;
 - 27.2.3 the requirements of these Articles; and
 - 27.2.4 any directions given by the Member Clubs passing a special resolution at a general meeting.
- 27.3 However, if the memorandum or Articles of The League are altered, or a special resolution is passed, relating to something which the Board has already done which falls within its powers, this cannot invalidate the Board's previous action.
- 27.4 Any other Articles which give special authority or powers to the Board do not limit or restrict but add to the powers given by Article 27.

28 BORROWING POWERS

- 28.1 The Board can exercise all The League's powers to borrow money and to mortgage or charge all or any part of The League's business and activities, property and assets (present and future) and uncalled capital. The Board can also exercise all The League's powers to issue debentures and other securities, whether outright or as collateral security for any debt, liability or obligation of The League or of any third party. In exercising these powers the Board is subject to the requirements of the Acts.

29 PROCEEDINGS OF THE BOARD

- 29.1 The Board can decide when to have meetings and how to conduct them. The Board must, however, comply with any specific provision in these Articles which applies to Board meetings.
- 29.2 Matters for decision which arise at a Board meeting will be decided by a majority vote. If the votes are equal, the Chair of the meeting will have a second or casting vote.
- 29.3 A Board meeting can be called by a Director. It must be called by the Company Secretary if a Director requests a meeting.
- 29.4 The quorum needed to deal with the business of the Board is 4 Directors if there are 6 or more Directors in total but if the number of Directors falls below 6, the quorum is 2 Directors.
- 29.5 A Director will be treated as being present at a meeting if they communicate with the meeting by telephone, video conferencing or other similar equipment. Alternatively, a meeting can take place by a series of telephone calls from the Chair. Taking part in the meeting in this way will be counted as being present at the meeting and so the Director will count in the quorum and can vote at the meeting.
- 29.6 The Board meeting will be treated as taking place where the majority of the Directors are, but if there is no majority in one place, it will be treated as being held at the place where the Chair of the meeting is present.
- 29.7 If the number of Directors is less than the number fixed under the Articles for a quorum for a Board Meeting, the continuing Directors or Director can continue to act. However in these circumstances they can only convene a general meeting and cannot use any of the Board's other powers.
- 29.8 If there are no Directors able or willing to act, any 2 Member Clubs can call a general meeting.
- 29.9 The Board can delegate any of its powers, authorities or discretions to committees of one or more Directors. The Board can also give the committee the power to sub-delegate. The Board can co-opt persons who are not Directors to sit on a committee.
- 29.10 The Board may either impose its own requirements on how the committee is to operate or may authorise the committee to decide its own procedures.
- 29.11 The Chair of each committee must be a Director.
- 29.12 If the Board has delegated any power, authority or discretion to a committee, any references in these Articles to the Board using that power, authority or discretion include the use of that power, authority or discretion by the committee.
- 29.13 A written resolution which is signed or approved in accordance with the requirements of this Article 29.13, will be as valid and effective as a resolution passed at a Board meeting which is properly convened and held. The written resolution must be approved by all the Directors and signed by at least the number of Directors which would be required to form a quorum at a Board meeting.
- 29.14 Everything which is done by the Board, or by any Board committee, or by any person acting as a Director, or as a member of a committee, will be valid even though it is later discovered that any member of the Board, or committee, or person acting as a Director or committee member, was not properly appointed. This also applies if it is later discovered that anyone was disqualified from being a Director, or had ceased holding that position, or

SECTION FIVE | ARTICLES OF ASSOCIATION

was not entitled to vote. In any of these cases, anything done will be as valid as if there was no defect or irregularity as referred to in this Article.

30 COMPANY SECRETARY

30.1 The Company Secretary will be appointed and removed by the Board.

31 SEAL

31.1 The League's common seal can only be used with the Board's authority.

31.2 The Board can decide who will sign any document which is to be sealed with the common seal. But unless the Board decides otherwise, it must be signed by a Director and the Company Secretary or by 2 Directors.

31.3 A document signed by one Director and the Company Secretary, or by 2 Directors, which states that it has been executed by The League will have the same effect as if it had been sealed. This will not apply if the Acts say otherwise.

32 HONORARY PRESIDENT

32.1 The League may by ordinary resolution appoint a person to hold the post of Honorary President of The League. The Honorary President shall be entitled to receive notices of and to attend at all General Meetings of The League, but they shall not be entitled to speak or vote at any meeting and shall not be a member of the Company or a Director on the Board. The term of appointment shall be three years. An individual may not serve more than two terms.

32.2 The Honorary President shall cease to hold office on the earlier of:

32.2.1 the expiry of their term of office;

32.2.2 the first Annual General Meeting following their 75th birthday; or

32.2.3 the removal of them by an ordinary resolution of the members at any time.

Each Club will send with the payment, a statement in the form required by The League, showing its calculations.
- 35.2 In Article 35 'net gate receipts' means the total proceeds derived from admitting persons to the ground at which the match is played after deducting value added tax and the following expenses in relation to that match: printing, postage, advertising, gatemen and stewards, police, floodlighting (at a rate as determined by The League from time to time), contributions to First Aid helpers and clearing the ground of snow.

38.2 The amounts of:

38.2.1 £22.6m referred to in the definition of Increase in Net Television Income; and

38.3 The amount of the adjustment will be calculated as follows:

38.3.1 for the duration of the 2009 Broadcast Agreement, by a percentage equal to the increase (or decrease) in Headline Index of Retail Prices issued by the Office of National Statistics from time to time ('**RPI**') between December 1998 and December 2008;

38.3.2 for the duration of the Broadcast Agreement taking effect immediately after the expiry of the 2009 Broadcast Agreement, by a percentage equal to the increase (or decrease) in RPI between:

- (a) December 2008; and
- (b) the December of the final Season of the 2009 Broadcast Agreement; and
- (c) for the duration of subsequent Broadcast Agreements, on a similar basis to the calculation set out in Article 38.3.2 above with appropriate adjustments to the dates used for calculating the change in RPI to have regard to the dates of each successive Broadcast Agreement.

38.4 The payment allocated to each Division will, after deduction of any amounts expended by The League arising out of the appointment of any executive officer appointed on behalf of that Division, be paid out to each Member Club as follows:

38.4.1 television facility fees as decided by the Board.

38.4.2 a basic award as explained in Article 39.

39.2 Any Division may propose an increase in the basic award for that Division in accordance with Article 14.

39.3 If there are less than 24 Clubs in a Division for the whole of a Season, the unallocated basic award(s) will be divided equally between the remaining Clubs in that Division.

SECTION FIVE | ARTICLES OF ASSOCIATION

39.4 If there is not sufficient to pay the basic awards in full, the payment to each Club will be reduced pro-rata.

40 LADDER PAYMENT

40.1 The 'ladder payment' means the payment to the Clubs of a Division of the balance of that Division's share of the Pool Account after payment of television facility fees and basic awards.

40.2 Within each Division, the payment will be made to each Club on merit based upon a Club's League position in that Division at the end of the Season. The bottom Club will receive one share in such payment and the Champion Club will receive the number of shares equivalent to the number of Clubs in that Division at the end of the Season. Each intermediate Club will receive the number of shares corresponding to its League position.

40.3 Any Member Club which ceases to be a member or fails to fulfil its fixtures during a Season shall not be counted in determining the number of places on the ladder and shall not receive any payment under the ladder principle.

41 SUMS NOT TO BE PAID INTO THE POOL ACCOUNT

41.1 Where:

41.1.1 there is a reduction in the number of Clubs in The FA Premier League and a resulting increase in the number of Clubs relegated to the Championship. This may result in an additional Club or Clubs being relegated throughout The League; and

41.1.2 there is a direct or indirect payment from whatever source to The League to compensate The League,

such payment shall be paid into a separate account and shall be allocated to each Division as determined by a special resolution of the Member Clubs. The allocation within the Division shall be decided by the Clubs in that Division or in the absence of agreement by the Board.

41.2 Where there is a direct or indirect payment from whatever source to The League to compensate The League relating to the movement of Clubs between Leagues such payment shall be paid into a separate account and shall be allocated as to 80% to the Championship, 12% to League 1 and 8% to League 2. The allocation within the Division shall be decided by the Clubs in that Division or in the absence of agreement by the Board.

41.3 Article 41.2 shall not apply to any payments received from the Football Association relating to the increase in promotion and relegation with the National League. Those sums shall be used by the Board to pay a sum of £50,000 to each League 2 Club subject to them having been a Member of the League prior to the Season in which the payment is intended to be made. Where any League 2 Club was not a Member of the League as described, the Board shall pay a sum of £34,875. The payments fall within Article 36.1.1. Any such payments are subject to the provisions of Article 47.2.

41.4 In the event that The FA Premier League writes off the loan funding made available to the League in accordance with the Support Loan Agreement then to the extent that such amounts would otherwise become income of the League, such amounts shall not be paid into the Pool Account. Allocation of such funds shall be determined by the Board in agreement with The FA Premier League.

42 PARACHUTE PAYMENTS

42.1 The Board shall for one Season, subject to such Clubs remaining members of The League, pay a sum not exceeding 11.1% of the Basic Award for a Championship Club in that Season to each of the three Clubs relegated from the Championship to League 1 in accordance with Regulation 10.1.2.

42.2 The Board shall for one Season, subject to such Clubs remaining members of The League, pay a sum not exceeding 12.6% of the Basic Award for a League One Club in that Season to each of the four Clubs relegated from League 1 to League 2 in accordance with Regulation 10.1.2.

- 42.3 The Board may pay a sum to the Club or Clubs retiring from The League, in accordance with Regulation 10.1.3 calculated as follows:

 - 42.3.2 in the second Season following relegation, a sum not exceeding 50% of the Basic Award for a League 2 Club in that Season.
- 42.4 Any payments made under this Article 42 fall within Article 36.1.1. and shall be subject to the provisions of Article 47.2.
- 42.5 The payments set out in this Article 42 apply with effect from, and to those Clubs relegated at, the end of Season 2015/16 and thereafter.

43 GROUND IMPROVEMENT LEVY

- 43.1 The League may deduct from each Member Club's entitlement under the ladder principle in any season a ground improvement levy equal to 10% of such entitlement. All deductions will be paid to and administered by The Football Foundation in accordance with arrangements agreed between The League and the Foundation from time to time.
- 43.2 These provisions shall not apply to any Member Club whose ground meets the requirements of Lord Justice Taylor's Report as amended by subsequent legislation or as agreed between The League and The Football Foundation.

44 INTERIM PAYMENTS

- 44.1 The Board may make interim payments from the Pool Account to any Member Club. These will be based upon the sums likely to be paid to Member Clubs under these Articles and will be paid on account.
- 44.2 If the payments under Article 44.1 result in an over-payment for the Season, the Member Club will repay the excess on demand from The League.
- 44.3 Payments to Members Clubs under the Articles only become a legal liability of The League to a Member Club, if the Member Club completes all of its fixture obligations to The League for the relevant Season. This means that any interim payments under this Article are repayable to The League on demand if the Member Club does not complete all of its fixture obligations.

45 CUP COMPENSATION

- 45.1 Subject to Article 45.2, where a Home Club has a League Match postponed only because the Away Club has a Football Association Cup match, that Home Club shall receive compensation.
- 45.2 Article 45.1 shall not apply:
- 45.2.1 For League One and Two Clubs, in respect of any League Matches postponed because of matches in the 1st and 2nd rounds of the Football Association Cup; and
 - 45.2.2 For Championship Clubs, in respect of any League Matches postponed because of matches in the 3rd and 4th rounds of the Football Association Cup.
- 45.3 Where a Home Club has a League Match postponed from a Saturday only because the Away Club has an EFL Cup Competition match, that Home Club shall receive compensation. This will not apply if the Match is rearranged to another Saturday.
- 45.4 The amount of compensation will be the sum which will be the gross gate (excluding VAT) for that League Match, whenever played, up to the average of the gross gates of all the home League Matches played by that Member Club in the Season. Compensation will be paid at the end of the Season.

46 SALE OF TICKETS ON BEHALF OF THE LEAGUE

As between the Football Creditors, the priority for payment shall be in accordance with the order in which those Football Creditors are listed in Article 47.1.

47.3 If, having discharged all Football Creditors in any preceding class of Football Creditor (as required by Article 47) the sum then available is not sufficient to discharge in full the Football Creditors listed in Articles 47.2, 47.1.1, 47.1.2 and 47.1.4., or the Board will decide the allocation.

47.4 If, having discharged all Football Creditors in any preceding class of Football Creditor (as required by Article 47) the sum then available is not sufficient to discharge in full the Football Creditors listed in Article 47.2, 47.1.3, 47.1.5, 47.1.12, 47.1.13 or 47.1.14, or the sum will be allocated pro rata amongst the creditors of the same class.

11 RETIREMENT, CESSATION OF MEMBERSHIP AND ADMISSION OF NEW CLUBS

11.1 Clubs retiring from The League pursuant to Regulations 10.1.1 and 10.1.3 shall retire with effect from the end of the relevant Season, whereupon new Clubs taking their places shall be admitted and be deemed to have been formally elected as members of The League. With effect from such time any new Club shall become entitled to receive a transfer of and to exercise the rights attaching to such share in The League held by the retiring Club as the Board shall direct and each of the retiring Clubs shall procure that, with effect from such date and until the respective transferee Club has been registered as the holder of its share in the Register of Members of The League, the rights attaching thereto shall be exercised in such manner as such transferee Club shall direct.

11.2 **Cessation of membership.** Following any Club's cessation of membership of The League for any reason (including, without limitation, pursuant to Article 4 of the Articles of Association, Regulation 4.3, or by way of relegation or expulsion for disciplinary or other reasons) (but for the avoidance of doubt other than through promotion or relegation pursuant to Regulation 10):

11.2.1 during any Normal Playing Season:

- (a) its playing record shall be expunged;
- (b) the number of relegation places from the Division in which it participated for that Season shall be reduced by:
 - (i) the number of Clubs that have ceased to be members in that Division, and
 - (ii) the number of Clubs that have ceased to be members in any higher Division (if any); and
- (c) the principles of Regulation 11.2.1(b) shall apply in each of the Divisions below that Division.

11.2.2 during the period between the end of the Normal Playing Season and the conclusion of the last Play-Off Match for that Season:

- (a) its playing record shall not be expunged;

- (b) the number of relegation places from the Division in which it participated for that Season shall be reduced by:
 - (i) the number of Clubs that have ceased to be members in that Division, and
 - (ii) the number of Clubs that have ceased to be members in any higher Division (if any); and
 - (c) the principles of Regulation 11.2.2(b) shall apply in each of the Divisions below that Division.
- 11.2.3 during the period between the conclusion of the last Play-Off Match and the start of the following Season:
- (a) its playing record for the immediately preceding Season shall not be expunged;
 - (b) the Division in which it would have played in the next following Season shall operate with a reduced number of Clubs; and
 - (c) the number of relegation places from the Division in which the Club would have played in the following Season but for its cessation of membership shall be reduced by:
 - (i) the number of Clubs that have ceased to be members in that Division, and
 - (ii) the number of Clubs ceasing to be members in any higher Division (if any); and
 - (d) the principles of Regulation 11.2.2(b) shall apply in each of the Divisions below that Division.
- 11.3 Where the number of Clubs ceasing to be members is three or more, the number of Clubs will still reduce below 72 even after the application of Regulation 11.2. If that scenario occurs the Board shall be empowered to admit further clubs as new members up to a maximum number of 72 Clubs. Such new members shall only be admitted prior to the beginning of a Season, and shall play in League Two in their first Season.

Guidance

Clubs have determined that movement of Clubs between divisions should be based on sporting merit, and on that basis the EFL would not normally issue open invitations to any club to apply for membership of the EFL, and would instead seek to admit new members via over-promotion from the National League. However, the Board reserves the right to do so should it determine that is appropriate having regards to all of the circumstances.

- 11.4 Where any reduction in the number of Clubs results in the Championship and/or League One consisting of less than 24 Clubs in any following Season(s) then unless Regulation 10.1.2(c) applies, the Board shall be empowered to determine in its absolute discretion the process(es) by which those Divisions should return to having 24 Clubs, and the time period for such process(es).

Guidance

Clubs have determined that movement of Clubs between divisions should be based on sporting merit. The principle of relieving from relegation has already been determined, and is set out in Regulation 11.2. However, circumstances may arise whereby that process alone is insufficient to implement the provisions of Regulation 5.2, i.e. the Championship or League One should have 24 Clubs (albeit it would take the loss of four clubs from Championship / five from League One for this situation to arise). If that situation occurs, the Board would look at promotion of additional Clubs as well. Precisely which Clubs to be promoted cannot be determined in advance as much will depend on timing of expulsion. For example, where it becomes clear during the Normal Playing Season that this situation will arise, the number of automatic promotion places can be increased for that Season, with an appropriate adjustment made for play-off qualification. If it occurs later than that, the Board would need to consider a number of factors including the format of the play-off semi-finals, final league position and progress in any play-off matches up until that point, all with a view to ensuring that any play-off final does not become a 'non-event'. The process may take more than one Season and the board will consult with Clubs as part of any such process.

11.5 **Admission of new Clubs.** For so long as the number of Clubs in The League shall be 72 or more no new club shall be admitted as a member of The League to replace a Club ceasing to be a member.

11.6 In the event of the number of Clubs falling to below 72:

11.6.1 as a result of Club(s) cessation of membership pursuant to Regulation 11.2, Regulation 11.3 shall apply; or

11.6.2 as a result of the operation of Premier League Rule C.15:

- (a) the number of relegation places from the Championship shall be reduced by such number as is necessary to restore the Championship to 24 Clubs;
- (b) the principles of Regulation 11.6.2(a) shall apply in League One;
- (c) the number of relegation places from League Two shall not (unless the Board determines otherwise in its absolute discretion) be reduced and the Board may on such terms and conditions as it may think fit, admit any Association Football club as a member(s) to League 2 to restore the number of Clubs in the League to 72.

Guidance

Regulation 11.2 will only apply where it is an EFL Club that loses membership, so a specific provision is also required should any Premier League Club(s) lose membership of that competition, as the PL will also then relieve from relegation under its rule C.15, but three Clubs would still be promoted from the Championship. Regulation 11.6.2 will operate to restore the Championship and League One to 24 Clubs. However it may be the case that under FA Rules the EFL could be asked to accommodate any former Premier League Club(s) in League Two. In those circumstances one or more League Two Clubs may still need to be relegated if we are to create a vacancy, as there would be no opportunity to otherwise increase membership above 72.

12 SPORTING SANCTIONS**Introduction**

The following Regulation provides for how sporting sanctions will be applied to a Club when the Club, or any Group Undertaking, becomes subject to or suffers an Event of Insolvency, and also makes provision for an appeals mechanism, but only on the grounds of 'Force Majeure'. The purpose of the Regulation is to provide a strong deterrent against conduct that creates a risk of an Event of Insolvency (because of the significant harm that such events cause to The League, the League Competition, all Member Clubs, the Club itself and wider stakeholders in the local community) and to redress the competitive advantage that a Club obtains by fielding players that it cannot afford over other Clubs that live within their means. The Regulation is to be interpreted and applied in a manner that furthers this purpose.

- 12.1 Any Club shall promptly notify the League once it becomes aware that the Club is in receipt of formal notice that, or it is itself otherwise considering, taking or suffering any Event of Insolvency. The Club and any proposed Officeholder in any potential Event of Insolvency shall be required to meet with the League at such place and time as the League requires.

Guidance

The purpose of meeting is to help understand the reasons for the potential Event of Insolvency, understand potential funding requirements, likely period of Event of Insolvency, creditor position and potential exit strategies. That information is necessary to help enable the Board to properly consider whether it is appropriate to suspend any Notice of Withdrawal of Membership, in accordance with the terms of the EFL's Insolvency Policy (as updated from time to time).

- 12.2 If any Club becomes subject to or suffers an Event of Insolvency, that Club shall be deducted 12 points either scored or to be scored in the League Competition (as determined in accordance with Regulations 12.4 to 12.9).
- 12.3 If a Group Undertaking of a Club becomes subject to or suffers an Event of Insolvency, the Board shall have the power to impose upon the Club a deduction of 12 points either scored or to be scored in the League Competition (as determined in accordance with Regulations 12.4 to 12.9). In exercising this power the Board shall have regard to all the circumstances of the case and to:
- 12.3.1 such of the provisions of the Insolvency Act, the Competition Act 1998 and the Enterprise Act 2002 as are relevant and then in force;
 - 12.3.2 the need to protect the integrity and continuity of the League Competition;
 - 12.3.3 the reputation of The League and the need to promote the game of association football generally; and
 - 12.3.4 the relationship between the Club and the Group Undertaking.
- 12.4 Subject to the provisions of Regulation 12.5 below, where the Club becomes subject to or suffers an Event of Insolvency, or the Board impose a deduction in accordance with Regulation 12.3:
- 12.4.1 during the Normal Playing Season but prior to 5.00pm on the fourth Thursday in March, the points deduction shall apply immediately;

SECTION SIX | EFL REGULATIONS

- 12.4.2 during the Normal Playing Season but after 5.00pm on the fourth Thursday in March, Regulation 12.5 shall apply; and
 - 12.4.3 outside the Normal Playing Season, the points deduction shall apply in respect of the following Season such that the Club starts that Season on minus 12 points (including in the National League if appropriate).
- 12.5 Where the circumstances set out in Regulation 12.4.2 apply and at the end of that Season, having regard to the number of championship points awarded (ignoring any potential deduction):
- 12.5.1 the Club would be relegated in accordance with Regulation 10.1.2(b) or 7.7, the points deduction will apply in the next following Season (including in the National League if appropriate); or
 - 12.5.2 the Club would not be relegated as aforesaid, the points deduction will apply in that Season and Regulation 10.1.2(b) or 7.7 will then apply (if appropriate) following imposition of the points deduction.
- 12.6 For the avoidance of doubt, where a Club and/or Group Undertaking is subject to more than one of the procedures in Regulation 12.1 above during a process of compromising creditors (for example Administration followed by a Company Voluntary Arrangement), the Club shall only be deducted one set of 12 points, such deduction to apply with effect from the first Event of Insolvency.
- 12.7 If:
- 12.7.1 any club relegated to The League from The Premier League (in accordance with the rules of The Premier League) (a '**Relegated Club**') whilst it was a member of The Premier League became subject to or suffered an Event of Insolvency at any time following the end of the season (as defined in the rules of The Premier League) but before the Relegated Club becomes a member of The League, then that Relegated Club, upon being accepted as a member of The League in accordance with Regulations 7.8 and 10.1 shall suffer a deduction of 12 points in the League Competition, such points deduction to apply in respect of the following Season such that the Club starts that Season in The Championship on minus 12 points;
 - 12.7.2 any Group Undertaking of a Relegated Club, whilst the Relegated Club was a member of The Premier League, became subject to or suffered an Event of Insolvency at any time following the end of the season (season being as defined in the rules of The Premier League) but before the Relegated Club becomes a member of The League, then the Board shall have the power to impose upon that Relegated Club, upon being accepted as a member of The League in accordance with Regulations 7.8 and 10.1, a deduction of 12 points in the League Competition. In exercising this power the Board shall have regard to all the circumstances of the case and the matters set out in Regulation 12.3. Where the Board impose a deduction in accordance with this Regulation, the Relegated Club shall suffer a deduction of 12 points in the League Competition, such points deduction to apply in respect of the following Season such that the Club starts that Season in The Championship on minus 12 points.

- 12.8 If:
- 12.8.1 any club promoted to The League from the National League (in accordance with the rules of the National League and these Regulations) (a 'Former NL Club') became subject to or suffered an Event of Insolvency whilst it was a member of the National League and the circumstances set out in rule 14A.2.3 of the rules of the National League apply then that Former NL Club, on becoming a Club, shall suffer a deduction of 12 points in respect of that Club's first Season in The League such that the Club starts the Season in League Two on minus 12 points;
 - 12.8.2 any Group Undertaking of a Former NL Club, whilst the Former NL Club was a member of The National League, became subject to or suffered an Event of Insolvency whilst it was a member of the National League and the circumstances set out in rule 14A.2.3 of the rules of the National League apply, but before the Former NL Club becomes a member of The League, then the Board shall have the power to impose upon that Former NL Club, upon being accepted as a member of The League in accordance with Regulations 7.8 and 10.1, a deduction of 12 points scored or to be scored in the League Competition. In exercising this power the Board shall have regard to all the circumstances of the case and the matters set out in Regulation 12.3. Where the Board imposes a deduction in accordance with this Regulation, the Former NL Club shall suffer a deduction of 12 points in the League Competition in respect of that Club's first Season in The League such that the Club starts the Season in League Two on minus 12 points.
- 12.9 For the purpose of this Regulation 12:
- 12.9.1 where an Event of Insolvency is taken or suffered other than on a Business Day (as defined by the Insolvency Rules 1986 as amended from time to time) then for the purposes of determining the timing of any points deduction only the Event of Insolvency will be deemed to have occurred on the immediately preceding Business Day; and
 - 12.9.2 if a Company Voluntary Arrangement is approved, then approval of that Company Voluntary Arrangement shall be deemed to have been given at the date of the first meeting of creditors called to consider that Company Voluntary Arrangement, and not the date of any adjourned meeting of creditors or the meeting of shareholders.
- 12.10 The League shall serve the Club with written notice of the points deduction (the '**Notice**'). Article 49 shall apply as to the timing of receipt of such Notice.
- 12.11 A Club may appeal:
- 12.11.1 against an automatic deduction of points imposed pursuant to Regulations 12.1, 12.7 or 12.8 (respectively) where a Club, Premier League club or National League Club suffers an Event of Insolvency; and/or
 - 12.11.2 against a points deduction imposed by the Board pursuant to Regulation 12.3 where a Group Undertaking suffers an Event of Insolvency,
- (each a '**Sporting Sanction**') but only on the ground set out in Regulation 12.12 (a '**Sporting Sanctions Appeal**').

SECTION SIX | EFL REGULATIONS

- 12.12 To prevail on a Sporting Sanction Appeal, the Club must prove to the satisfaction of a League Arbitration Panel, on the balance of probabilities, that:
- 12.12.1 the dominant and effective cause of the Event of Insolvency was a loss of material Club Income; and
 - 12.12.2 that loss of Club Income was caused by and resulted directly from a Force Majeure event; and
 - 12.12.3 the Club and its Officials could not have avoided the Event of Insolvency by cutting costs or other measures within their control.
- 12.13 For purposes of Regulation 12.12:
- 12.13.1 **'Club Income'** means income arising from the Club's trading activities, such as gate receipts and other match-day income, amounts receivable from other Clubs (e.g. pursuant to contracts for the sale of player registrations), amounts receivable pursuant to sponsorship agreements or other commercial contracts, and amounts that The League had previously said would be receivable from the Pool Account. **'Club Income'** does not include:
 - (a) any income not received due to the non-renewal upon expiry of a sponsorship agreement or other commercial contract; or
 - (b) any income received either directly or indirectly (including but not limited to income by way of sponsorship agreement or other commercial contract) from an Associated Party of the Person who has Control of the Club; or
 - (c) funding committed or expected to be committed to the Club by any Person who has Control of the Club (whether by way of injections of capital, loans, donations, gifts, or otherwise);
 - 12.13.2 a **'Force Majeure event'** means an event that:
 - (a) is not a normal business risk;
 - (b) is not foreseeable;
 - (c) is not something over which the Club and/or Group Undertaking (as applicable) could reasonably be expected to have any control; and
 - (d) could not have been avoided by its Officials acting with due diligence.
- 12.14 Any Sporting Sanctions Appeal must be in writing and be received by The League at its registered office no later than ten Normal Working Days after The League serves the Notice. Instead of a Notice of Arbitration, the Sporting Sanctions Appeal must contain a statement setting out all of the facts on which the appeal is based and must be accompanied by copies of any lay or expert witness evidence and/or documentation upon which the Club wishes to rely in support of the appeal.
- 12.15 The Club must also lodge with The League, at the same time as the Sporting Sanctions Appeal, a deposit of:
- 12.15.1 £50,000 for a Club in the Championship division;
 - 12.15.2 £20,000 for a Club League One; and £10,000 for a Club League Two, in respect of the costs of the appeal.

Guidance

Where the Club has an immediate cash shortfall meaning that it is unable to pay the deposit, the administrators may apply to The League to deduct the deposit from the Club's Basic Award as a cost of the administration.

- 12.16 Upon receipt of the Sporting Sanctions Appeal The League shall:
- 12.16.1 refer the matter to the League Arbitration Panel in accordance with the provisions of Section 9 of these Regulations, supplemented by the provisions of this Regulation 12, and in the event of any conflict between Section 9 and this Regulation, this Regulation shall prevail; and
 - 12.16.2 if so advised, instruct a firm of independent accountants to carry out a review of the activities of the Club and/or any Group Undertaking for the purposes of preparing an independent report into the circumstances surrounding and leading up to the relevant Event of Insolvency. The Club shall meet the costs of preparation of that report in any event. The report shall be provided to the Club, the League Arbitration Panel and The League and the League Arbitration Panel shall take its contents into account in determining whether the Club met its burden under Regulation 12.12.
- 12.17 Unless otherwise agreed by the parties or so ordered by the League Arbitration Panel, the League Arbitration Panel shall hear any Sporting Sanctions Appeal within 21 days of the filing the appeal and shall issue its decision as soon as possible thereafter.
- 12.18 If (and only if) the Club meets its burden of proof under Regulation 12.12, the League Arbitration Panel shall have the power to:
- 12.18.1 confirm the deduction of 12 points; or
 - 12.18.2 set aside the deduction of 12 points and substitute a deduction of such lower number of points as it shall deem appropriate; or
 - 12.18.3 order that there shall be no sanction at all.
- 12.19 If the League Arbitration Panel decides that the Sporting Sanction Appeal had no real prospect of success, it shall have the power to increase the number of points deducted up to a maximum of 15 points.
- 12.20 Any costs incurred by The League in connection with the Sporting Sanction Appeal shall be met by the Club on an indemnity basis in any event and shall be considered as a sum due to The League for the purposes of Article 47.

SECTION 4

CLUBS

13 REGISTRATION OF GROUND

13.1 The dimension of the field of play for all League organised matches shall be as follows:

Maximum length	120 yards	110 metres
Minimum length	110 yards	100 metres
Maximum width	80 yards	75 metres
Minimum width	70 yards	64 metres

13.2 Clubs must register their pitch dimensions with The League prior to the start of each Season. It will be misconduct on the part of a Club to alter its pitch dimensions during a Season without the prior written consent of The League, which consent will only be given in exceptional circumstances. The League may at any time require a Club to submit a report from a qualified independent source certifying the pitch dimensions.

13.3 Ground sharing will only be approved at the discretion of the Board. The Board will ordinarily withhold approval in circumstances where the proposed ground share arrangement would result in the Club sharing occupation of the playing surface with more than one other individual team from another sport (by way of example, a Club sharing with one Rugby League team will be acceptable, but a Club seeking to share with a Rugby Union team and a Rugby League team, or two Rugby Union teams, will not).

13.4 Except in cases where a Club seeks consent to enter into a ground-sharing agreement with another Club, it shall be a condition of any such consent that the ground-sharing agreement shall contain provision to ensure that:

13.4.1 the playing of any of the Club's first team matches will always take precedence over the activities of the other party to the agreement;

13.4.2 the Club shall have the ability to postpone other activities scheduled to take place on the pitch in the immediately preceding 48 hour period where in the opinion of the Club, acting reasonably, there is a risk that such activity may result in the subsequent postponement or abandonment of a match to be played under the auspices of The League; and

13.4.3 where a sport other than football will be played on the pitch the playing surface shall be a hybrid (i.e. Desso or equivalent) construction, the specification of which shall be subject to the prior approval of the League. For the avoidance of doubt, the requirements of this Regulation 13.4.3 will apply to all existing ground share agreements with effect from 1 July 2019.

Guidance

Clubs must have primacy of fixture and show they have the ability to postpone any activity scheduled to take place on the pitch in the 48 hours preceding a scheduled match.

13.5 Each Club shall register its ground with The League and no Club shall move to another ground (whether on a temporary or a permanent basis) without first obtaining the written consent of the Board, such consent not to be unreasonably withheld and the

Board shall be entitled, if granting consent, to impose such conditions as it deems appropriate in all the circumstances.

- 13.6 In considering whether to give any consent to a permanent relocation, the Board shall have regard to all the circumstances of the case (including, but not limited to the factors set out in this Regulation 13.6) and shall not grant consent unless it is reasonably satisfied that such consent:
- 13.6.1 would be consistent with the objects of The League as set out in the Memorandum of Association;
 - 13.6.2 would be appropriate having in mind the relationship (if any) between the locality with which by its name or otherwise the applicant Club is traditionally associated and that in which such Club proposes to establish its ground;
 - 13.6.3 would not to any material extent adversely affect such Club's Officials, players, supporters, shareholders, sponsors and others having an interest in its activities;
 - 13.6.4 would not have a material adverse effect on visiting Clubs;
 - 13.6.5 would not to any material extent adversely affect Clubs having their registered grounds in the immediate vicinity of the proposed location; and
 - 13.6.6 would enhance the reputation of The League and promote the game of association football generally.
- 13.7 The Club must disclose, as soon as practicable, plans and details of any proposed future move to a new stadium.
- 13.8 Subject to any dispensations granted by the Board, a Club shall either own its ground or have a legally enforceable agreement with its ground's owner for its use by the Club, expiring not earlier than the end of the current Season.
- 13.9 Each Club shall, provide The League with full copies of such documentation as The League may reasonably require to demonstrate the Club's ability to play fixtures at its ground. By way of example, and without limitation, this may include copies of HM Land Registry entries, copy leases, any licence to occupy and any sub-leases or licence relating thereto. The League shall maintain a register of Clubs and the basis upon which that Club occupies its ground.
- 13.10 Without prejudice to the provisions of Regulation 13.5, a Club shall forthwith notify The League of any proposed change in its circumstances relating to the occupation of its ground. By way of example, and without limitation, a proposed change may include a sale of any freehold interest (with or without subsequent leaseback) or any surrender or variation of a lease or licence.

Guidance

The Club must have a security of tenure lasting beyond the end of the current season, the League will request at the beginning of each season that each applicable club provide evidence (by way of a copy of a ground share agreement and lease) that they comply with these Regulations.

- 13.11 Each Club must disclose to the League as soon as possible any proposed stadium relocation and any stadium relocation will be considered in accordance with the criteria set out in Regulation 13.6.

- 13.12 Each Club shall ensure, or shall procure, that its home ground is insured against damage or destruction by such insured risks as are required by the League from time to time with a reputable insurer (regulated under the Financial Services and Markets Act 2000) for the full cost of repairing, rebuilding and reinstating the ground (including all stands) and for these purposes this includes VAT, professional fees (for example architects, surveyors, engineers and solicitors) and any fees payable on any applications for planning permission or other permits or consents which may be required in relation to site preparation, repairing, rebuilding or reinstating the stadium. A Club shall provide The League with full copies of such documentation as The League may reasonably require regarding such insurance policy(ies). Any Club in default of this obligation may have such amounts as the Board shall determine withheld from the Club's central distributions from the Pool Account until such time as the insurance is in place.

Guidance

Clubs are advised that the League considers the 'insured risks' it would expect to be automatically covered under any policy are: fire, lightning, explosion, impact, earthquake, storm, tempest, flood, bursting or overflowing of water tanks or pipes, damage to underground water, oil or gas pipes or electricity wires or cables, subsidence, ground slip, heave, riot, civil commotion, strikes, labour or political disturbances, malicious damage, aircraft and aerial devices and articles dropped accidentally from them, but may also stipulate other risks against which Clubs may reasonably insure, for example, terrorism.

14 COVERED STADIA

- 14.1 No League Match shall take place at any stadium covered or partially covered without the prior written consent of The League after full consultation with all Clubs.
- 14.2 Any Club proposing to cover or partially cover its stadium shall be required to submit outline plans and the copy of the planning application prior to such planning application being submitted to the appropriate statutory authority.

15 SYNTHETIC OR ARTIFICIAL GRASS SURFACES

- 15.1 No League Matches shall be played on an Artificial Surface.
- 15.2 Where an Applicant Club (as defined in Regulation 7.1) has a pitch constructed from an Artificial Surface, that Club must ensure that the Artificial Surface is removed and will be replaced by a grass pitch prior to the date on which the Board considers the application for the transfer of membership from the relegated Club to the Applicant Club (as determined in accordance with the Articles of Association).

Guidance

Any Club promoted from the National League must ensure that any Artificial Surface is removed and replaced by a grass pitch prior to their first game in the League – see Regulation 7.1.5. The date on which the Board will consider the application for transfer of membership is likely to be the day prior to the AGM by which time a Club must have started the removal process.

16 CLUBS' FINANCIAL RECORDS

- 16.1 All Clubs shall keep their financial records in accordance with the provisions of these Regulations and The Football Association Rules. The League may arrange for an inspection of all such financial records.
- 16.2 Each Club shall submit a copy of its Annual Accounts (as defined in Regulation 16.3 below) to The League, but in any event:
- 16.2.1 by no later than 1 March following the end of the financial year to which those Annual Accounts relate (in the case of a Championship Club); or
- 16.2.2 by no later than the date on which the Club is required to file its accounts at Companies House (in case of League One and League Two Clubs).
- 16.3 Each Club shall submit their Annual Accounts (and those of any Group of which it is a member) to the registrar of companies (appointed in accordance with section 1060 of the 2006 Act) in accordance with the time limits prescribed by the 2006 Act.
- 16.4 For the purposes of this Regulation 16, Annual Accounts means the annual accounts in respect of the Club's most recent financial year (such accounts to be prepared and audited in accordance with applicable legal and regulatory requirements) together with a copy of the Directors' report for that year and a copy of the auditor's report (if any) on those accounts.
- 16.5 If the Club considers it appropriate, or The League so requests, the Annual Accounts required to be submitted in accordance with Regulation 16.2 shall relate to the Group of which the Club is a member.
- 16.6 Where a Club relies on any statutory and/or regulatory exemptions such that the Annual Accounts are either abbreviated in nature or unaudited the Club shall within 14 days of any request provide to The League such additional information as The League deems appropriate. Any information request will ordinarily be limited to information that would be disclosed if the Club was required to prepare annual accounts under the provisions of Section 396 of the 2006 Act and The Large and Medium-sized Companies and Groups (Accounts and Reports) Regulations 2008 (as may be amended or replaced from time to time) other than the requirement to have an audit report prepared.
- 16.7 Where:
- 16.7.1 a Club has failed to submit to The League the Annual Accounts as required by Regulation 16.2;
- 16.7.2 a Club has failed to submit to The League Annual Accounts for the Group where requested by The League in accordance with Regulation 16.5;
- 16.7.3 a Club has failed to submit to The League any additional information as required by Regulation 16.6; and/or
- 16.7.4 the Club has failed to submit the Annual Accounts to the registrar of companies in accordance with Regulation 16.3,
- the Club shall be guilty of misconduct. Further, The League shall have the powers set out in Regulation 16.8.
- 16.8 The powers referred to in Regulation 16.7 are:

SECTION SIX | EFL REGULATIONS

- 16.8.1 to require the Club to provide such further information as The League shall determine and for such period as it shall determine; and
 - 16.8.2 subject the Club to a registration embargo such that it shall not be permitted to register any Player with that Club without the prior written consent of The League until such time as the breach identified by Regulation 16.7 has been rectified in its entirety to The League's satisfaction.
- 16.9 The Annual Accounts for a Championship Club must, in addition to the requirements of Regulation 16.4:
- 16.9.1 be accompanied by an auditor's report and a Directors' report;
 - 16.9.2 include separate disclosure within the balance sheet or notes to the Annual Accounts, or by way of supplementary information separately reported on by its auditor by way of procedures specified by The League, of the total sums payable and receivable in respect of Transfer Fees, Compensation Fees, Loan Fees and any subsequent payments which become due under the terms of any transfer; and
 - 16.9.3 include a breakdown within the profit and loss account or the notes to the accounts, or by way of supplementary information separately reported on by its auditor by way of procedures specified by The League, of revenue in appropriate categories such as gate receipts, sponsorship and advertising, broadcasting rights, commercial income and other income.
- 16.10 If the Annual Accounts submitted pursuant to Regulation 16.2:
- 16.10.1 includes an auditor's report, and that auditor's report contains a qualified audit opinion; or
 - 16.10.2 was not required to, and did not, include an auditor's report, and The League considers that the accounts would if audited contain a qualified audit opinion, the Club shall at The League's request submit such further documentary evidence as The League shall require (including but not limited to Future Financial Information). The League shall have the power (but not the obligation) to commission an external audit for purposes of assisting in its assessment under 16.10.2.

INTERIM ACCOUNTS – CHAMPIONSHIP CLUBS ONLY

- 16.11 If the Annual Accounts of a Championship Club (or, if applicable, the Group) submitted pursuant to Regulation 16.2 (and 16.5 as applicable) are prepared to a date prior to 30 November in the Season of submission, such Club or Group shall by the following 31 March submit to The League interim accounts covering the period commencing from its accounting reference date and ending on a date between the following 30 November and 1 March.

[Guidance](#)

The obligation to file interim accounts is limited to Championship Clubs only.

- 16.12 The interim accounts shall:
- 16.12.1 comprise a balance sheet, a profit and loss account, a cash flow statement and relevant explanatory notes;
 - 16.12.2 be prepared in accordance with the accounting principles adopted in the preparation of the Championship Club's Annual Accounts;

- 16.12.3 be presented in a similar format to the Annual Accounts including as regards the matters set out in Regulation 16.9;
- 16.12.4 include in the profit and loss account and cashflow statement comparative figures for the same period in the preceding year;
- 16.12.5 include a balance sheet as of the end of the preceding financial year;
- 16.12.6 be approved in writing by the board of directors of the company to which they relate; and
- 16.12.7 be reviewed by the Club's auditor or audited in accordance with applicable regulatory requirements.
- 16.13 Regulation 16.10 shall apply to the interim accounts (with appropriate modification) if the auditor has issued anything other than an unqualified opinion without modification on them.
- 16.14 Each Club must by 7 April in each Season provide evidence to The League to confirm that, subject to Regulation 16.15.2:
- 16.14.1 it has satisfied all Transfer Fee, Compensation Fee, Loan Fee or subsequent payments which had by the 31 December (Relevant Date) become due under the terms of any transfer; and
- 16.14.2 it had as at the Relevant Date paid all sums due and payable to or in respect of an employee employed during the relevant calendar year (including national insurance contributions and income tax deducted under the 'pay as you earn' system).
- 16.15 For the purpose of Regulation 16.14:
- 16.15.1 **'employee'** means any of the following:
- (a) a Player;
 - (b) the Manager;
 - (c) the Official responsible for running the daily business of the Club with the support of a sufficient number of administrative staff in suitable and appropriately equipped offices, who can be contacted during normal office hours;
 - (d) the Official who shall hold a nationally recognised qualification as an accountant or auditor, or who has sufficient experience to demonstrate their competence as such, who shall be responsible for the Club's finances;
 - (e) the press or media officer (holding a nationally recognised qualification in journalism or who has sufficient experience to demonstrate their competence as a press or media officer);
 - (f) the Academy Manager (appointed in accordance with Youth Development Rule 63);
 - (g) the Team Doctor (appointed in accordance with Regulation 36.3);
 - (h) the Senior Therapist (appointed in accordance with Regulation 36.4); and
 - (i) the Club's safety officer;

16.15.2 an amount overdue as at the Relevant Date shall not be treated as such if by the following 31 March it has been paid or the date for payment has been extended by means of a written agreement with the creditor or it is the subject of current litigation or arbitration proceedings or has been submitted to a dispute resolution procedure of The League, the Football Association, the Premier League, UEFA or FIFA.

FUTURE FINANCIAL INFORMATION

16.16 By 31 March (Championship Clubs) and 30 April (League One and League Two Clubs), in each Season, each Club shall submit to The League in respect of itself (or if the Club considers it appropriate or The League so requests in respect of the Group of which it is a member) future financial information (**Future Financial Information**) comprising:

16.16.1 In respect of any Championship Club, projected profit and loss accounts, cash flow, balance sheets and relevant explanatory notes commencing from its accounting reference date or, if it has submitted interim accounts pursuant to Regulation 16.11, from the date to which those interim accounts were prepared and expiring on the next accounting reference date after the end of the following Season. The projected profit and loss accounts, cash flow and balance sheets shall be prepared at a maximum of quarterly intervals;

Guidance

Forecasts should ideally be prepared on a month by month basis. Whilst Clubs can submit quarterly forecasts, the EFL may require more detailed monthly forecast where it is unable to prepare an accurate assessment of cash requirements in any particular quarter.

16.16.2 In respect of any League One or League Two Club:

- (a) projected cash flow and relevant explanatory notes commencing from its accounting reference date and expiring on the next accounting reference date after the end of the following Season. The projected cash flow shall be prepared at a maximum of quarterly intervals; and
- (b) full details of any and all loans extended to the Club, to include as a minimum those matters listed in Football Association Rule I.1.6; and
- (c) the projected share capital and net debt position prepared at a minimum of quarterly intervals. For the purposes of this Regulation, net debt is defined as cash in bank net of:
 - (i) bank overdrafts and loans;
 - (ii) other loan funding, whether provided by third parties or not;
 - (iii) redeemable preference shares;
 - (iv) deferred grant incentives; and
 - (v) any other amounts that could reasonably be construed as debt funding.

Guidance

FA Rules already require Clubs to have documented all loans extended to the Club, and to retain copies thereof. The reporting under this regulation is intended to follow on from that obligation and provide the EFL with an accurate assessment of current / future liabilities as they may fall due.

- 16.17 Any Club relegated into the National League at the end of a Season in accordance with the provisions of Regulation 7.7 shall continue to comply with the requirements of Regulation 16.16.2 and Regulation 17.10 for two Seasons following relegation.

Guidance

The EFL has to determine whether it should grant parachute payments to Clubs relegated from the EFL. Further, those Clubs may also be in receipt of funding from the Professional Game Youth Fund. Accordingly, it is imperative that the EFL continues to have visibility on the Club's financial position, to enable the EFL to determine whether it is appropriate to make a parachute payment, as well as enabling the EFL to apply relevant provisions in its Articles of Association and/or Regulations (for example deduction from pool account distributions in favour of Football Creditors). Where any relegated club is in default of the continuing reporting obligations the EFL reserves the right to suspend payments.

- 16.18 The Future Financial Information shall:
- 16.18.1 be prepared in accordance with the accounting principles adopted in the preparation of the Club's annual accounts (except where the accounting principles and policies are to be changed in the subsequent annual accounts, in which case the new accounting principles and policies should be followed);
 - 16.18.2 be approved in writing by the board of directors of the company to which they relate;
 - 16.18.3 include in the explanatory notes thereto principal assumptions and risks; and
 - 16.18.4 include for comparison profit and loss accounts for the period covered by the Annual Accounts and interim accounts submitted pursuant to Regulations 16.2 and 16.11, a forecast for the current financial year and a balance sheet as at the date of the interim accounts submitted pursuant to Regulation 16.11.
- 16.19 Each Club relegated or promoted into the League shall by 30 June in the year of its promotion or relegation submit to The League:
- 16.19.1 copies of the documents and other information that it would have been required to submit to The League pursuant to Regulations 16.2, 16.11 and 16.14 in that calendar year had it then been a Club;
 - 16.19.2 Future Financial Information commencing from 1 August in the year of its promotion and expiring at the Club's next accounting reference date after the end of the following season; and
 - 16.19.3 any further documentary evidence required pursuant to Regulations 16.10 and 16.13.
- 16.20 The League shall have the powers set out in Regulation 16.21 if:
- 16.20.1 the Club has failed to submit to The League and/or Registrar of Companies, annual accounts as required by Regulation 16.2 and 16.3; or

SECTION SIX | EFL REGULATIONS

- 16.20.2 the Club has failed to submit to The League interim accounts as required by Regulation 16.11; or
- 16.20.3 the Club has failed to submit to The League the Future Financial Information as required by Regulation 16.16; or
- 16.20.4 The League has asked the Club to submit further documentary evidence pursuant to Regulation 16.10 or Regulation 16.13 and the Club has failed to do so; or
- 16.20.5 the Club has failed to provide the evidence set out in Regulation 16.14 or The League is satisfied that (subject to Regulation 16.15) sums of the kind set out in Regulation 16.14 were overdue as at the preceding Relevant Date; or
- 16.20.6 the auditor's report on the Annual Accounts of the Club (if any), and/or the interim accounts of a Championship Club (or in either case the Group) submitted pursuant to Regulation 16.2 (and Regulation 16.5 as applicable) and Regulation 16.11 respectively contains a qualified audit opinion; or
- 16.20.7 a newly promoted or relegated Club has failed to submit to The League the financial information as required by Regulation 16.19;
- 16.20.8 as a result of its review of all the documents and information submitted by the Club pursuant to Regulations 16.2 to 16.19, and having taken into account any failure of the Club to supply any such documents or information, in its reasonable opinion it determines that the Club will not over the course of the following Season be able to:
- (a) pay its liabilities to the creditors listed in Article 47.1 of The League's Articles of Association and to any foreign Transferor Club (in so far as they are or will become creditors of the Club) and to its employees as they fall due; or
 - (b) fulfil its obligations to play fixtures under the jurisdiction of The League; or
 - (c) be able to provide such rights, facilities and services as are required to enable The League to fulfil its commercial and broadcasting contracts; or
 - (d) discharge all other financial obligations that the Club has without having to rely on equity, loan, donation or other non-trading income or injections.

Guidance

At the request of Clubs the Board withdrew the proposal to require any Club reliant on equity, loan, donation or other non-trading income to provide Secure Funding (applicable to Championship Clubs incurring losses in excess of the Lower Loss Threshold) on an annual basis.

The Board has confirmed that where Clubs have been and will continue to be reliant on provision of equity, loan, donation or other non-trading income from an existing ultimate controlling party(ies), that will not itself give rise to an embargo in accordance with Regulation 16.21.3 or the imposition of business plan requirements in accordance with Regulation 16.21.1.

The EFL's approach will be to require the Club to submit a business plan along with evidence of historic owner injections and evidence of sufficiency of funds to support the business plan submitted.

If the information submitted by the Club (either initially or in response to a request under Regulation 16.21.2) raises doubts as to the availability or suitability of additional funding (for example, and without limitation, failure to honour prior commitments) then the EFL reserves the right to seek further information, impose business plan requirements and/or exercise the power to refuse any application to register players. Any decision of the EFL to exercise powers under Regulation 16.21 will constitute a decision of the League and will be challengeable with the principles set out in Regulation 96.2.1 (Board Disputes).

- 16.21 The powers referred to in Regulation 16.20 are:
- 16.21.1 to require the Club to submit, agree and adhere to a budget which shall include, but not be limited to, Transfer Fees, Compensation Fees, Loan Fees or subsequent payments which become due under the terms of any transfer, players' remuneration and fees payable to any Intermediary;
 - 16.21.2 to require the Club to provide such further information as The League shall determine and for such period as it shall determine;
 - 16.21.3 to refuse any application by that Club to register any Player or any new contract of an existing Player of that Club.
- 16.22 Any Club promoted or relegated out of the League shall, notwithstanding promotion or relegation, remain bound by the provisions of this Regulation 16, until such time as it has complied with the obligations relating to its last Season as a Club.

17 HMRC REPORTING

- 17.1 **Current HMRC Debt.** Any Club which has not within 2 (two) Normal Working Days of the relevant Due Date paid to HMRC the amounts due to be paid to HMRC to discharge the Club's full liability for:
- 17.1.1 PAYE & NIC due in respect of any and all employees or former employees of the Club for the immediately preceding payment period;
 - 17.1.2 PAYE & NIC which becomes due as a result of an assessment issued by HMRC, subject to Regulation 17.8 below;
 - 17.1.3 VAT due (where on a Club is paying VAT:
 - (a) on a monthly basis and again at the end of the relevant quarter, whether by way of assessment or otherwise; or
 - (b) where a Club pays its VAT on a quarterly basis, after each relevant quarter whether by assessment or otherwise);
 - 17.1.4 Corporation Tax; and/or
 - 17.1.5 any other liability to HMRC,
- (each a '**Default Event**') shall report the Default Event to The League within 2 Normal Working Days of the Default Event.

Guidance

Following the AGM on 8 June 2023, Clubs are obliged to report the Due Date for payment of any current and unpaid PAYE, NIC, VAT or Corporation Tax within 2 Normal Working Days. For the avoidance of doubt, any time to pay arrangements entered into by the Club shall trigger a Default Event.

- 17.2 **Reporting Default Events.** When a Club reports a Default Event to The League it shall at the same time provide to The League full details of any and all amounts due to HMRC from the Club, together with the periods to which they relate.
- 17.3 **Consequences of a Default Event.** Without prejudice to the general position (pursuant to Regulation 44.4) that all registrations must be approved by The League and subject to Regulation 17.3A, a Club which is subject to a Default Event shall be subject to a registration embargo such that it shall not be permitted to register any Player with that Club without the prior written consent of The League for the period that the Club is subject to a Default Event.
- 17.3A Regulation 17.3 will not apply where a Club suffers a Default Event due to the failure to discharge a COVID PAYE Liability and has entered into a Time to Pay Agreement and is compliant with the terms of that Time to Pay Agreement. For the avoidance of doubt, where a Club defaults on the terms of a Time to Pay Agreement, and such default results in all outstanding amounts becoming due to HMRC immediately, the Club shall remain subject to a Default Event until such time as the outstanding amounts are paid or included within any other Time to Pay Agreement.
- 17.4 **Failure to Notify a Default Event.** A Club which fails to report a Default Event shall be guilty of misconduct and shall be referred to a Disciplinary Commission in accordance with Section 8 of these Regulations.
- 17.5 **Provision of Authority.** Each Club shall provide to The League, not later than 31 May prior to the commencement of a Season, (and in any event within seven days of any request for a further authority from The League), an original, irrevocable authority (which shall not be time constrained) in the form prescribed by The League and signed by a Director and the company secretary of the Club, addressed to HMRC authorising HMRC to provide to The League information relating to any amounts payable, paid and overdue from the Club to HMRC from time to time including, by way of example and without limitation, the amount of arrears (if any), the existence of and current position in respect of any Time to Pay Agreement and if a Club suffers a Default Event ('**Authority**'). The League shall be entitled to forward the Authority to HMRC without having to seek the consent of the Club.
- 17.6 The Board shall have the power to suspend any Club which, not later than 31 May prior to the commencement of the following Season (including, for the avoidance of doubt, those Clubs entering The League by way of promotion from the National League or relegation from the Premier League for the following Season) or within seven days of a request, fails to provide to The League the Authority in the required form. A suspended Club shall not play in:
- 17.6.1 any League Match;
- 17.6.2 any Football Association Cup Match;
- 17.6.3 any EFL Cup Match;
- 17.6.4 any EFL Trophy Match; and/or

- 17.6.5 any other match conducted or controlled by The League and in which it would otherwise be eligible to compete.
- 17.7 For the purposes of the League Competition, the Board shall have the power to determine how the cancellation of a League Match caused by the suspension of one of the Clubs, which should have participated in it, shall be treated.
- 17.8 **Disputed Amounts.** Any amounts which HMRC claims to be due to it, for example by way of an assessment, but which have been formally contested by the Club shall not be considered as due to HMRC for the purposes of this Regulation 17 until such time as a final determination is made on HMRC's claim.
- 17.9 Information provided by a Club and/or HMRC in relation to any Arrears shall only be made available to senior members of The League's staff and the independent Chair (as described in Article 17.1.1) and shall not be disclosed to the Board generally, provided always that The League shall be entitled to report the happening of a Default Event to the Board for the purposes of enforcing Regulation 17.3 (Consequences of a Default Event).
- 17.10 Any Club relegated into the National League at the end of a Season in accordance with the provisions of Regulation 7.7 shall continue to comply with the requirements of Regulation 17.1 for two Seasons following relegation.

Guidance

Whilst the obligation to report continues following relegation, the EFL does not have the power to impose any embargo or other sanction (other than withholding of parachute payments) in relation to non-payment. The purpose of this continuing reporting obligation is linked to the reasons set out in the guidance to Regulation 16.17

The EFL has to determine whether it should grant parachute payments to Clubs relegated from the EFL. Further, those Clubs may also be in receipt of funding from the Professional Game Youth Fund. Accordingly, it is imperative that the EFL continues to have visibility on the Club's financial position, to enable the EFL to determine whether it is appropriate to make a parachute payment, as well as enabling the EFL to apply relevant provisions in its Articles of Association and/or Regulations (for example deduction from pool account distributions in favour of Football Creditors).

18 FINANCIAL FAIR PLAY

- 18.1 Without prejudice to the foregoing provisions, The League and Clubs agree to actively work to introduce measures appropriate to each Division to promote financial fair play within The League, with the objective of:
- 18.1.1 improving the economic and financial capability of Clubs;
- 18.1.2 increasing the transparency and credibility of Clubs;
- 18.1.3 placing the necessary importance on the protection of creditors by ensuring that Clubs settle their liabilities with Players, HMRC and other Clubs (or clubs) punctually;
- 18.1.4 introducing more discipline and rationality in Club football finances;
- 18.1.5 encouraging Clubs to operate on the basis of their own revenues;
- 18.1.6 encouraging responsible spending for the long-term benefit of football; and
- 18.1.7 protecting the long-term viability and sustainability of League football,

the **'Financial Fair Play Objectives'**.

- 18.2 Any Division may propose the introduction of divisional rules (**'Divisional Fair Play Rules'**) aimed at achieving the Financial Fair Play Objectives provided that the Board, acting reasonably, is satisfied that the proposed Fair Play Rules will not have a disproportionately detrimental effect on the financial interests of the other Divisions or The League as a whole.
- 18.3 The proposed Divisional Fair Play Rules will be considered by the Board and if approved by it, such proposed Divisional Fair Play Rules shall be put before the members of the relevant Division on not less than 7 clear days' notice. The proposed Divisional Fair Play Rules shall not be adopted unless approved by two thirds of the votes cast by those Member Clubs who are members of that Division present and voting either in person or by proxy.
- 18.4 If the proposed Divisional Fair Play Rules are not approved by the Board, the Division may submit the proposal to The League in a general meeting. Such proposal may be adopted by a simple majority of the Member Clubs of The League present and voting either in person or by proxy and at the same time by two thirds of the votes cast by those Member Clubs which are then in membership of the Division making the proposal present and voting either in person or by proxy.
- 18.5 The adopted Divisional Fair Play Rules will take effect as a Regulation for the following Seasons and shall be binding upon the Clubs in the relevant Division.
- 18.6 Once adopted, the Divisional Fair Play Rules may only be amended or removed by following the procedures set out in Regulations 18.2 to 18.5 above as if references to proposed Divisional Fair Play Rules were replaced by references to the proposed amendments.
- 18.7 The Divisional Fair Play Rules applicable to each Division are set out in Appendix 5.
- 18.8 The League shall be entitled to publicly confirm whether a Club is subject to a registration embargo pursuant to the operation of any Divisional Fair Play Rule.

18A EMBARGO REPORTING SERVICE

- 18A.1 Without prejudice to the generality of Regulation 18.8 (public confirmation of a registration embargo under any Divisional Fair Play Rule), The League shall be entitled to publish the identity of those Clubs that are from time to time subject to an embargo on the registration of players (**'Embargo Reporting Service'**).

Guidance

The Embargo Reporting Service will be made available in the Governance section of www.efl.com.

- 18A.2 The League must notify a Club (which will be given by email to the Club Secretary) of the imposition of an embargo, and the proposed inclusion of the Club's name on the Embargo Reporting Service (**'Embargo Notice'**).
- 18A.3 A Club shall have until 4pm on the second Normal Working Day after the date The League issues the Embargo Notice to secure the removal of the embargo, failing which the Club's name will be added to the Embargo Reporting Service.
- 18A.4 The Club's name will be removed from the Embargo Reporting Service promptly on the removal of the embargo.

- 18A.5 The Embargo Reporting Service will not give any details beyond an embargoed Club's name and the Regulation or other provision which has resulted in the imposition of the embargo. The League will not be permitted to release any other details of the circumstances leading to the embargo.

19 ASSIGNMENT OF CENTRAL DISTRIBUTIONS

- 19.1 Subject always to the provisions of Regulation 19.4 below, any Club that enters into an assignment of some or all of that Club's entitlement to:
- 19.1.1 distributions from the Pool Account (as defined in the Articles of Association); and/or
- 19.1.2 amounts payable in accordance with Rule D.25 of the Premier League Rules, (or any other form of security or arrangement of similar effect) (**Assignment**) shall notify The League in writing not later than 24 hours after the date of that Assignment (or, in the case of an Assignment as described in Regulation 19.1.2 entered into prior to becoming a Member Club, promptly on becoming a Member Club).
- 19.2 Any Club that enters into an Assignment as described in Regulation 19.1.1 (but not, for the avoidance of doubt, Regulation 19.1.2) shall be subject to a registration embargo for the Effective Period of any Assignment such that it shall not be permitted to register any Player with that Club without the prior written consent of The League.
- 19.3 For the purposes of this Regulation '**Effective Period**' shall mean the period commencing with the date on which The League is notified (or otherwise becomes aware) of the Assignment, and ending on the date on which The League is notified that the Assignment has been finally released.
- 19.4 Regulation 19.2 shall not apply to any Assignment which constitutes part of a fixed and floating charge over the entirety of the Club's assets and undertaking on usual commercial terms and in respect of which The League is not required to pay any part of the Club's entitlement to distributions from the Pool Account to the holder of that security.

20 CUSTOMER CHARTERS

- 20.1 All Clubs must publish a Customer Charter, and provide financial reporting and accountability as requested by The League.
- 20.2 A copy of the customer charter and any amendments made thereto shall be furnished to The League by each Club and shall be made available to the public through all usual Club publications, the ticket office and their web site.
- 20.3 Each Club shall:
- 20.3.1 submit a charter report by 30 June each year to The League. The report shall detail how each of the policies outlined in the charter have been implemented and the extent to which each has been achieved; and
- 20.3.2 comply promptly with any request for information made by The League.
- 20.4 Each Club shall comply promptly and in full with any request for information made by the Independent Football Ombudsman (or such other body as notified by the League from time to time as having responsibility for adjudicating on disputes between Clubs and their supporters).

SECTION SIX | EFL REGULATIONS

- 20.5 The League may report to The Independent Football Ombudsman and undertakes to disseminate best practice for the benefit of all Clubs.
- 20.6 Each Club shall appoint a supporter liaison officer who shall:
 - 20.6.1 have responsibility for the delivery of the Club's policy with regard to its stakeholders insofar as that policy concerns supporters;
 - 20.6.2 act as a point of contact for supporters; and
 - 20.6.3 liaise regularly with the Club's management (including, without prejudice to the generality of the foregoing, on safety and security-related issues).

21 UNDERTAKINGS TO BE GIVEN BY CLUB OFFICIALS

- 21.1 All Clubs must incorporate in any contracts of employment (or other contract for services) with their Officials and Players:
 - 21.1.1 an undertaking on the part of the Official or Player not to bring The League or any Club into disrepute;
 - 21.1.2 an undertaking on the part of the Official or Player not to do anything or omit to do anything which will cause the Club to be in breach of the Laws of the Game, the Football Association Rules, the rules of the Premier League, these Regulations or the Articles of Association; and
 - 21.1.3 an acknowledgement that they are subject to the jurisdiction of The League and Football Association.
- 21.2 Notwithstanding the provisions of Regulation 21.1, all Officials and Players shall by virtue of their fulfilment of those roles be deemed to have given to The League:
 - 21.2.1 an undertaking to The League not to bring The League or any Club, into disrepute;
 - 21.2.2 an undertaking not to do anything or omit to do anything which will cause a Club to be in breach of the Laws of the Game, the Football Association Rules, these Regulations or the Articles of Association; and
 - 21.2.3 an acknowledgement that they are subject to the jurisdiction of The League and Football Association.

22 CHANGES OF DIRECTORS AT CLUBS

- 22.1 All Clubs must ensure that they, and where appropriate any Director (as that term is defined in Appendix 3) and other Officials (as appropriate) of that Club, comply with the obligations of the Owners' and Directors' Test.
- 22.2 Within fourteen days of the removal of any Director, written notice thereof, together with such details as are required to be filed with the Registrar of Companies (if any), shall be provided to The League.

23 CLUB / EMPLOYEES RELATIONSHIPS

- 23.1 No Club shall take any steps (either directly or indirectly through any third party, including the making of statements to the media) to induce or attempt to induce another Club's employee to terminate their contract of employment with that other Club, whether or not such termination constitutes a breach of that contract.

- 23.2 No Club shall (either directly or indirectly through any third party) make contact with or enter into negotiations relating to the employment of another Club's employee.
- 23.3 The only exceptions to this Regulation are:
- 23.3.1 where the Club has undertaken a bona fide advertising process for recruitment of individuals to any role(s) and another Club (or club's) employee has responded to that advertisement. In such circumstances the Club shall be permitted to interview that applicant (unless they are already fulfilling any of the roles listed in Regulation 23.4 below, in which case permission must be obtained in accordance with Regulation 23.3.2 before selecting for interview) but must not make any offer of employment or otherwise advise the applicant that it wishes to make such an offer without first obtaining permission in accordance with Regulation 23.3.2; or
- 23.3.2 where the Club has obtained the prior written permission of the chairperson (or in their absence, a director or the club secretary) of that other Club. Any such permission must set out any conditions attaching to it.
- 23.4 The roles referred to in Regulation 23.3.1 are any Player, Manager, assistant manager, head coach or other first team football coach (or any role equivalent to any of the foregoing) of a Club or Premier League club.

24 MANDATORY ARTICLE

- 24.1 Each Club's articles of association must include the following provisions:
- (A) *Without prejudice to the provisions of article [x], the directors may refuse to register the transfer of any share(s) in the event that:*
- (i) *the Football League Ltd (company number 00080612) has not provided the transferee with all necessary confirmations and approvals as required by the Owners' and Directors' Test contained at Appendix 3 of the EFL Regulations (as updated from time to time) or any equivalent provision of the EFL Regulations as updated from time to time; or*
- (ii) *registering the transfer of any share(s) would cause the [Company][Club] to breach any Regulation, Football Association Rule, Premier League Rule or any other equivalent provision of any regulatory authority to which the Club is subject.*
- (B) *Except as required by law, no person is to be recognised by the [Company][Club] as holding any share upon any trust, and except as otherwise required by law or the articles, the [Company][Club] is not in any way to be bound by or recognise any interest in a share other than the holder's absolute ownership of it and all the rights attaching to it.*
- (known as the **Mandatory Articles**).
- 24.2 A Club must use its best endeavours to ensure that its Parent Undertaking (and any Parent Undertaking of that undertaking) includes the Mandatory Articles within its articles of association (or equivalent if that Undertaking is not incorporated in accordance with English law).
- 24.3 Each Club must ensure that the Mandatory Article has been incorporated into its articles of association by no later than 10 September 2024.

- 24.4 **Relegated Clubs.** Each Relegated Club whose articles of association do not already include the Mandatory Article, must ensure that the Mandatory Article has been validly incorporated into its articles of association by no later than 1 October immediately following the Relegated Club's relegation from the Premier League.
- 24.5 Each Relegated Club must use its best endeavours to ensure that its Parent Undertaking (and any Parent Undertaking of that undertaking) includes the Mandatory Articles within its articles of association (or equivalent if that Undertaking is not incorporated in accordance with English law).
- 24.6 **Promoted Teams.** Each Applicant Club whose articles of association do not already include the Mandatory Article, must ensure that the Mandatory Article has been validly incorporated into its articles of association by no later than 30 June prior to its first Season as a Member Club.

- 24.8 **Failure to comply.** Where a Club fails to incorporate the Mandatory Article in accordance with Regulations 24.4, 24.5, 24.6 and 24.7, The League's powers to bring disciplinary proceedings under the Regulations will apply, provided that in addition to the sanctions for misconduct set out in the Regulations, where a Club fails three or more times, following written demand from The League, to incorporate the Mandatory Article then The League may give notice requiring the Club to transfer its membership from The League (or within such other period as is specified by The League in that notice) and that a Director of the Club complies with the requirements of this Regulation 24. There shall be no appeal against the service of the Notice.

SECTION 5

FIXTURES**25 REQUIREMENT TO PLAY FULL STRENGTH SIDES IN LEAGUE MATCHES**

- 25.1 Each Club shall play its full strength in all Matches played under the auspices of The League unless some satisfactory reason is given. In the event of the explanation not being deemed satisfactory the Board shall refer the matter to a Disciplinary Commission which has the power to impose such penalties as it shall think fit.

26 MISCONDUCT IN PRE-ARRANGING THE RESULT OF MATCHES

- 26.1 No Club, Official or Player may, in connection with betting on an event in, or on the result of, any match played under the auspices of The League or any matches in competitions that form part of the Games Programmes or Professional Development League (as those terms are defined in Youth Development Rules):

26.1.1 offer or receive a payment or any form of inducement to or from any Club or the Official or Player of any Club; or

26.1.2 receive or seek to receive any payment or other form of inducement from any Person.

27 ADMINISTRATION AND ARRANGEMENT OF FIXTURES

- 27.1 All League Matches shall be arranged as soon as practicable. The intellectual property rights and all other rights in all lists of arrangements of such fixtures (if any) shall be vested in The League.

- 27.2 Any dispute between two or more Clubs as to the arrangement of League Matches shall be referred to and decided by The League, and The League shall have absolute discretion in that respect. All re-arrangements of League Matches must be submitted to and approved by The League.

Guidance

In cases where moves cannot be mutually agreed, Clubs can refer the matter to The League for determination.

On these occasions, the following non-exhaustive list of points all form part of The League's consideration:

- *Home Clubs must provide compelling motives and clear rationale for the alteration, together with any supporting evidence. These can include both operational arguments as well as those relating to commercial gain.*
- *Away Clubs must provide their reasons for objecting to the move and provide any substantiating evidence.*
- *What are both Clubs fixtures either side of the match in question.*
- *Is there an inequitable run of away fixtures over a short period of time.*
- *Any effect on the ability to schedule undated fixtures.*
- *Timing of the request being made.*

Whilst it is important to stress that each case will be treated in isolation and be judged on its merits, it should also be noted that in the absence of any specific and compelling

footballing reasons being given by the away Club that would prevent a move, permission for such requests will in normal circumstances not be unreasonably withheld.

Clubs are also reminded that moves to a Friday evening would not discount either Club from participating in matches during the previous midweek where required to do so. Similarly, moves to a Sunday would not forego utilising the following midweek for a fixture.

27.3 However, where a Club is selected to play in a televised Match played under the auspices of The League on a Thursday evening, and that Club is also scheduled to play on the immediately following Saturday (**'Saturday Match'**), the Club shall have the right to request that The League reschedule the Saturday Match to the immediately following Sunday i.e. a 24 hour postponement. Approval for any such request shall not be unreasonably withheld or delayed. Where applicable the provisions of Regulation 27.4 will also apply.

27.4 Further, where:

27.4.1 a League Match is scheduled to be played on a Tuesday (**'Tuesday Match'**);

27.4.2 the Home Club and/or the Away Club in that Tuesday Match is required to play on the immediately preceding Sunday (**'Sunday Match'**) because of matters outside its control including, by way of example and without limitation, police requirements, television or cup commitments;

27.4.3 the Sunday Match was not scheduled to be played on that Sunday in the first i.e. the draft fixture list published by The League in the immediately preceding Close Season;

27.4.4 neither the Home Club nor the Away Club are scheduled to play on the immediately following Thursday or Friday; and

27.4.5 either the Home Club or Away Club in the Tuesday Match requests (giving not less than 28 Clear days' notice prior to the originally scheduled Tuesday date) that the Tuesday Match be rescheduled,

(together the **'Conditions'** and each a **'Condition'**) then, provided all Conditions are satisfied the Tuesday Match shall automatically be rescheduled to take place on the immediately following Wednesday i.e. a 24 hour postponement. For the avoidance of doubt, where one Condition (or more) is not satisfied, the matter shall be determined by The League in its absolute discretion, whose decision shall be final and binding.

Guidance

Selections will usually be made and be released with at least 5 weeks' notice of the original fixture date.

Under the terms of our agreement Sky are at liberty to request the movement of any fixture to another date in close proximity to the original fixture date or make a change to the kick-off time.

It is worth noting that UEFA Article 48 (closed hours) restricts the televising of any matches in this country during the hours of 2.45pm and 5.15 pm on a Saturday.

The movement of matches to facilitate live transmissions or as a result of circumstances beyond a Club's control could also result in secondary moves to subsequent midweek fixtures. For example movement from a Tuesday to a

Wednesday as a result of a Saturday to a Sunday switch or such similar moves to ensure an equitable amount of recovery time and to maintain a 48 hour period where possible between games.

- 27.5 Dislocation of League Matches from any cause whatever shall be immediately reported to The League by the Clubs concerned and it shall be the duty of the Home Club in each instance immediately to notify the appointed Referee and Assistant Referees of such dislocation.

28 KICK-OFF TIMES

- 28.1 The Home Club shall fix the time of kick-off:

28.1.1 between 11.30am and 3.15pm for Saturday matches;

28.1.2 between 7.00pm and 8.05pm for midweek matches; and

28.1.3 between 11.30am and 8.05pm for Bank Holiday matches.

Once the kick-off time has been fixed, any amendment or variation thereto can be made only by agreement with the Away Club and with the approval of The League.

Guidance

Should circumstances change which necessitate a request for a change of kick-off time (i.e. police intelligence) and it is not mutually agreed, The League will request and consider the views of both Clubs before determining whether to approve such request.

- 28.2 Home Clubs shall notify:

28.2.1 the Away Club at least seven days prior to; and

28.2.2 Match Officials, as soon as practicable after notification of their appointment, of the date and time of kick-off of the Match concerned, and the Referee and Assistant Referees must acknowledge the receipt five days before such Match.

- 28.3 All kick-offs must adhere to the time advertised by the Home Club. Clubs and Referees must report any delays to The League. It is the responsibility of the Away Club to organise its travel arrangements so as to ensure that it arrives in sufficient time to enable the advertised kick-off time to be adhered to.

Guidance

A breach of this Regulation is designated a strict liability offence as detailed in Regulation 88.

- 28.4 Save as for the final weekend fixtures of each Season, should a kick-off at 12.00 noon or earlier necessitate the Away Club incurring overnight hotel expenses, the Away Club shall (save where the match is scheduled to be broadcast live in the United Kingdom and the Club is entitled to receive a facility fee in accordance with the Articles) be entitled to claim the hotel expenses incurred (at the rate and as determined by The League from time to time, per person per night for a party not exceeding twenty four in number) against the gross gate, any dispute to be determined by The League.

Guidance

The allowable expenses are as follows:

Travel:

- *standard class rail fares for up to 24 persons for the Players and officials of the visiting club at a maximum rate of £100 per person; or*
- *air fares for up to 24 persons for the Players and officials of the visiting club at a maximum rate of £100 per person; or*
- *actual cost of motor coach hire (not exceeding £2,400).*

Hotel:

- *for an overnight stay, for up to 24 persons for the Players and officials of the visiting club at a maximum rate of £100 per person; or*
- *where there is no overnight stay, a maximum of £450 (where necessarily incurred).*

29 POSTPONEMENTS, ABANDONMENTS AND RE-ARRANGEMENTS

29.1 In the event of a fixture postponement no matter the cause, the League will decide the new date on which the fixture is to be played following consultation with both Clubs.

Guidance

It is not permissible for a club to make a decision to postpone a match and in the first instance Clubs should contact the Football Services Department for advice. The full guidance document is available here.

Re-dating of Postponed Fixtures. Detailed guidance is available for Clubs here, however in summary:

- *the EFL will ask the Clubs to mutually agree a date in the first instance;*
- *if Clubs are unable to mutually agree a date, the EFL will set the date of the fixture and will take into account the following considerations:*
 - *the provisions of the relevant EFL policy (as updated from time to time);*
 - *the preferred dates of both the Home and Away Club and the rationale for preferences;*
 - *Home and Away fixtures either side of the proposed dates;*
 - *the ability to date already existing and further potential postponed fixtures;*
 - *any interference or possible clashes with Cup fixtures, replays or international fixtures;*
 - *any Police and SAG views/requirements; and*
 - *any pairing issues.*

29.2 Notwithstanding the provisions of Regulation 29.1, The League reserves the right at any time to reschedule a League Match after consultation with and consideration of representations from the Clubs involved.

29.3 Each Club must ensure that both:

29.3.1 its home ground (being the ground that is registered in accordance with Regulation 13.5); and

29.3.2 any Registered Players,

remain available to the Club during the period of four days commencing with the day after the day of the Club's last fixture in the League Competition (including play off matches) so as to enable the fulfilment of any fixtures (in full or in part) ordered by The League to be played after the end of the Season (if any).

29.4 Every Club must have a publicly stated policy regarding ticket refunds or other arrangements for abandoned Matches.

Guidance

This would normally be in the Customer Charter and should include details of what refunds / partial refunds / replacement tickets are available for both the home and away clubs and if required what arrangements are in place should supporters not be able to attend the rearranged fixture.

29.5 When a League Match is postponed or abandoned the Visiting Club shall be entitled to receive from the Home Club out of the gate of either game, one set of travelling and/or hotel expenses (at the rate and as determined by The League from time to time) necessarily incurred by a party not exceeding twenty four and which in the opinion of The League are caused solely by the postponement or abandonment. This amount shall be a charge against the gate when calculating the 3% levy under Article 35. A Club shall only be entitled to claim hotel expenses where it would be necessary for the Visiting Club to leave its headquarters before 9am on the day of the match, alternatively, not be possible to arrive back at its headquarters within five hours travelling time, including a stop of not more than 30 minutes, of the conclusion of the League Match.

30 TESTIMONIALS

30.1 A Club may, at its discretion and with the prior consent of The League, allow the use of its ground for the purpose of a testimonial match to be arranged on behalf of any Player who has completed ten years or more in the service of the Club.

31 RE-ARRANGEMENT OF FA CUP TIES

31.1 Football Association Cup Matches which from any cause are not decided on the dates for which they are scheduled, must be played on dates other than Saturdays except with the approval of The League.

32 PENALTY FOR NON-FULFILMENT OF FIXTURE OBLIGATIONS

32.1 Each Club will use its best endeavours to ensure that each match under the jurisdiction of The League takes place on the date and at the time fixed for it.

32.2 Any Club failing to fulfil its fixture obligations in respect of any match under the jurisdiction of The League on the appointed date or dates or causing The League to suspend any fixture shall be deemed guilty of misconduct unless the Club is successfully able to demonstrate that Regulation 32.3 applies. The burden of proof will rest with the Club.

32.3 The Club will not be deemed to be guilty of misconduct in accordance with Regulation 32.2 where it is able to demonstrate that:

32.3.1 the dominant and effective cause of the non-fulfilment was the occurrence of an event which was outside the control of the Club (an **'Event'**); and

32.3.2 the Club could not have reasonably foreseen or reasonably anticipated and remedied the consequences of the Event prior to the match despite using its best endeavours to do so.

32.4 The Club failing to fulfil its fixture or causing The League to suspend such fixture shall be liable to pay compensation for any expenses actually incurred by the opposing Club as a direct result of the failure or suspension. The amount of compensation will be at the discretion of the Board who will consider every such case on its merits. The Board may refer the amount of compensation to be paid to the Disciplinary Commission dealing with the misconduct by the Club failing to fulfil its fixture or causing The League to suspend the same.

33 CLUBS NOT TO ARRANGE ACTIVITIES TO INTERFERE WITH LEAGUE COMPETITION FIXTURES

33.1 Except where these Regulations provide otherwise, Clubs must give priority to League Matches whether home or away. This means that a Club must not allow any matches or activities to interfere with or take precedence over League fixtures required to be played in accordance with these Regulations.

Guidance

Activities would include any event or booking that would interfere with Clubs' ability to stage a fixture at their home venue on the appointed date and kick-off time.

34 CONDUCT OF MATCHES

34.1 **Behind closed doors.** Save with the consent of The League or as a consequence of any disciplinary or regulatory proceedings, no Club may play any League or Cup Match behind closed doors so that the public are excluded from the ground.

34.2 **Duration of Matches.** All League Matches shall be of 90 (ninety) minutes' duration but any League Match which from any cause whatever falls short of 90 (ninety) minutes' duration may be ordered to count as a completed fixture or be replayed in full or in part on whatever terms and conditions the Board shall in their absolute discretion determine and shall be played in compliance with these Regulations and the Football Association Rules respectively and under the Laws of the Game as approved by the International Football Association Board. In the event of conflict between any such Rules, Regulations and Laws as aforesaid, the Football Association Rules shall prevail.

34.3 **Duration of half-time interval.** In all League Matches the half-time interval shall be fifteen minutes.

34.4 **Substitute Players.**

34.4.1 Subject to Regulation 34.4.2, in all League Matches, each team is permitted:

- (a) in the Championship Division, up to nine substitutes of whom not more than five may take part in the Match; and
- (b) in Leagues One and Two, up to seven substitutes of whom not more than five may take part in the Match.

Each Club is only permitted a maximum of three opportunities to make substitutions during the Competition Match. A Club may make more than one

substitution at each of its three opportunities. Clubs may make substitutions at half time and any substitutions made will not count towards the maximum of three opportunities.

- 34.4.2 In addition to the number of substitutions permitted by Regulation 34.4.1, each Club shall also be permitted to utilise up to one 'concussion substitute' and/or one 'additional substitute' (as appropriate) from those substitutes listed on the Team Sheet, strictly in accordance with the provisions of the International Football Association Board's 'Additional permanent concussion substitutes – Protocol' ('**IFAB Protocol**') and any associated guidance issued by the League. Each Club must provide the League with such information as is necessary to ensure compliance with the IFAB Protocol in respect of any 'concussion substitute' made within 10 days of receiving such a request from the League.
- 34.4.3 All substitutes must be nominated and included on the official Team Sheet handed to the Referee prior to the Match.
- 34.4.4 Not more than five Players of each Club may warm up or warm down at the same time on the perimeter of the pitch on which the Match is being played.
- 34.5 **List of Players to be handed to Referee.** A representative of each Club must hand copies of a list of names of Players taking part in the game (including the name of the nominated substitute or substitutes) (**Team Sheet**) to the Referee and a representative of the opponents in the presence of the Referee in the Referee's dressing room at least 75 (seventy five) minutes before the advertised time of kick-off. The Team Sheet shall indicate the full names of Players and shall indicate the colour of the Goalkeeper's shirt. Neither Club shall publish the teams or otherwise provide details of the teams to any third party (other than League appointed broadcast partners) until 60 (sixty) minutes before the advertised time of kick-off.

Guidance

A breach of this Regulation is designated a strict liability offence as detailed in Regulation 88.

- 34.6 **Pre Match Briefing with the Referee.** At least 60 (sixty) minutes before the advertised time of kick-off of a match the Captain and either:
- 34.6.1 the person in charge of the team on the day (i.e. the Manager or head coach);
or
- 34.6.2 where the person described in Regulation 34.6.1 is subject to a ban preventing them from attending, another senior representative of the coaching staff,
shall attend a briefing with the Referee.

Guidance

A breach of this Regulation is designated a strict liability offence as detailed in Regulation 88.

- 34.7 **Replacement of injured Players prior to kick-off.** Should any nominated Player or substitute sustain an injury or become otherwise incapacitated after the submission of the Team Sheet to the Referee and before the kick-off, he may be replaced; the Referee shall be informed. Should there be any other extenuating circumstances which require a nominated Player or substitute to be replaced during the aforementioned period, the Referee shall allow such replacement and report the full

SECTION SIX | EFL REGULATIONS

circumstances to The League. The League shall then initiate any inquiries it may deem fit so as to satisfy itself as to the bona fide nature of the replacement.

- 34.8 **Home Grown Players.** Each Club shall be required to nominate a minimum of seven Home Grown Players on their Team Sheet of Players for all League Matches (including Play Off Matches).

Guidance

League Cup, EFL Trophy and FA Cup matches are exempt from the Home Grown quota.

- 34.9 **'Home Grown Player'** shall mean a Player who irrespective of his nationality or age, has been registered with:

34.9.1 his current Club; and/or

34.9.2 a Club and/or any other football club affiliated to the Football Association or the Football Association of Wales,

for a period, continuous or not of three Seasons or 36 months prior to his 21st birthday (or the end of the Season during which he turns 21). For the purposes of this definition of Home Grown Player only, a Season will be deemed to commence for all Clubs on the same date as the date on which the Summer Transfer Window in that Season closes for Clubs in Leagues One and Two, and expire on the date of the final League Match of the Season.

- 34.10 For the purposes of Regulation 34.9.2, but not otherwise, a Player who was at all times registered with a Club (or club) affiliated to the Football Association of Wales shall be treated as having been registered with a Club (or club) affiliated to The Football Association, and vice versa.

- 34.11 **Club Developed Players.** Subject to Regulation 34.12, for League Matches which take place after the submission of the Club's Squad List following the closure of the Summer Transfer Window, each Club shall be required to nominate at least one Club Developed Player on either the Squad List, or on the Team Sheet for all League Matches (including Play Off Matches). Where a Club does not name a Club Developed Player on either its Squad List or Team Sheet, the Club will only be permitted to name up to eight (Championship) or six (League One and Two) substitutes on the Team Sheet (rather than the nine (Championship) or seven (League One and Two) as permitted by Regulation 34.4).

- 34.12 If any Club has prior to the date of the applicable League Match (including Play Off Matches) transferred the registration of two or more Club Developed Players and:

34.12.1 in consideration for the transfer of each Club Developed Player's registration, the Club receives an initial Transfer Fee, Compensation Fee and/or compensation in accordance with the Youth Development Rules on transfer of the registration; and

34.12.2 each of the transferred Club Developed Players:

- (a) are either as at the date of the applicable Match registered as a:
 - (i) Contract Player with a Club (or club) in the same division or higher (including, in the case of a Championship Club, the Premier League); or

- (ii) Scholar with a Club (or club) in the higher division (including, in the case of a Championship Club, the Premier League),
- and
- (b) are or will be aged 24 or under on 1 January in the Season in which the applicable Match occurs,
- then, the Club will not be required to comply with the requirements of Regulation 34.11.

Guidance

For Season 2024/25 this means any Player aged 24 or under on 1 January 2025.

- 34.13 For the avoidance of doubt, the same Player may qualify as a Home Grown Player and a Club Developed Player for the purposes of this Regulation 34.

Guidance

For Players registered with your Club but sent out on loan, the time spent on loan will still count towards the 12 month period necessary to qualify as Club Developed.

Whilst the Regulation includes a built in consequence should a Club fail to name a Club Developed Player in the match day squad (i.e. reduce the number of substitutes by one), the situation could still arise where a Club fails to do that. Fixed fines are not considered appropriate for this type of breach, and any Club in breach would be charged with misconduct. The expected entry point for sanction on a first offence will be to treat the Club as having named (but not played) an ineligible player and this would ordinarily warrant a financial penalty. Where aggravating features (e.g. wilful disregard or multiple breaches) are present then more severe sanctions would be appropriate.

- 34.14 **Numbering of Players' Shirts.** When playing in a Match each Player shall wear a shirt on the back of which shall be prominently displayed his shirt number and above that his name so as to be clearly visible (and contrast with any design or pattern on the Shirt) in accordance with guidelines laid down by The League from time to time. At the start of each Season each Club must provide to The League on the appropriate form details of shirt numbers allocated to each squad Player. Each Player will retain his designated number for the Season unless his registration is:

33.14.1 permanently transferred; or

34.14.2 cancelled (other than for the purposes of going on international loan),

34.14.3 in which case his number may be re-allocated to a new Player. Each time a squad number is allocated during the Season the Club must provide full details on the appropriate form.

Guidance

The EFL will consult with Clubs as to the best ways to ensure that numbers are more visible. One option will be that Club's with striped shirts will be required to include panel, but the EFL will also review number design to see if additional improvements can be made.

- 34.15 **Numbering of Players' Shorts.** Players' shorts must be numbered to correspond with the number on his shirt. The number will be on the front left leg of the shorts, measure no more than 4 inches and be clear and visible.

Guidance

A breach of this Regulation is designated a strict liability offence as detailed in Regulation 88.

- 34.16 The size, style, colour and design of shirt numbers and lettering appearing on a Player's shirt and shorts shall be determined by The League from time to time.
- 34.17 The League may vary Regulations 34.14 and 34.15 in relation to a particular Division.
- 34.18 **Identification of team captain.** The Captain shall wear a distinguishing armband, provided by The League, to indicate his status.

Guidance

A breach of this Regulation is designated a strict liability offence as detailed in Regulation 88.

- 34.19 **Match Balls.** In all matches played under the auspices of The League, the Home Club shall provide and the participating Clubs shall use only the official ball approved from time to time by The League.
- 34.20 **Multiple Balls.** Clubs must use a system of replacement balls for all matches played under the auspices of the League in accordance with Law 2.3 of the Laws of the Game and any guidance issued by the League or in conjunction with PGMOL.

Guidance

A full guidance note will be provided by the League in conjunction with PGMOL.

- 34.21 **Towels / Drying Aids.** No Club shall be entitled to utilise towels or other articles (including articles obtained from spectators) to dry footballs during all matches played under the auspices of the League.
- 34.22 **Clubs to take field of play together.** For all matches under the jurisdiction of The League, Clubs shall be required to take the field of play together preceded by the Match Officials not less than 5 (five) minutes before the advertised time of kick-off.

35 FACILITIES TO BE PROVIDED

- 35.1 **Technical Area Participants Behaviour Charter.** Clubs must provide separate areas adjacent to the pitch for the exclusive use of team officials and substitute Players (and any substituted Players) for both the Home and Visiting Club. These areas shall have direct access to the pitch, shall be under cover and shall contain only fourteen seats (subject to any dispensations granted by the Board). The layout, facilities and viewing positions for the Visiting Club bench shall be the same as for the Home Club.
- 35.2 **Championship Clubs Only.** In addition to the fourteen positions situated in the Visiting Club's trainers' bench, each Championship Club shall provide at each League Match played at its Stadium eight positions for the sole use of coaching and medical staff of the Visiting Club. These positions must be in one self-contained area with access to the Visiting Club's trainers' bench.
- 35.3 **League One and League Two Clubs.** In addition to the fourteen positions situated in the Visiting Club's trainers' bench, each League One and League Two Club shall provide at each League Match played at its Stadium five positions for the sole use of coaching and medical staff of the Visiting Club. These positions must be as close as is reasonably possible to the Visiting Club's trainers' bench.

- 35.4 For the avoidance of doubt, only Club Officials and those included on the Club's Team Sheet for a given League Match are permitted to use the allocation on the Visiting Club's trainer's bench and additional self-contained area.

Guidance

Home Clubs must make every reasonable effort to accommodate the Visiting Club's playing, coaching and medical staff as near to the technical area as possible. Clubs would be expected to co-ordinate about the size of the travelling party prior to the fixture and those staff members reasonably expected to be in the technical area should be given priority over all other attendees (including supporters).

- 35.5 All Officials named on a Club's Team Sheet must ensure they adhere to the Technical Area Code of Conduct as prescribed by the EFL and PGMOL at the beginning of each Season.
- 35.6 **Visiting Club Dressing Room.** Each Club shall ensure that the Visiting Club's Dressing Room has a TV available for use with a live stream of the League Match being played at the Stadium.

Guidance

The TV in the Visiting Club Dressing Room should, where possible, be at least a 40" TV in view of the full dressing room, not to be placed in an obscure position and with an HDMI cable attached for laptop connection for analytical purposes.

- 35.7 **Facilities for visiting supporters**

35.7.1 Each Club must make provision for at least 2,000 visiting supporters at every home match or such number as represents 10% of the Club's certified capacity, if less than 2,000. The League may, on the prior written application of a Club, suspend this Regulation or reduce the figure either for a particular League Match or for a period of time. Each Club shall, subject to any dispensations granted by the Board, make provision for at least 200 of the visiting supporters (of which not less than 100 must be seats) to be accommodated under cover. Any Club which fails to meet the requirement of 200 visiting supporters being accommodated under cover and which does not have a dispensation granted by the Board shall have such amounts as the Board shall determine (in its absolute discretion) withheld from that Club's central distributions from the Pool Account until such time as the Club can meet the requirement.

Guidance

Please note that with the exception of Directors' Box seating and accommodation as prescribed in Appendix 1 Part 3 paragraph 18.1 there is no requirement for a home club to supply any complimentary stand tickets to the visiting club. Where complimentary tickets are made available for the use of the visiting club this is completely at the discretion of the home club and is often done on a reciprocal basis.

35.7.2 Clubs are required to sell tickets for their away matches if required to do so by the Home Club and similarly Home Clubs are required to supply tickets for their Home Matches to the Away Club for sale by the Away Club to its supporters if so requested by the Away Club. These tickets are to be made available on a sale or return basis and must be ordered by the Away Club at least five weeks before the League Match to which they relate. The Home Club must deliver those tickets to the Away Club at the latest four weeks before the League

Match to which they relate. Where any match is arranged at shorter notice the above steps shall be taken as soon as is reasonably practicable. Visiting Supporters should also have the same opportunity to take advantage of pre-booking discounts that apply to home supporters.

- 35.7.3 For League Matches only, the Away Club shall be entitled to a commission representing 5 (five) per cent of the aggregate sales (exclusive of VAT) of tickets sold on behalf of the Home Club, unless otherwise agreed between the Clubs. The Away Club shall submit a VAT invoice, in respect of the commission due, to the Home Club within 10 Normal Working Days of the date of the match taking place.
- 35.7.4 The Away Club may charge a booking fee or transaction charge to the customer providing this is exactly the same in every respect as that which it charges for tickets to its own home matches.
- 35.7.5 Each Club shall, not later than 30 June prior to the commencement of the following Season, provide to The League a ground/zone plan together with associated ticket prices ('Pricing Plan'). The Pricing Plan shall be accompanied by the Club's ground registration form.
- 35.7.6 The League shall provide copies of each Pricing Plan to all other Clubs within the relevant Division. For the avoidance of doubt this will only be done once all Pricing Plans have been received for the relevant Division.
- 35.7.7 A Club may not depart from the Pricing Plan without the prior consent of the relevant Away Club. In the event that the Home Club and Away Club are unable to reach agreement the dispute shall be referred to The League whose decision shall be final and binding.
- 35.7.8 No Club shall charge higher admission prices for visiting supporters for accommodation that is ranked as comparable with or inferior to that used by supporters of the Home Club in the same or next highest ranked accommodation. For the purposes of this Regulation, accommodation shall be allocated a ranking as indicated by the table below (where 1 represents the best available and 6 the lowest) having regard to the following criteria:
- Covered seating;
 - Uncovered seating;
 - Covered terracing;
 - Uncovered terracing;
 - Behind the touchline;
 - Behind the goal line; and

In the corners of the stadium (i.e. behind both the touchline and the goal line).

Type of Accommodation	Covered Seats	Uncovered Seats	Covered Terrace	Uncovered Terrace
Area of Accommodation				
Touchline	1	2	3	4
Goal line	2	3	4	5
Corners	3	4	5	6

Guidance

As per the information supplied under Regulation 35.7.5, Divisional Ticketing guides will be produced by the League at the start of each season. These guides will outline the comparable ticketing prices for home and away supporters at each club. The League will ensure that all club pricing plans adhere to the ticketing Regulations.

In relation to Regulation 35.7.4 no Home Club shall sell match tickets and/or hospitality including but not limited to tickets in an area designated exclusively for visiting supporters in accordance with Regulation 35.7.1 without the express written consent of the Visiting Club.

In relation to Regulation 35.7.2, the Home Club shall release tickets on a sequential basis (150 tickets per tranche) and the Visiting Club must sell each tranche of tickets they have been allocated before releasing the next tranche of tickets for sale and at all times act reasonably to ensure that an agreement is reached between the Visiting Club and the Home Club in relation to the final ticket allocation of the Visiting Club as soon as reasonably possible. All unsold tickets from the agreed final ticket allocation should be returned to the home club by no later than 24 hours before the relevant Fixture. The Home Club may reserve the right to make any unused tickets available to Home Club supporters subject to the appropriate segregation and safety provisions being in place.

35.7.9 Notwithstanding the provisions of Regulation 35.7.8:

- (a) where the Home Club provides a free of charge membership scheme for Home supporters that provides a discount on match tickets, that discount must be made available to supporters of the Visiting Club.
- (b) where the Home Club provides a paid membership scheme for Home supporters that provides discount on match tickets, that discount must be made available on a similar basis to supporters of the Visiting Club, unless the discount provided is proportionate to the price paid for the membership.

Guidance

By similar basis we mean that the discounts should be offered to season ticket holders and (where applicable) members of the Visiting Club membership scheme.

The basis on which proportionality is applied to the discount given on match tickets against the cost of membership is calculated by working out how many matches a supporter would need to attend to recoup the cost of the membership. On this basis The League considers a minimum attendance of 3 matches to be reasonable. For example if the cost of membership is £6 and the supporter receives £2 discount on the price of a match ticket, this would be deemed proportionate, however, if the supporter receives a £3 discount on the price of a match ticket, this would not be deemed proportionate.

- (c) if the visiting supporters have use of the only standing area in the ground, the admission prices charged for this area must be at least 10 per cent lower than the price charged for the cheapest covered seats. This arrangement does not apply to designated family sections; and
- (d) if the visiting supporters have use of accommodation that is of an equivalent or lower ranking (using the table set out in Regulation 35.7.8)

to that available to the home supporters, but the accommodation used by visiting supporters is reasonably considered to be of a higher standard for other reasons then the admission prices charged for this accommodation may be higher than the price charged to those home supporters in the equivalently or lower ranked accommodation. Any such increase shall be limited to such amount as is reasonably justifiable but in any event shall be no greater than 10 per cent of the value of the price charged to those home supporters. In the event of any dispute between two Clubs as to what amount is reasonable, the dispute shall be referred to The League whose decision shall be final and binding.

35.7.10 Concessionary admission prices for senior citizens and children, if available to supporters of the Home Club, must also be available on a similar basis to visiting supporters.

35.7.11 Subject to Regulation 35.7.7, discounts or special promotions (in each case for up to a maximum of 4 matches in one promotion) made available to supporters of the Home Club must also be made available on a similar basis to visiting supporters.

Guidance

Under the Regulations should any Club wish to offer promotions or discounts for a specific match or across up to a maximum of 4 matches they must either (a) offer the discount or special promotion on a similar basis to visiting supporters or (b) seek the permission of the visiting club to run the promotion for home fans only. In the instance that an agreement cannot be reached it should be reported to the League for consideration. For example if a Club offered supporters the chance to purchase tickets for 3 named matches at a discounted cost i.e. 3 matches for £60, then permission should be gained from the 3 Visiting Clubs to run the promotion or the pro rate price i.e. £20 should be offered to the visiting supporters. Should the Club run an offer of buy two matches get the third match free, permission would only need to be sought from the Visiting Club for the third match that is offered free of charge.

35.7.12 This does not affect any Club's ability to offer full or part season tickets. There are no Local Promotions permitted under the Regulation as per previous seasons; any deviation away from the pricing plan submitted at the beginning of the season must adhere to the conditions mentioned above.

35.7.13 At every home match, a minimum of 10 per cent of the total disabled spectator accommodation must be made available to disabled supporters of the Away Club.

35.7.14 Payments for tickets sold by an Away Club together with details of tickets sold and the return of unsold tickets, must be made to (i.e. receipt of cleared funds by) the Home Club within seven working days of the date of the match taking place. Any Club making late payment shall:

- (a) pay interest to the Home Club at the rate of 5 (five) per cent per annum over Barclays Bank base rate in force from time to time calculated on a daily basis, on the outstanding sum from the due date to the actual date of payment to the Home Club; and

- (b) forfeit their entitlement to the 5 (five) per cent commission detailed in Regulation 35.7.3.

Guidance

A breach of this Regulation is designated a strict liability offence as detailed in Regulation 88.

35.7.15 Disabled supporters of the Away Club with general admission tickets must be situated with fellow Away Club supporters.

35.7.16 Regulation 35.7.15 shall apply unless any Club has been granted a dispensation by the Board. Any Club wishing to apply for a dispensation must have applied no later than one month before the first League match of the Season (or, in the case of a Club promoted from the National League, at the same time as their application for promotion in accordance with Regulation 10.1.3) setting out the grounds on which it seeks a dispensation, including (i) how it intends to comply with Regulation 35.7.15 and a timeline for doing so, and; (ii) how it plans to mitigate disabled supporters of the Away Club not being situated with other Away Club supporters. Applications shall be determined by the Board in its absolute discretion. Save in the case of the most exceptional circumstances (again as determined by the Board in its absolute discretion) dispensations can only be granted on a Season by Season basis (up to a maximum of three Seasons from the 2024/25 Season). An application may be refused, granted or granted subject to such conditions as the Board may determine.

Guidance

For those Clubs granted dispensation by the Board, updates must be provided to the League as and when reasonably requested to demonstrate the progress being made by the Club to become compliant with Regulation 35.7.16 on or before the date the dispensation period ends.

35.8 **Match Footage.** Both Clubs and PGMO Officials will be provided, free of charge, by the League either a high-resolution and/or a low-resolution copy of the match footage of any Match played under the jurisdiction of The League. All footage is uploaded digitally to a secure file transfer protocol site, following the conclusion of the Match. Clubs shall not be permitted to:

35.8.1 duplicate any footage of such Video for financial gain; or

35.8.2 connect any recording device to any camera(s) or any other broadcast related network or equipment installed and/or operated by or on behalf of The League without first obtaining the written permission of The League.

Guidance

A breach of this Regulation is designated a strict liability offence as detailed in Regulation 88.

35.9 **Giant Screens.** Except with the prior written consent of The League, giant screens or the like at a Club's ground shall not be used to relay to spectators closed circuit pictures of the Match at which they are present. Any consent given under this Regulation shall be subject to the following conditions:

35.9.1 the screen shall be located so that it does not interfere with the Match at which it is used or distract the Players and Match Officials;

35.9.2 the screen shall be operated by a responsible person who is fully aware of the conditions covering its use;

35.9.3 the screen may be used to show live action and, when the ball is not in play, action replays of positive incidents; decisions issued by Goal Line Technology (in such format as The League may specify from time to time) and/or any other systems intended to aid the decision of Match Officials on the field of play; and

35.9.4 the screen shall not be used to show:

- (a) action replays of negative or controversial incidents;
- (b) any incident which may bring into question the judgement of any Match Official;
- (c) the area of the trainers' bench;
- (d) until substitute boards have been displayed, pictures of any substitute Player warming up or preparing to enter the field of play; and/or
- (e) any material which would tend to criticise, disparage, belittle or discredit The League, any Club or any Official, Player or Match Official or to bring the game into disrepute,

unless utilised in connection with the use of Goal Line Technology and/or video assistant referees (in accordance with the guidelines issued by The League from time to time).

Guidance

As part of the League's commercial obligations to its Partners, Clubs are required to show commercial inventory as determined by the League on their Giant Screens from time to time; the League will provide Clubs with the relevant content and guidance in this instance.

36 MEDICAL PROVISIONS

36.1 Nothing in this Regulation, elsewhere in these Regulations or the Youth Development Rules replaces, reduces or affects in any way the obligations imposed on Clubs by statute and/or common law in the fields of medicine, occupational health and/or health and safety.

36.2 Emergency Aid Provision at Matches

36.2.1 It is the responsibility of the Home Club in matches played under the jurisdiction of The League to ensure that the following persons, as a minimum, are in attendance throughout the Match:

- (a) a registered Medical Practitioner with the General Medical Council ('**Team Doctor**');
- (b) at least one paramedic trained in emergency medicine dedicated to dealing with on field matters ('**Paramedic**'); and
- (c) one stretcher team, consisting of at least two carriers who have:
 - (i) appropriate levels of physical ability; and

all of whom must be sat in positions which allow immediate access to the pitch.

- 36.3 Clubs participating in the Championship Division shall ensure that throughout each League Match a fully equipped, dedicated and appropriately insured ambulance suitable to carry an emergency casualty and staffed by a Person or Persons qualified to perform essential emergency care en route is available at the ground to transport any Player or Match Official requiring emergency treatment to hospital.

36.4 Team Doctors

- 36.4.1 Team Doctors must fulfil a programme of Continual Professional Development (CPD) as determined from time to time by the profession, attend education conferences and seminars organised by The Football Association and support the medical education functions of The Football Association.

Guidance

It is recommended that the Team Doctor should hold a recognised higher qualification in sports medicine i.e. UK Diploma as a minimum. If the Team Doctor does not hold a sports medicine qualification then it is recommended that a sports medicine qualified Doctor is brought in to the Club at least once per week as a consultant and that the Team Doctor works within their scope of practice and refers on accordingly.

Additionally to further ensure an adequate level of care and as further risk mitigation all clubs should have an Emergency Action Plan (EAP), signed and overseen by the head of the medical department who is GMC or HCPC registered, in addition to being ATMMiF qualified.

This EAP is the responsibility of the Club and should be submitted to The League prior to the start of the season as part of the medical information survey.

- 36.4.2 Each Team Doctor shall have successfully undertaken the full Football Association Advanced Trauma Medical Management in Football (the 'ATMMiF Certificate') course (or an equivalent course that is recognised and approved by:

- (a) the Faculty of Pre-Hospital Care as equivalent to the ATMMiF Certificate); and
(b) The League),

in the preceding 36 months.

Guidance

Guidance issued by the Football Association confirms that the following courses will be recognised as equivalent qualifications to the AREA / ATMMiF course accepted under these Regulations are as follows:

Clubs will be expected to provide The League via an online medical survey prior to the start of the season with the relevant details of their Team Doctor and any Cover Doctors' to be utilised throughout the season.

It is the Clubs' sole responsibility to ensure any medical qualifications for any medical personnel utilised on a match day are kept up to date and remain valid.

36.4.3 Championship Clubs shall ensure that (unless other appropriate arrangements are agreed with the Home Club) their Team Doctor also attends any first team away matches played under the auspices of The League.

Guidance

Whilst the Regulation does enable Clubs to make alternative arrangements between themselves, this is intended to cover the exceptional situations (e.g. unplanned absence) rather than a regular occurrence of the away team doctor not travelling with the team. The League will not seek to intervene in disagreements regarding proposed arrangements and if agreement cannot be reached, the default position is that the Visiting Club must ensure it complies with the requirements of the Regulation.

36.5 Therapists

36.5.1 Each Club shall appoint at least one therapist at that Club as that Club's 'Senior Therapist'.

36.5.2 Subject to Regulation 36.5.3, a Senior Therapist must be a registered physiotherapist member of The Health and Care Professions Council (HCPC) and hold as minimum, a current ATMMiF qualification or an equivalent or higher qualification as otherwise approved by the Football Association from time to time.

36.5.3 All other therapists at a Club must:

and where involved in pitch side care or extrication, hold as a minimum a current ATMMiF qualification (or an equivalent or higher qualification as otherwise approved by the Football Association from time to time).

Guidance

As per guidance issued by the Football Association recognised qualifications accepted under our Regulations are as follows:

Equivalent:

- *Immediate Care in Sport Level 2 (ICIS Level 2)*
- *Higher – those qualifications listed in the Guidance to Regulation 36.4.2.*

Please note that although these equivalents will be accepted in accordance with the Regulations, any permanent member of staff will be expected to take the football specific qualification when their current qualification expires.

36.6 **Attending Players on the Field of Play.**

36.6.1 Any doctor, therapist or other medical practitioner who is involved in pitch side care or extrication from matches played under the auspices of the League must hold a current ATMMiF qualification (or an equivalent or higher qualification as otherwise approved by the Football Association from time to time). All such individuals (other than doctors and registered physiotherapist member of the HCPC) must undergo annual re-accreditation to be regarded as having a current ATMMiF qualification.

Guidance

Clubs will be expected to provide The League via an online medical survey prior to the start of the season with the relevant details of their Senior Therapist and any other medical staff utilised on a match day.

It is the Clubs' sole responsibility to ensure any medical qualifications for any medical personnel utilised on a match day are kept up to date and remain valid.

36.7 **Head Injuries and Concussion.**

36.7.1 Each Team Doctor, Senior Therapist, Paramedic and any other Therapist shall, when present at any match or training, carry the pocket concussion tool as notified by The League from time to time.

36.7.2 Any Player who has sustained a concussive injury (whether in any match, at training or otherwise) shall not be allowed to resume playing or training (as the case may be) unless he has been examined and declared fit to do so by his

Team Doctor or, if they are unavailable, by another medical practitioner who holds a current Football Association ATMMiF certificate or an equivalent or higher qualification as otherwise approved by the Football Association from time to time. In such circumstances, the welfare of the Player is paramount and the decision of the Team Doctor or other appropriately qualified medical practitioner as to whether the Player is fit to resume playing or training shall be final.

- 36.8 **Non First Team Matches.** For all matches at any level, other than the above (including at Academies), there must be in attendance, as a minimum, a holder of a valid Football Association Emergency First Aid in Football ('EFAiF').

Guidance

- 36.9 **Crowd Safety.** Clubs shall ensure that they have in place appropriate arrangements for the provision of Crowd Doctors, paramedics, ambulances and other medical facilities together with appropriate emergency plans as are required under the terms of the safety certificate issued in accordance with the provisions of the Safety of Sports Grounds Act 1975.

- 36.10 **Return to Training Protocols.** Each Club must comply with the Return to Training Protocols and Return to Match Day Protocol set out at Appendix 8. The League has the right to amend and/or replace the Return to Training Protocols and/or the Return to Match Day Protocol at any time provided that it provides Clubs with not less than 2 days' written notice of such amendments.

Guidance

Any protocols will be published on the EFL SharePoint site accessed via the Club Portal system.

- 36.11 Each Club shall pay to The League such amounts as are notified by The League for the costs associated, or arising in connection, with the implementation of the Return to Training Protocol.

- 36.12 The League shall be entitled to deduct any such costs from any amounts payable to a Club by The League in accordance with these Regulations and the Articles of Association (including but not limited to by way of Basic Award). For the avoidance of doubt, in the event that the costs associated, or that arise in connection, with the implementation of the Return to Training Protocol exceed the amounts payable to a Club by The League, the Club shall be liable to pay The League such excess costs.

37 NOTIFICATION OF RESULTS AND REFEREES' MARKS

- 37.1 Clubs must submit the results of League Matches together with the names of the Players competing therein, in the manner directed by The League from time to time, within 72 hours of each League Match or no later than 12 noon on the next Normal Working Day immediately after the match (whichever is the earlier).

Guidance

This means that if you have had a game on Friday or Saturday you must have submitted your Teamsheet on iFAS via the Club Portal by 12 noon on Monday and if you have had a Mid-Week Match it must have been Submitted on iFAS via the Club Portal by 12 noon the next day e.g. Tuesday night by Wednesday 12 noon etc.

A breach of this Regulation is designated a strict liability offence as detailed in Regulation 88.

Guidance

The League requires all Referees marks and requests for feedback from PGMOL to be submitted through the MOAS system to be completed in a timely manner.

A breach of this Regulation is designated a strict liability offence as detailed in Regulation 88.

38 CHAMPIONSHIP TROPHIES AND MEDALS

- 38.1 The Club declared the Champion Club of each Division shall hold the Championship Trophy of that Division until the next Season's League Competition is concluded. When the winners of the trophies shall have been ascertained they shall be handed over to such winners who shall return the same to The League on or before 1 May in the following year in like good order and condition, provided always that the winning Club shall, from time to time throughout the year, on request from The League, release the trophy to The League for such purposes as The League shall require.

Guidance

Upon return of the original to the League, the club will be presented with a ¾ size replica of the winning trophy.

- 38.2 The League shall present to the Championship Club of each Division 30 souvenirs comprising 25 for the Players, one for the chief administrator/club secretary, one for the Manager, one for the Senior Therapist and two for staff other than Players. It shall be the responsibility of the Club to determine to which of its Players the souvenirs should be presented. Additional souvenirs may be presented with the consent of The League.

Guidance

To be eligible to receive a Championship, League One or Two winners medal, a player must have been named on the team sheet in at least 25% of the Club's league fixtures in that season. Any medals agreed over and above those detailed above will be at cost to the Club concerned.

39 REGISTRATION OF PLAYING KITS

- 39.1 During the Close Season, each Club shall notify The League in writing details of its 'home' and 'away' kit (shirt, shorts and socks) and if applicable any 'third' set of kit. Each set of kit registered must differ visibly from and contrast with each other kit registered by the Club in that Season. No changes either in the kit or combination of colours of kits shall be permitted during the course of the Season.

SECTION SIX | EFL REGULATIONS

- 39.2 Save as, provided for in Regulation 39.3 and 39.4, the 'home' shirt registered by each Club will be worn for all Home Matches during the next following Season.
- 39.3 In circumstances where an 'away' Club cannot wear any of its kits (or combination of its kits) without causing a potential kit clash, the Home Club shall be able to wear any combination of its registered kit in order to avoid the potential kit clash (including but not limited to wearing an 'away' or 'third' shirt for a Home Match). The League shall inform all other Clubs, Referees and Assistant Referees of such details.

Guidance

Clubs are required to notify the Football Services Department of their chosen colours for all new 'home', 'away' and 'third' sets of kit at the planning stage then the League can provide approval before Clubs place any orders for kit with their respective manufacturers. When registering kits, Clubs must ensure that the colour of the shirt, shorts and socks for each kit is different to and would sufficiently contrast against the other kits registered by the Club and that a physical replica of each home, away, third kit plus goalkeeper kits are sent to the League at least three weeks before the start of each Season. The kit will be retained by the League and shall be returned to each Club (at their request in writing by 1 March in each Season) or sold by the League with the proceeds being donated to charity.

For the avoidance of doubt, a 'kit' constitutes a set of shirt, shorts and socks.

When considering selection of colours of shirts / shorts / socks, Clubs should have regard to the guidance issued by the Football Association on helping those affected by colour blindness, a copy of which is available on the EFL SharePoint site accessed via the Club Portal system. Clubs are therefore expected to have sufficient registered kits available so they can be worn as required (taking into account regard to the guidance issued by the Football Association on helping those affected by colour blindness) for each Fixture for the duration of the Season.

The order or precedence when determining kit colours for any fixture is as follows:

- 1. Home Club – Outfield;*
 - 2. Away Club – Outfield;*
 - 3. Home – Goalkeeper;*
 - 4. Away – Goalkeeper; and*
 - 5. Match Officials.*
- 39.4 Each Club is authorised on one occasion per Season to play a Home Match in an alternative kit (in addition to any changes permitted in accordance with Regulation 39.3). The League reserves the right to relax this restriction in respect of play-off matches after consultation with Clubs.
- 39.5 The Away team will, not less than 7 days before the scheduled match, submit to The League, Match Referee and their opponents the details of the colours of shirts, shorts and socks of all players. In the event that The League requires either Club (Away or Home) make amendments to its selection, the Club will, within 24 hours of receiving the notification of the same, resubmit its selection to The League, Match Referee and opponent.

Guidance

A breach of this Regulation is designated a strict liability offence as detailed in Regulation 88.

- 39.6 The colour of the Goalkeeper's shirt must, in all cases, be clearly distinguishable from the colours of the shirts worn by the Match Officials and all other Players.
- 39.7 In adverse weather conditions the Goalkeeper may wear tracksuit trousers acceptable to the Referee.
- 39.8 '**Shirt**' in the context of this Regulation shall also include 'Jersey' where applicable.
- 39.9 The colours of clothing worn by ball assistants must not clash with the colours of either of the competing Clubs.
- 39.10 The shirts of all Players in matches played under the jurisdiction of The League shall include such sleeve badge(s) in such format as The League shall prescribe. There shall be no form of words, advertising, badge or other logo above or below the sleeve badge(s) except as permitted by The League.

Guidance

A breach of this Regulation is designated a strict liability offence as detailed in Regulation 88.

- 39.11 No other logos, words or other designs may be printed or embroidered on the shirts, shorts or socks without the prior written permission of The League. Permission will only be granted for:
- 39.11.1 local promotions, campaigns or charity initiatives;
- 39.11.2 supporting The League's nominated charity partner and/or other initiatives (as notified by The League from time to time);
- 39.11.3 discrete inclusion of a unique number for each Player that represents their place in the chronological list of players to appear for that Club; and/or
- 39.11.4 a discreet logo or wording used in conjunction with the Club's crest to commemorate significant matches or the Club's history,

and where such permission will not cause the Club to breach the requirements of any Football Association regulations relating to kit advertising.

Guidance

Clubs are reminded that any advertising on any piece of playing kit or equipment must comply with the rules of the Football Association and any commercial restrictions and guidance supplied by the League.

Clubs shall be permitted to register a 'third kit' at any point during the season save that only one 'third kit' will be allowed to be registered in any one season.

In relation to Charity Shirts clubs should adhere to the Football Association guidelines.

The FA Kit and Advertising Regulations state '.....the officially designated name, logo or emblem of a registered charity may appear only once on shirts.....Before any such charity name, logo or emblem is used on a kit, permission must be granted from the Competition in which the kit is to be worn. Such permission may only be granted on a maximum of three occasions in any one season'.

40 REFEREES AND ASSISTANT REFEREES

The League shall compile each Season a list of Referees and Assistant Referees selected from the National Lists of Referees and Assistant Referees respectively. Assistant Referees shall be registered as Level 3 Referees with a County Football Association and be actively engaged in refereeing senior competitions.

41 MANAGERS

41.1 Subject to Regulations 41.3 and 41.4:

41.1.1 all Managers in the Championship must hold a minimum of the UEFA A Licence and be working towards completing the UEFA Pro-Licence within 3 years of appointment.

41.1.2 all Managers in League One and League Two must hold a minimum of the UEFA B Licence and be working towards completing the UEFA A Licence within 3 years of appointment.

41.2 Where a Club is promoted from League One to the Championship and that Club's Manager does not hold the UEFA A Licence, the Manager shall have until 31 July in the following Season in which to obtain the UEFA A Licence.

41.3 Where a Club appoints a Manager on an interim basis that individual does not need to meet the qualifications set out in Regulation 41.1 above provided always that this dispensation shall not last beyond the end of the Season in which they are appointed. Further, Clubs may not appoint any individual who has already held an interim Manager position at a Club under this Regulation unless and until such time as they have acquired the qualification(s) required under Regulation 41.1.

Guidance

This only applies for any individual who does not meet the qualifications set out in Regulation 41.1. For the avoidance of any doubt if the individual holds the required qualification, there are no restrictions on the individual from holding the position of Manager on an interim basis.

41.4 Where a Manager at a Club held the role of Manager at a Club or Premier League Club (or any club in any other league of an equivalent standing to The League or Premier League, as determined by the League, acting reasonably) on or prior to the 10 June 2011 then that Manager does not need to comply with the provisions of Regulation 41.1 must instead hold the Football Association Coaching Diploma (or suitable alternative, as approved by The League).

41.5 References in this Regulation to a particular UEFA qualification may, subject to the prior approval of the League, include:

41.5.1 a 'recognition of competence' issued by UEFA (in accordance with the UEFA Coaching Convention) confirming that the individual has achieved an equivalent standard; and

41.5.2 any equivalent qualification recognised by any other Confederation of FIFA.

41.6 Contracts of employment between a Club and a Manager shall include the standard clauses set out in Appendix 7.

Guidance

All Clubs are expected to provide the League with confirmation of any managerial appointments made (both permanent and interim) and provide satisfactory evidence of any qualifications held.

Please see Regulation 126 for provisions relating to recruitment processes for first team managers.

42 PRE-SEASON MEETINGS

- 42.1 All Clubs are required to procure that their Manager attends, in person, an annual pre-Season meeting organised by The League, and failure to do so without just cause shall be a breach of these Regulations.
- 42.2 By no later than 25 June in advance of each Season, each Club must notify the League of two dates (each of which shall be before the Club's first League Match of the Season) on which each of its Contract Players will be available for a meeting to be attended by the League, Football Association and/or PGMOL. The League will then notify the Club as soon as possible thereafter on which of the two dates provided the meeting will take place. Failure to attend this meeting (in the case of a Contract Player) or to take reasonable steps to ensure the attendance of each of its Contract Players at this meeting (in the case of a Club), save in exceptional circumstances, shall be a breach of this Regulation.

SECTION 6

PLAYERS

43 TRANSFER WINDOWS

43.1 The Summer Transfer Window shall commence on the later of:

43.1.1 00:01 on the day immediately following the last day of the Season; or

43.1.2 00:01 on the date 12 weeks prior to the date on which it is to conclude (in accordance with Regulation 43.2).

Guidance

Where a Summer Transfer Window is scheduled to close at 23:00 on 31 August, the transfer window will open at 00:01 on 8 June being that date 12 weeks prior to 31 August.

43.2 The Summer Transfer Window shall conclude as determined by the League. The League shall determine the time the Summer Window closes after consultation with the Premier League and Football Association.

43.3 The Winter Transfer Window in any Season shall:

43.3.1 commence at 00:01 on 1 January; and

43.3.2 shall end on 31 January next (at a time to be determined by the League),

or at such other date and time as the League shall determine in accordance with Regulation 43.4.

43.4 If:

43.4.1 the Winter Transfer Window is scheduled to end on a day which is not a Normal Working Day; and/or

43.4.2 the League determines that the Winter Transfer Window shall commence at a date and/or time other than 00:01 on 1 January after consultation with the Premier League and Football Association,

then the League shall also have the discretion to amend the time and/or date upon which the applicable Transfer Window(s) shall be deemed to end.

Guidance

See the guidance under Regulation 44.8 about the EFL's approach on deadlines.

43.5 Where the opening date of the Winter Transfer Window (whether in accordance with Regulation 43.3, or following a determination of an alternative date in accordance with Regulation 43.4) could (having regard to the operation of Regulation 44.8) result in some Clubs being unable to register Players for the round of League Matches scheduled on or around that opening date, but others would, then The League shall be entitled to withhold confirmation of registration (for the purposes of Regulation 44.8.2) until the next following League Match.

Guidance

The purpose of this Regulation is to give The League an element of flexibility in its application. By way of example, in Season 2020/21 it was applied as follows:

- *the Winter Transfer Window in Season 2020/21 opened on 2 January 2021.*
- *In the Championship division, Match round 23 was scheduled for 2 January 2021 and some fixtures were moved to 3rd/4th January 2021 to accommodate TV selections.*

In order to ensure that all Clubs were treated equitably for Match round 23, the League withheld confirmation of registration for applications lodged on the morning of Saturday 2 January 2021, until after completion of match round 23, so Clubs selected for TV did not gain an advantage over the majority of Clubs who would play at 3pm on the Saturday.

44 REGISTRATION OF PLAYERS

- 44.1 Unless otherwise permitted by Regulation 44.2, registrations of Players are only permitted during a Transfer Window.
- 44.2 Subject always to the provisions of Regulation 44.3, after the expiry of each Transfer Window in each Season registrations of Players and transfers of registrations will, except as permitted in Regulation 58, be declined or will only be approved:
- 44.2.1 where the Player is an Out of Registration Player;
- 44.2.2 where the Player was last registered as or is being registered as a Scholar or Academy Player (subject to such conditions by which the Club making the application and the Player shall be bound); and/or
- 44.2.3 if agreed by The League (including where the Player was last registered with a Club (or club) which has ceased to trade, including during the Closed Period) subject to such conditions as determined by The League and by which the Club making the application and the Player shall be bound.
- 44.3 Where any new registration or transfer of a Player is received by The League after 5pm on the fourth Thursday in March in each Season, that Player will not be eligible to play in any match organised by The League in that Season, except as permitted in Regulation 58.

Guidance

The fourth Thursday in March is the traditional 'transfer deadline day' and remains in place to ensure Clubs cannot add to their squad for the final remaining fixtures of a Season thus impacting on the integrity of the competition in those final stages. This deadline is also used in other contexts – see for example the requirements on full strength sides in Regulation 25.1.

Academy Players will not be caught by this restriction in respect of non-first team matches. However, Clubs will not be permitted to register an Academy Player after this date and then utilise him in League Matches.

- 44.4 A Registered Player is one who has signed an appropriate registration form or forms and/or contract (such signature to be witnessed by a second person) and whose registration has been approved by The League. Notwithstanding the foregoing, only those Academy Players over the age of 15 years on 1 September in any given Season may play football for a Club's first team in that Season, and then may only do so with the written permission of his Parent, his school's head teacher and the approval of The League.

Guidance

Registration of Players – FIFA Article 5.3 – Three & Two Rule

In accordance with FIFA Regulations a Player may be registered with a maximum of three clubs during one season. During this period, the player is only eligible to play in official matches for two clubs. As an exception to this rule, a player moving between two clubs belonging to different associations with overlapping seasons (i.e. start of the season in summer / autumn as opposed to winter/spring) may be eligible to play in official matches for a third club during the relevant season, provided he has fully complied with his contractual obligations towards his previous clubs.

Clubs are advised that domestically the above applies to all registrations except Non-League, Short Term and Youth Loans, although Foreign Associations may include these loans as counting towards the rule. Clubs should take this into account should a Player in these circumstances be considering a move to another Association, whether on a temporary or permanent basis. More detailed guidance is published on the Club Portal on a season by season basis – please refer to the Player Administration Section of the service.

- 44.5 No Player may play in any competition organised by The League unless and until his registration has been so approved.

Guidance

A Player's registration will not be completed until all the required documentation, clearances and monies have been received by the League and found to be in order. Only the receipt by the registering Club of confirmation of registration will determine the eligibility of the Player to play in EFL Matches. International clearance and receipt of monies are not required prior to the deadline but must be received before the Player plays.

Once a Club has received confirmation of registration from the League, it must ensure its squad numbers/squad lists are updated on iFAS via the Club Portal, where applicable.

Clubs are also able to use iFAS on the Club Portal to check the availability of Players for any fixture.

- 44.6 It shall be the responsibility of all Clubs playing in any competition organised by The League to ensure that all Players are so registered. Failure to do so constitutes misconduct.

Guidance

Registration is now carried out via an online process through iFAS on the Club Portal. Only in rare cases will it be necessary to email registration documents to the EFL. If documents are sent via email Clubs will receive an automated response when emailing registration documents to playeradmin@efl.com. If a Club does not receive this auto-acknowledgement, it should notify the Player Administration department. The auto acknowledgement is not a confirmation of registration.

In the absence of confirmation by The League confirming a Player's registration, Clubs should always check a Player's eligibility by telephone or via iFAS on the Club Portal. The penalties for playing an ineligible Player can be severe – see Regulation 45.2.

- 44.7 An additional copy of the appropriate registration papers shall at the same time as a copy is despatched to The League be despatched to The Football Association.

Guidance

It is imperative registration documents are also sent to, and you obtain confirmation of registration from, the Football Association. For those registration types that are completed online, the system manages that process for you. The reason is that it is the Football Association that is responsible for the application of any applicable FIFA Regulations (for example, confirming whether a player requires an International Transfer Certificate), and will also be able to advise on any 'work permit' requirements for overseas players. Separate guidance on those requirements (now known as Governing Body Endorsements) is published on the Club Portal on a season by season basis – please refer to the Player Administration Section of the service.

For Players requiring international clearance, please note that the FIFA Transfer Matching System operates with a strict deadline at the closure of each Transfer Window.

- 44.8 Subject to Regulations 44.2, 44.3, 44.9 and 58, a Player will only be eligible to play in a match organised by The League if:
- 44.8.1 the appropriate forms for his registration or the transfer of his registration (including, for the avoidance of doubt, Temporary Loan Transfers) are submitted (in such manner as the League shall specify from time to time) to and received by The League by 12.00 noon on the day prior to the date of such match and confirmed by the League to be in order; and
- 44.8.2 in respect of any League Match to be played after the date for submission of the Squad List (as determined in accordance with Regulation 44.9.3 but excluding any League Match played during the Winter Transfer Window), the Player:
- (a) is included on the Squad List; or
 - (b) is not required to be included within the Squad List in accordance with Regulation 44.9.2.

Guidance

All registration types are now required to be submitted via an online registration system which is shared between the EFL, Football Association and the Premier League.

Application of the Deadline and 'Quick Applications' – see separate guidance document found on the EFL Portal.

Regulation 44.2.1: See also the guidance under the definition of Out of Registration Player. Unless otherwise agreed, Players registered at any level including on a Non-Contract registration are not deemed to have 'out of registration player' status if still registered during a Closed Period.

Regulation 44.2.2: Players being registered as an Academy Player (YD4, Scholar) are not subject to the same restrictions as an Out of Registration Player.

Regulation 44.2.3: is not intended to provide Clubs with the opportunity to register new players outside of the existing transfer windows and have those players eligible to play. The purpose of this Regulation is to deal with those exceptional circumstances which arise from time to time and conditions around ineligibility to participate in matches will be part of any conditions imposed.

A Player registered on a Standard Loan in accordance with Regulation 55.9 at a Club may subsequently be permanently transferred to that Club at any time including during a Closed Period.

Academy Players will not be caught by these restrictions in respect of non-first team matches. However, the League reserves the right to impose restrictions on first team eligibility e.g. in circumstances where applications could be considered to be trying to register players who are ostensibly professional players as scholars (e.g. when 17 or 18) to avoid the application of transfer windows.

44.9 Squad Lists

44.9.1 Clubs shall be permitted to name up to a maximum number of Players in their Squad List based on the following provisions:

- (a) in respect of Championship Clubs, 25 Players of which a minimum of 8 must be a Home Grown Player; and
- (b) in respect of League One and Two Clubs 22 Players of which a minimum of 8 must be a Home Grown Player.

44.9.2 The following Players do not need to be included in the Squad List to be eligible to play in League Matches:

- (a) in respect of Championship Clubs, any Under 21 Player (save for any Under 21 Player who is registered with the Club on a Temporary Loan Transfer); and
- (b) in respect of League One Clubs and League Two Clubs:
 - (i) any Under 21 Players; and
 - (ii) goalkeepers.

Guidance

Clubs are required to declare whether or not a Player is a goalkeeper when submitting a registration application. Inaccurately declaring an outfield Player as a goalkeeper will constitute misconduct as a breach of the Club's obligation to behave towards the League with the upmost good faith (as per Regulation 3.4).

Under 21 Players who are on Loan to Championship Clubs are counted towards the 25 Player limit for the purpose of the Squad List Regulation.

44.9.3 Each Club shall submit its Squad List to The League:

- (a) within 24 hours of a Transfer Window; or
- (b) such other date and time as may be notified by the League.

Guidance

The inclusion of this power is to amend the deadline for submitting Squad Lists where the 24 hour deadline would impact on a weekend/bank holiday.

44.9.4 A Club shall apply to:

- (a) include a Player on its Squad List; and/or
- (b) remove a Player from its Squad List,

by submitting a request to that effect to The League (in such manner as The League shall direct from time to time).

Guidance

All details to be uploaded via iFAS.

44.9.5 A Player shall be deemed to have been included or removed from a Club's Squad List on receipt of The League's confirmation of the same (which may be given electronically).

44.9.6 Changes to a Squad List may be made:

- (a) during the period of a Transfer Window; and
- (b) at other times only with the permission of The League.

Guidance

Changes inside a Transfer Window

Changes to the Squad List can be made at any time during the Transfer Window.

Clubs do not need to apply to the EFL for approval to make the change, Clubs only need to make the changes via iFAS.

In order to be eligible for a League Match during the Transfer Window, the Player (unless an exclusion applies) must be registered with the EFL and be included on the Squad List before the relevant League Match. The EFL recommends uploading the updated Squad List not less than 24 hours before the relevant League Match.

Changes outside of a Transfer Window

The League will only consider granting permission to make changes to the Squad List outside of a Transfer Window where:

- *the Club's current Squad List contains less than the maximum number of Players permitted to be included on the Squad List and the Club wishes to add an Out of Registration Player or another Player registered with the Club but not currently included on the Squad List, or;*
- *in other truly exceptional circumstances to include but not be limited to those set out in the note from EFL Player Admin found on the EFL Portal.*

44.9.7 The League will publish each Club's Squad List and a list of all other Contract Players eligible to participate in League Matches but are not included on the Squad List, on the League's official website within 7 days of the closing of a Transfer Window.

45 BREACH OF CONDITIONS OF REGISTRATION

- 45.1 Failure to comply with any of the conditions relating to a registration will render the Player ineligible to play for the Club concerned as not being a Registered Player.
- 45.2 Any Club playing an unregistered or ineligible Player in a League Match may have three points deducted from its score and/or be liable to such other penalty as a Disciplinary Commission may decide.
- 45.3 Any Club playing, in a match under the auspices of The League, a Player who is under suspension by The Football Association may have three points deducted from its score and/or be liable to such other penalty as a Disciplinary Commission may decide.

- 46.3 A copy of those parts of these Regulations which are applicable must be handed to the Player at the time of signing.
- 46.4 No Club, Official or Player shall directly or indirectly make or offer to make any payment whatsoever in cash or in kind to Players or their families or any other person as an inducement to sign other than those provided for in these Regulations. Any Club, Official or Player in breach of this Regulation shall be guilty of misconduct.

47 REGISTRATION FORMS

- 47.1 In order to register a Player the prescribed contract, registration form and/or transfer form signed on behalf of the Club by either the chairperson, club secretary or any duly appointed signatory must be sent to The League within five days of the Player's signature and are subject to the approval of The League. The receipt by the registering Club of confirmation of registration shall determine the eligibility (and the effective date of eligibility) of the Player to play in League Matches.

Guidance

For the purposes of this Regulation, any other 'duly appointed signatory' (otherwise known as 'Authorised Signatories') must submit to the Owners' and Directors' Test.

Note, Regulation 64.3 provides that contracts can be signed by (a) the chairperson alone or (b) any other director and one other authorised signatory.

The EFL Board has previously confirmed (Season 2010/11) that irrespective of whether or not a Club is formally embargoed, the EFL reserves the right under this Regulation to decline the registration of a player in the event that the Club concerned has demonstrated that it is unable to meet its existing financial obligations. Whilst most liabilities are already specifically covered under the Regulations, there can be cases

where Clubs have to demonstrate an inability to meet their other debts as and when they fall due which are not directly covered by the Regulations, and if those Clubs were permitted to continue unfettered in the transfer market this could undermine the integrity of The League's competitions and the public reputation of the EFL as a whole. The prospect of declining registrations outside of an embargo is only seen as an exceptional event and will only be deployed when the EFL deems that the circumstances are unusual enough to require this course of action.

47.2 International Transfer Certificate. Any Player who last played (or was registered to play) for a club affiliated to a national association other than that to which the Club which is applying to register him is affiliated shall not be eligible to participate in a match played under the auspices of The League unless The League has received written confirmation from the Club's national association that an International Transfer Certificate has been issued in respect of the Player in accordance with the requirements of the Football Association. This includes any Player returning from a period on loan at a club affiliated to a national association other than the Club to which the Player is returning.

47.3 In addition to the forms and documents specifically required by these Regulations, a Club shall submit to The League:

47.3.1 any contract it proposes to enter into which gives the Club or any other party to the proposed contract any rights relating to the transfer of the registration of a player at a date in the future from or to the Club or any rights relating to the employment of the player by the Club; or

47.3.2 any contract it proposes to enter into which gives the Club or any other party to the proposed contract the right to receive payments in respect of a Player.

Any such proposed contract shall be subject to the approval of The League. In deciding whether to give such approval The League shall have regard to (without limitation) Section 10 of these Regulations.

Guidance

The EFL has in the past made a number of determinations in the context of whether to grant approval or not under Regulation 47 both in the context of this Regulation, but also considering the application of Regulations 51 and 125. The following examples are offered as guidance but each such application will be considered on its own merits at the applicable time:

Options to acquire Players. The EFL will permit a Club to conclude an option to transfer a player at a date in the future, provided that it is subject to the consent of the Player at the time of the exercise of the option, prior approval in accordance with Regulation 47.3 and it being with a club or Club in a different Division. In addition, the EFL will allow Clubs and a Player entering into a standard loan to include an option to acquire the Player permanently at some future date prior to the 3rd Saturday of May and prior to the end of the loan period, to include agreements between the new Club and the player binding them to a standard contract if the option is exercised.

Buy-back clauses. The EFL do not accept buy back clauses in financial agreements, however, it is acceptable to have an option to match any offer that another club makes for that Player.

- 47.4 No Image Contract or other agreement entered into by a Club may vary or affect the rights and obligations set out in clause 4 of the Standard Contract.

Guidance

The EFL will only object to any such clause where the amendments affect the rights granted to, or the obligations owed to the EFL (as such clauses will vary Club / Player obligations).

- 47.5 An application to register a Player shall be accompanied by such evidence as the League may require to demonstrate that the Player may take up employment in the United Kingdom, and the League shall not confirm that he is eligible to play for the Club applying to register him until the League has received such evidence.

Guidance

In addition to any requirement for an International Transfer Certificate, Clubs should consider whether an overseas player has a right to work in the UK without further permissions. As a general rule, players from outside the United Kingdom or European Economic Area will require a Governing Body Endorsement from the Football Association. Separate guidance on those requirements is published on the Club Portal on a season by season basis – please refer to the Player Administration Section of the service.

- 47.6 Where the Player does not have the right to take up employment during the period of the proposed registration, the League has the power to determine whether to permit the application for the registration of the Player (for the purposes of then allowing the Player to go out on Temporary Loan transfer in accordance with Regulation 55.6) or not. In considering any such application to register the Player, the League shall have regard to all the circumstances of the case including but not limited to the likelihood of the Player acquiring the right to take up employment in the United Kingdom during the period of the proposed registration.

- 47.7 Any Contract Player whose registration is cancelled or who is released by his Club on the grounds of permanent disability shall not be registered for any other Club without the prior consent of the Club which last held his registration. Any Contract Player who has received the Permanent Total Disablement Payment from the Personal Accident Insurance Scheme shall not be registered for any Club except in exceptional circumstances with the consent of the Board.

48 GENERAL PROVISIONS RELATING TO PLAYER TRANSFERS

- 48.1 **Transfers within The League and with The Premier League.** All Transfers of registration of Contract Players whether between two League Clubs or to or from a Premier League club shall be dealt with by The League in the manner hereinafter specified in the following Regulations. In such Regulations and elsewhere in this Section 6 where reference is made to transfers between Clubs, unless the context otherwise requires, references to a Club or Clubs shall be taken to include reference to Premier League clubs.

- 48.2 **Transfers of a Contract Player whilst under Contract.** During the currency of a contract of a Contract Player the transfer of his registration from Transferor Club to a Transferee Club must be by writing on the prescribed form in which shall be set out full particulars of all financial and other arrangements agreed between the Transferor Club and the Transferee Club and which shall be signed by a properly authorised

Official of each of the two Clubs concerned and forwarded to The League for approval and registration together with a copy of the Standard Contract (as defined in Regulation 64.2) with the Transferee Club. The Transferee Club must comply with Regulation 50. Such Contract Player does not become a Registered Player of the Transferee Club seeking his transfer until the Club has received from The League a confirmation of registration and will not be eligible to participate in matches until the date set out in the confirmation, such date to be determined by The League in accordance with the provisions of Regulation 44. The registration of a Contract Player released by his Club or by the Board shall be automatically cancelled, without prejudice to the retention of compensation rights where permitted by these Regulations. In the case of a Player whose registration is cancelled for any reason whatsoever the Club must notify The League immediately in writing. It is the responsibility of the Club seeking the transfer of a Player to have satisfied itself as to the Player's fitness.

Guidance

See the guidance to Regulation 46.1 for details of what forms are required on the registration of the transfer of a player's registration.

FIFA Regulations prohibit the inclusion of clauses into a contract of employment which seek to make the transfer conditional on (a) a Governing Body Endorsement or (b) a successful medical. However, Clubs may wish to include provisions stating that any transfer agreement is subject to the agreement being registered by the EFL and the Player being confirmed as eligible to play for the Club.

- 48.3 **Transfer of a Non Contract Player.** A Non Contract Player is transferred by cancelling his registration form and by re registration by his new Club. Any cancellation of a Non Contract Player's registration must be notified to him in writing within seven days and The League similarly informed.
- 48.4 **Retention of registration.** Clubs shall not transfer The Football Association registration whilst retaining The League registration of any Player without informing The League.

Guidance

This can be avoided by ensuring that any and all registration forms for players (including Scholars but not any other Academy Players) are lodged with both the FA and the EFL at the same time in accordance with the requirements of Regulation 44.7.

- 48.5 A Player whose registration is permanently transferred by a Club, or whose registration is cancelled for the purpose of joining any other Club, shall not subsequently be re-registered for the original Club within a period of twelve months from the date he left that Club, except with the prior consent of The League. However, a Player whose registration is permanently transferred may return to his original Club (provided that Club is a Member Club) within twelve months on a Standard Loan transfer in accordance with the provisions of Regulations 55 to 57 provided the circumstances of such an arrangement receives the prior written approval of The League, such approval not to be unreasonably withheld.

Guidance

To ensure that sale and loan back arrangements cannot be construed as financial support from one club to another, the EFL will require the Club selling the Player and then taking him back on loan to contribute towards the Players' basic wage to a level at least equivalent to that which was payable under his standard contract prior to the transfer.

49 CONDITIONS OF TRANSFER

- 49.1 The terms and conditions of all transfers of registration including a copy of the agreement referred to in Regulation 48.2 must be forthwith submitted to The League. Similar details must be received in respect of all Players signed for a fee from abroad. All transfer arrangements in respect of Contract Players are subject to the approval of the Board. Transfers shall not be registered until The League is satisfied that any Transfer Fee or Compensation Fee due at the time of registration has been paid or its payment adequately secured.

Guidance

Clubs cannot have any form of agreement pursuant to which the Player is unable to play against the Club he has transferred from. Such clauses are only permissible in loan agreements in accordance with Regulation 55.8.

Any dispute between two EFL Clubs will be referred to arbitration in accordance with Section 9 of these Regulations. Any disputes between Clubs in different Leagues in the English pyramid should be referred to arbitration under FA Rule K. Any dispute between Clubs in different National Associations (with the exception of the Welsh Clubs playing in the English pyramid) should be referred to FIFA.

- 49.2 This Regulation also applies to any proposed amendments to transfers which have already been completed and registered.
- 49.3 Subject to Regulation 53.1, Transfer Fees, Compensation Fees and Loan Fees shall be treated as private and confidential.

50 INTERMEDIARIES

- 50.1 When applying to register any Player a Club shall, at the same time and in addition to the documents required to be lodged in accordance with Regulation 47.1, send to the Secretary at the Office in writing the following information:
- 50.1.1 whether the registering Club (and, where applicable, the Club (if it is a Member Club) that last held the Player's registration (the **'Player's Former Club'**)) used the services of an Intermediary(ies) and, if any, the identity of any Intermediary(ies);
- 50.1.2 whether the Player used the services of an Intermediary(ies) and, if any, the identity of that Intermediary(ies);
- 50.1.3 confirmation as to all amounts paid, either directly or indirectly, by either the registering Club or the Player's Former Club (if it is a Member Club) to any Intermediary(ies) acting in respect of the matter; and
- 50.1.4 whether either the registering Club or the Player's Former Club (if it is a Member Club) has or is intending to reimburse the Player and or the other Club in respect of any Intermediary fees paid by or which are the responsibility of the Player or the other Club.

Guidance

Submission to The League of FA Form IM1 and/or IM1/NR will be deemed acceptable for the purposes of complying with Regulation 50.1.

50.2 All information required to be disclosed in accordance with this Regulation shall be submitted in the form prescribed by The League from time to time. That form must be signed:

50.2.1 by the Player; and

50.2.2 by or on behalf of both the registering Club and, where applicable, the Player's Former Club (if it is a Member Club) by their respective chairperson, club secretary or any other duly appointed signatory.

50.3 Failure on the part of any Club, Official or Player to comply with the provisions of this Regulation 50 or to provide false information to The League shall constitute misconduct.

Guidance

Clubs paying an Intermediary on behalf of a Player (either as a P11D payment or a deduction from net salary) must insert the details in his Contract or in the Standard Loan agreement.

Clubs should consider what conditions apply to such payments – for example, are they conditional upon the player still being employed by the Club at the due date for payment?

51 PROHIBITION OF THIRD PARTY INVESTMENT

51.1 Unless otherwise agreed by the Board and subject to Regulation 51.2, a Club may only make or receive a payment or incur any liability as a result of or in connection with the proposed or actual registration (whether permanent or temporary), transfer of registration or employment by it of a Player in the following circumstances:

51.1.1 by payment to a Transferor Club or receipt from a Transferee Club of a Compensation Fee, Loan Fee, Transfer Fee, Sell-On Fee and/or any other subsequent payments which become due under the terms of any transfer;

51.1.2 by payment of levy pursuant to Regulations 52.2.9 or 52.2.11;

51.1.3 by receipt of all or part of a Compensation Fee, Loan Fee, Transfer Fee, Sell-On Fee and/or any other subsequent payments which become due under the terms of any transfer, in default of payment of it by the Transferee Club from which it is due, from:

(a) a Financial Institution or other guarantor; or

(b) The League in accordance with the provisions of these Regulations; or

(c) the Premier League in accordance with the provisions of the rules of the Premier League;

51.1.4 by way of remuneration (including benefits in cash or kind and Image Contract Payments) to or for the benefit of a Contract Player whose registration it holds;

51.1.5 by way of an allowance permitted by Youth Development Rule 307, to a Scholar with whom it has entered into a Scholarship Agreement;

- 51.1.6 by way of payment to an Intermediary provided that such payment is made in accordance with the Football Association's Regulations on working with Intermediaries;
- 51.1.7 by payment of incidental expenses arising in respect thereof;
- 51.1.8 by payment or receipt of training compensation or solidarity payment pursuant to the FIFA Regulations for the Status and Transfer of Players and any other levies or payments payable to or by a Club pursuant to the statutes or regulations of FIFA or any other football governing body from time to time, or otherwise properly due to or from such a governing body;
- 51.1.9 by payment of VAT payable in respect of any of the above payments or liabilities; and
- 51.1.10 in the case of a Transferor Club, by assignment of its entitlement to a Compensation Fee, Transfer Fee or Loan Fee to a Financial Institution.

Guidance

Clubs should contact the Player Administration Department should they wish to assign any entitlement to a Financial Institution. Whilst Clubs are automatically entitled to enter into such transactions with Financial Institutions (as defined) the EFL will require approval of all relevant paperwork and will need to issue appropriate consents prior to completion of the transaction. This will include a requirement that the Financial Institution does not further assign its rights under the arrangement without the prior approval of the EFL, to avoid the possibility of the Club being bound to an arrangement with an entity that doesn't meet the Regulations.

Additionally, in August 2024 the Board agreed to establish a new policy pursuant to the general power set out in the opening sentence of Regulation 51.1, to permit Clubs to also make an application to assign transfer fee instalments to a deposit taking institution bank regulated by a competent authority (i.e. equivalent to the Financial Conduct Authority and/or Prudential Conduct Authority) in either an EEA member state or an OECD country. Where permission is granted, the rest of this guidance shall apply.

The Club must also obtain the prior approval of the Football Association in accordance with the requirements of the FA Third Party Interest in Player Regulations (and in particular Regulation B.1.7).

The EFL will not permit any further deferral of any amounts payable under the terms of any assignment beyond the originally agreed instalment date.

Sell-On Fees in Loan Agreements

Payment or receipt of a Sell-On Fee by or to any Club (or club) at which a Player had previously been registered on Standard Loan or International Loan will be permitted in accordance with this Regulation 51.1.

- 51.2 In respect of a player whom it applies to register as a Contract Player, a Club is permitted to make a payment to buy out the interest of a person or entity who, not being a Club or club, nevertheless has an agreement either with the club with which the player is registered, or with the player, granting it the right to receive money from a new Club or club for which that player becomes registered. Any such payment which is not dependent on the happening of a contingent event may be made either in one lump sum or in instalments provided that all such instalments are paid on or before the expiry date of the initial contract between the Club and the player. Any such payment which is payable upon the happening of a contingent event shall be payable within seven days of the happening of that event.

52 TRANSFER/COMPENSATION FEES METHOD OF PAYMENT

- 52.1 All Transfer Fees, Compensation Fees and instalments thereof and any subsequent payments which become due under the terms of the original transfer shall be paid direct to The League for immediate onward transmission, where appropriate, to the Transferor Club. Prior to such onward transmission they shall not be paid into the Pool Account but held in a separate Transfer Fee Account.

Guidance

Clubs should ensure funds are received by the EFL prior to 2:30 p.m. to enable this office to forward the monies on. Failure to meet this requirement may result in the Club being deemed to have missed the payment date resulting in fines and/or embargo in accordance with the remainder of this Regulation.

See also Regulation 52.2.7 in respect of payments due to Clubs relegated into the National League, and Regulation 52.2.8 in respect of amounts due to foreign clubs (excluding those Welsh Clubs participating in the EFL or Premier League).

- 52.2 The following provisions shall apply in relation to Transfer Fees, Compensation Fees and instalments thereof and any subsequent payments which become due under the terms of the original transfer:

52.2.1 A percentage of the Transfer Fee or Compensation Fee negotiated between the Clubs, plus VAT at the appropriate rate on the total fee shall be paid to The League, by means of electronic transfer or by such other means as the Board may prescribe, before any transfer may be registered. Any balance outstanding must be paid to The League in accordance with the financial agreement within the negotiated timescale agreed between the Clubs. The Transfer Fee or Compensation Fee must be paid within the period of the Player's contract with the Transferee Club. In the event of the Player's registration being transferred or cancelled prior to such payments being completed, the balance outstanding becomes payable immediately and any amount paid into the Transfer Fee Account which is due to the original Transferee Club in respect of the onward transfer will be used first to reduce the balance owed to the original Transferor Club.

Guidance

Instalment Reminders - out of courtesy, and where possible, the EFL will send reminders that instalments are due. However, the onus is on the Club to ensure payment is made on time.

52.2.2 When a Transferee Club signs a Player under the provisions of Regulation 68 and an agreement is not reached on the amount of compensation payable, the Transferee Club must immediately pay to The League a deposit of not less than 50% of the Compensation Fee offered. Within 48 hours of the Compensation Fee being determined the Transferee Club must pay any balance of the 50% to The League.

52.2.3 If a Club is in default of payments due to another Club (or club) under a transfer or compensation agreement the Club shall be subject to a registration embargo such that it shall not be permitted to register any Player with that Club without the prior written consent of The League until such time as the agreement is honoured.

- 52.2.4 If a Club is in default of any Transfer Fee and/or Compensation Fee and any subsequent payments which become due under the terms of the original transfer to another Club only:
- (a) The League shall also apply any Transfer Fee and/or Compensation Fee proceeds received for transmission to the defaulting Club, together with any payment of monies which would otherwise be payable to the defaulting Club, in settlement of the defaulting Club's overdue Transfer Fee and/or Compensation Fee commitments to any other Club or Clubs pro-rata; and
 - (b) the defaulting Club shall pay interest to the other Club at the rate of 5 per cent per annum over Barclays Bank base rate in force from time to time calculated on a daily basis, on the outstanding sum from the due date to the actual date of payment to the other Club.
- 52.2.5 For avoidance of doubt, where any transfer agreement includes a provision for any payment to be made on a day other than a Normal Working Day then, unless otherwise expressly stated to the contrary in that transfer agreement, the payment shall be deemed to fall due to the Transferor Club on the immediately preceding Normal Working Day and the Transferor Club shall be entitled to claim payment on that date.
- 52.2.6 In the event of default as described in Regulations 52.2.3 or 52.2.4 in addition and without prejudice to the provisions of Regulations 52.2.3 and 52.2.4:
- (a) The League shall have the power to impose a fixed fine under Regulation 88 and 50% of the fixed fine payable by the defaulting Club shall be paid to the Club(s) to which an overdue amount was payable (on a pro-rata basis if more than one Club);
 - (b) The League shall have the power to refer the matter to a Disciplinary Commission to impose such penalties upon the defaulting Club by way of reprimand, fine whether fixed or otherwise, embargo on registrations, deduction of points, suspension, recommend expulsion (subject to Regulation 93) or other penalty as they may think fit under the circumstances; and/or
 - (c) the provisions of Regulation 52.6 shall apply.
- 52.2.7 Any Club which owes Transfer Fee and/or Compensation Fee monies to a Club which joins The National League on losing League status under the provisions of Regulation 7.7 or joins The Premier League must continue to pay the monies due via The League or face such penalty or penalties as described in Regulations 52.2.3 and 52.2.6 above, but in the case of a receiving Club joining The National League, this provision will cease to have effect 24 months from such date.
- 52.2.8 An agreement for an international transfer shall provide that the Transfer Fee and/or Compensation Fee, instalments thereof and any subsequent payments payable to the Transferor Club shall be paid (together with any VAT payable in respect thereof) to the Football Association by electronic transfer (or by such other means as The League may from time to time direct) for payment to the Transferor Club in accordance with Football Association Rules.

52.2.9 When the registration of a Contract Player is transferred whether during the period of his contract or after the expiry of his contract the Transferee Club shall pay to The League a levy equal to 5% of the Transfer Fee or Compensation Fee as applicable. Such levy shall be paid to The League at the same time as the payment to be made pursuant to Regulation 52.2.1 (or Regulation 52.2.2) and shall comprise 5% of the whole of the Transfer Fee or Compensation Fee payable. Such levy shall not be deductible from the Transfer Fee or Compensation Fee. A Club shall also pay a levy equal to 5% of any transfer fee or compensation fee in respect of any:

- (a) player signed from abroad as a Contract Player (other than in respect of any element of the fee which relates to Training Compensation which would otherwise have been payable under Article 20 of the FIFA Regulations, if any);

Guidance

Compensation Fees - Clubs are advised that any element of the fee which relates to Training Compensation which would otherwise have been payable under Article 20 of the FIFA Regulations must be clearly identified in any financial agreements, otherwise Clubs will be liable to 5% Levy on the whole amount.

- (b) player signed from the Premier League, the Scottish Professional Football League, the Irish Football League and FAI National League as a Contract Player;
- (c) payment made in accordance with Regulation 51.2; and
- (d) any additional payment(s) made under the terms of any of the foregoing.

52.2.10 The proceeds of the levy less the expenses of The League, will be used to finance the benefit plan for Players. Should the proceeds exceed the premium payable to the pension plan in any year the surplus will be added to the Professional Game Youth Fund (being the fund which makes payment of grants to those Clubs (and clubs) operating Academies in accordance with the Youth Development Rules).

52.2.11 In addition to the levy specified in Regulations 52.2.9 The League shall deduct from each Transfer Fee or Compensation Fee received by it a levy equal to 5% of such Transfer Fee or Compensation Fee. All deductions will be paid to and administered by The Football Foundation in accordance with arrangements agreed between The League and the Foundation from time to time. These provisions shall not apply to any Club whose ground meets the requirements of Lord Justice Taylor's Report as amended by subsequent legislation or as agreed between The League and The Football Foundation.

52.2.12 The Board shall have the power to reduce the levy payable by Clubs in accordance with Regulations 52.2.9 from 5% to 4% by written notice to Clubs. Regulation 2 shall not apply to any such notification.

52.2.13 For so long as the Board has (in accordance with the provisions of Regulation 52.2.12) implemented a reduction in the levy payable in accordance with Regulation 52.2.9 from 5% to 4% then the Transferee Club shall pay to The League an additional 1% of the Transfer Fee or Compensation Fee as applicable

(calculated in the same manner as set out in Regulation 52.2.9) (**Youth Development Levy**). The Youth Development Levy shall be paid to The League at the same time as the payment to be made pursuant to Regulation 52.2.1 (or 52.2.2). The Youth Development Levy shall not be deductible from the Transfer Fee or Compensation Fee. For the avoidance of doubt, the Youth Development Levy shall also be paid by the Transferee Club in respect of Players signed from abroad, and in respect of Players signed from the Premier League, the Scottish Professional Football League, the Irish Football League and FAI National League. The Youth Development Levy shall also be paid in respect of any additional payment made under the terms of any transfer/compensation agreement. The proceeds of the Youth Development Levy shall be allocated on such terms as the Board may determine between those Clubs meeting the requirements of the Youth Development Rules promulgated in accordance with the provisions of Regulation 62.

- 52.2.14 Where a Transferee Club registers a Player and the relevant consideration tendered by the Transferor Club includes the registration of another Player or some other form of non-financial consideration or value-in-kind, the Transferee Club and Transferor Club shall attribute a financial value to the Player(s) transferred, which shall be noted in the Transfer Agreement(s), and upon which a levy calculated in accordance with the provisions of this Regulation shall be paid in each case.

Guidance

Where in the case of a proposed Player exchange of the type referred to in Regulation 52.2.14, above, the League is of the view that the financial value attributed to either of the Players is materially below that Player's true transfer value (with the effect that a reduced sum is payable by way of levy), the League will request that the Transferor Club(s) restate(s) the declared transfer value and may exercise its power under Rule 46.1 if necessary ('all transfer arrangements in respect of Contract Players are subject to the approval of the Board').

- 52.3 All payments under this Regulation shall be paid to The League's Transfer Fee Account by electronic transfer or by such other means as The League may prescribe.
- 52.4 In all such cases of Transfer Fees, Compensation Fee and any subsequent payments which become due under the terms of the original transfer the Transferor Club shall submit to the Club a VAT invoice within seven days of such payment becoming due.
- 52.5 If a Transferor Club assigns its entitlement to a Transfer Fee, Compensation Fee or Loan Fee instalment pursuant to Regulation 51.1.10:
- 52.5.1 it shall procure by means of a legally enforceable agreement that monies payable by virtue of the assignment are paid into the Transfer Fee Account by the assignee; and
- 52.5.2 it shall irrevocably and unconditionally instruct the Transferee Club to pay such monies to the assignee upon their becoming due.

Guidance

See also the guidance notes to Regulation 51.1.10. Any Sell-On Fee(s) due to a third party club will be deducted and withheld by the EFL and then paid out on the original due date unless instructed by the Club accelerating the monies to make payment at that time. If the Player is transferred prior to the date due, this office will forward the outstanding monies at the time of transfer less any applicable deductions for solidarity payments in the sum of 5% of the consideration for the transfer of the Player.

On completion of any such assignment, the instalments are no longer due to the Club (as they are instead payable to the Financial Institution). Accordingly, the EFL would not regard any outstanding amounts as falling within the provisions of Article 47 (Football Creditors) and will not be able to deduct any amounts from sums otherwise payable out of the Pool Account in settlement of any such claims. Further, Clubs should not assume that re-assignment of the instalments back to the Club would reinstate the Football Creditor protection, because that would otherwise constitute a means by which any other creditor of a football club could simply sell the debt to another club to avail itself of that protection. Approval by the League of any assignment will be subject to receipt of an acknowledgement of that position and waiver of claims from the selling club and lender.

52.6 Without prejudice to any other powers or restrictions set out in these Regulations or as may be ordered by a Disciplinary Commission, where any Club defaults on payment of any amounts:

52.6.1 due to any other Club (or club) (including but not limited to any Transfer Fee, Compensation Fee, Loan Fee, other contributions due pursuant to the terms of any Temporary Loan Transfer, or any subsequent payments which become due under the terms of any original transfer(s), ticket monies, or other payments pursuant to the terms of any other agreement);

52.6.2 to HMRC as described in Regulation 17; and/or

52.6.3 covered by Article 47.1.5 (football creditor claims of full time or former full time employees for arrears of remuneration due up to the date of termination of employment) for a period of:

(a) 10 days (whether one default of 10 days, or a number of individual defaults which when taken together amount to 10 days) in any 12 month period (1 July to 30 June) then that Club shall receive a written warning from the League;

(b) 20 days (whether one default of 20 days, or a number of individual defaults which when taken together amount to 20 days) in any 12 month period (1 July to 30 June) then that Club shall immediately pay to the League a fine as follows:

(i) Clubs in League 2, the greater of £2,000 or 5% of the outstanding sum due;

(ii) Clubs in League 1, the greater of £3,500 or 5% of the outstanding sum due; or

(iii) Clubs in the Championship, the greater of £6,000 or 5% of the outstanding sum due;

- (c) 30 days (whether one default of 30 days, or a number of individual defaults which when taken together amount to 30 days) or more in any 12 month period (1 July to 30 June) (**'Persistent Default'**) then that Club shall not be permitted to pay or commit to pay any Transfer Fee, Compensation Fee or Loan Fee or any other form of payment (other than a sell on fee) in respect of the registration of any Player during the period:
- (i) commencing on the date on which the Persistent Default occurred; and
 - (ii) ending three full Transfer Windows after the Persistent Default occurred ("**Fee Restriction**").

52.6.4 Where a Fee Restriction is imposed under this Regulation 52.6 the Club may appeal to a Disciplinary Commission (within 21 days of the Fee Restriction being applied) such sanction in circumstances where it can prove:

- (a) any debt counting toward the Persistent Default was not due and owing at that time; or
- (b) the sanction applied to it is disproportionate taking into account all the circumstances.

52.6.5 Where a Club continues to fail to make payment of sums due set out above in Regulation 52.6.1 to 52.6.3 then the League may refer the Club in default to a Disciplinary Commission who shall determine the appropriate further sanction (in addition to the Fee Restriction) by way of reprimand, which may include a fine, embargo on registrations, deduction of points, suspension, recommend expulsion (subject to Regulation 94). Any referral under this Regulation 52.6.5 shall follow the procedural process set out at Section 8 of the Regulations but for the avoidance of doubt shall not require the League to charge the Club, with a referral to the Disciplinary Commission being sufficient on the grounds of misconduct.

52.6.6 Member Clubs must report the failure to make payment of any sum set out in Regulation 52.6.1 to 52.6.3 within 2 days of any such missed payment. Clubs who do not receive a sum due from another Member Club on time are also required to report such late payments to the League (in all cases) within two days of a late payment arising. Failure by a defaulting Club to report a late payment to the League within such periods will constitute misconduct for which Member Clubs will be charged.

Guidance

See separate guidance document in relation to Regulation 52.6, found on the EFL Portal.

52.7 Membership of the League shall constitute an agreement between each Club that they shall not make or continue any claim (to FIFA, the Football Association or any other relevant regulatory body of football and/or any judicial bodies exercising jurisdiction pursuant to any rules thereof) under Article 20 (Training Compensation) and/or Article 21 (Solidarity Mechanism) of the FIFA Regulations on the Status and Transfer of Players in relation to movement of players between:

52.7.1 Clubs (or clubs) affiliated to the Football Association; and

52.7.2 Clubs (or clubs) affiliated to the Football Association of Wales but which participate in leagues sanctioned by the Football Association.

52.8 Any Club that makes or continues any claim (including any claim made prior to admission into membership of the League) in breach of the agreement set out in Regulation 52.7 shall indemnify those Club(s) or club(s) that are the subject of the claim against any liability imposed by FIFA, the Football Association or any other relevant regulatory body of football and/or any judicial bodies exercising jurisdiction pursuant to any rules thereof).

53 FEES PAYABLE ON APPEARANCES ETC.

53.1 A Transferor Club shall within seven days of the date of such transfer provide to any previous Club(s) (and or Premier League Club(s)) with which that Player was registered and which has a right to a Sell-On Fee as part of the Transfer Fee or Compensation Fee in respect of any transfer of that Player (in this Regulation the 'Previous Club(s)') full details of all amounts paid or due to be paid to the Transferor Club. A Previous Club shall not at any time disclose or divulge either directly or indirectly any information provided to it to any third party without the prior written consent of the Transferor Club save to statutory and regulatory authorities or as may be required by law or to its auditor.

53.2 Unless stated to the contrary, a sell on clause in an agreement between a Transferor Club and Transferee Club (Member Clubs only, and not any other clubs) entered into after the 1 July 2015 shall be construed in such a manner as to ensure that any Loan Fees received by that Transferee Club shall be included in the amounts received (or equivalent provision) for the purposes of calculating the amounts due to the Transferor Club under the sell on clause (if any).

Guidance

The EFL has issued separate guidance on the wording of sell on clauses. Please refer to the Player Administration section of the Club Portal for copies of the latest guidance. However, in summary Clubs are reminded that any Sell-On Fee contained within a Financial Agreement will be calculated on the basis that the excess is split based on taking the percentage of the surplus and paying it to the third party in line with the proportion of the payment received by the selling Club. Any sell-on fees will be automatically deducted from any monies received by the League for onward transmission to the third party Club.

Clubs are free to negotiate an alternative Sell-On Fee arrangement (for example, the third party Club receiving their Sell-On Fee in full on transfer or the selling club recouping their monies prior to the third party Club receiving any of their monies).

53.3 Where, on the transfer of a Player, provision is made for the payment of further sums on the happening of certain specified events (e.g. after the Player has made a certain number of First Team appearances) it shall be the duty of the Transferee Club to inform both The League and the Transferor Club that the specified events have happened. Unless otherwise specified in the written agreement between the two Clubs, the Transferee Club shall pay to The League within 14 days of the specified events happening the sums of money then due both to the Transferor Club and to The League. Any such payment cannot be deferred beyond 31 July following the end of the Season in which the event happens. The League shall forthwith on receipt of such sums pay the amount due to the Transferor Club.

Guidance

The EFL can only apply fines for late payment and/or apply embargo to a defaulting club (see Regulations 52.2.3 & 52.6), if Clubs send copies of all invoices to The League. All such invoices should be sent to playeradmin@efl.com.

- 53.4 In the case of an International Transfer the Transferee Club shall inform the Transferor Club in writing that the specified events have happened and within 14 days pay such sums due in accordance with Regulation 52.2.8.

54 NON-PAYMENT TO PLAYERS

- 54.1 Subject to 54.2, any Club which has not made payment of:

54.1.1 any amount due in accordance with a Player's contract; or

54.1.2 payment in consequence of termination of such contract,

within 2 Normal Working Days of the relevant due date (as provided within the Player's contract or termination/settlement agreement) (a **Player Contract Default Event**) shall report the Player Contract Default Event to The League within 2 Normal Working Days of the Player Contract Default Event.

Guidance

Clubs in default of payments to Players will be subject to an embargo. The EFL does recognise there are cases where payment may well be in dispute but expects the matter to have been referred to a Player Related Dispute Commission in accordance with Regulation 74 for resolution to avoid the imposition of the embargo.

- 54.2 A Club shall not be required to report a Player Contract Default Event where that Player Contract Default Event has been caused solely by an admin error and the Club has resolved that error by making payment on the next Normal Working Day.

Guidance

For the avoidance of doubt, where any default is not rectified by the end of the following day, the Default Event will be deemed to have occurred and the Club is obliged to then report in accordance with Regulation 54.1 even if it is rectified on the second day.

- 54.3 A Club shall not be deemed to have suffered a Player Contract Default Event where:

54.3.1 the Club and the Player are in dispute in respect of any sums owing to the Player; and

54.3.2 the Club has informed The League of the dispute within 7 days of the dispute arising; and

54.3.3 the matter has either been referred to a Player Related Dispute Commission or has been resolved within 30 days of the dispute arising.

- 54.4 Where a Club reports a Player Contract Default Event it will at the same time provide to The League details of any and all amounts due to the Player(s) concerned together with the time periods to which they relate.

- 54.5 Without prejudice to the general position (pursuant to Regulation 44.4) that all registrations must be approved by The League, a Club which is subject to a Player Contract Default Event will be subject to a registration embargo such that it will not be permitted to register any Player with that Club without the prior written consent of The League for the period that the Club is subject to a Player Contract Default Event.

SECTION SIX | EFL REGULATIONS

- 54.6 A Club which fails to report a Player Contract Default Event shall be guilty of Misconduct and shall be referred to a Disciplinary Commission in accordance with Section 8 of these Regulations.

55 TEMPORARY LOAN TRANSFERS

- 55.1 Only Contract Players may sign for another Club (or club) on a Temporary Loan Transfer or Emergency Goalkeeper Loan. In any event:

55.1.1 any Player registered on a Standard Loan, International Loan, an Emergency Goalkeeper Loan; or

55.1.2 any player registered on any other form of loan at a club,

may not sign for any other Club (or club) during the period of the respective loan.

Guidance

As stated in this Regulation, only players registered as a Contract Player can be sent on temporary loan transfers. Scholars, Non-Contract players and Academy Players may not go on loan. However, pursuant to FA Rules, players registered as Scholars can go out on 'Work Experience'. The Player may continue to train and play for either the Parent Club or the Work Experience Club (or club) in any age-restricted or reserve team match or in any match in the football pyramid below the English Football League. Any Player on Work Experience is not eligible to play in any first team games in the English Football League (see FA Rule C127).

Contract Players (but not Scholars) may also be registered for another Club (or club) under the FA '2 match' rule but will not be eligible to participate in any matches for the parent club whilst transferred for those two matches, and can only participate in non-first team matches for the Club (or club) at which they are registered (see FA Rule C66).

Any player already registered on loan (standard or international loan) may not go out on a sub-loan.

- 55.2 The Temporary Loan Transfer of a Contract Player shall only be approved for a defined period (which must begin and end within the period of the Contract Player's registration with the Transferor Club and, subject to Regulation 55.5.3 below, may not extend beyond the end of the Season in which the Temporary Loan Transfer commences) and is subject to the conditions of such Temporary Loan Transfer being known to the Contract Player and approved by The League prior to registration with The League.

- 55.3 Temporary Loan Transfers shall only be accepted on the prescribed form a copy of which shall also be supplied to The Football Association. The provisions of Regulation 48 shall not apply to such transfers.

Guidance

As per the guidance to Regulation 46.1, the relevant form is Form H4.

- 55.4 The following restrictions shall apply to Temporary Loan Transfers:

55.4.1 A maximum of 5 Players registered on a Temporary Loan Transfer can be named in the Players listed on a Team Sheet for any individual match played under the auspices of The League. This maximum shall reduce to 4 Players where a Club names a Player on the team sheet who is registered on an Emergency Goalkeeper Loan;

- 55.4.2 No Club may sign more than 4 Players on a Temporary Loan Transfer from another Club (or club) in any Season, of which no more than 2 Players may be over the age of 23. The deadline for determining a Player's age in this respect shall be as at the 30 June prior to the Season in which the Temporary Loan Transfer is intended to take place. Any Temporary Loan Transfer which subsequently becomes a permanent transfer shall not count against a Club's quota of such Temporary Loan Transfers for that Season; and
- 55.4.3 Temporary Loan Transfers may include an option to acquire the Player's registration by way of permanent transfer. Any such option must be exercised during the term of the Temporary Loan Transfer (including during a Closed Period).
- 55.5 Loan transfers to non-Member Clubs will be subject to:
- 55.5.1 the clearance of The League (not to be unreasonably withheld). However, clearance will be withheld where any proposed loan would result in a Club loaning more than 4 Players to any single Club;
- 55.5.2 the rules and regulations of the respective leagues / national associations and FIFA Regulations;
- 55.5.3 subject to the provisions of Regulation 55.6 below, the principles of the term, recall and expiry as set out in Regulation 56.1 shall apply as if set out herein in respect of those Players going out on loan on an equivalent basis to a Standard Loan; and
- 55.5.4 compliance with the requirements of Regulation 47.2 (International Transfer Certificate) (if applicable).

Guidance

Regulation 55.5.2: Due to the operation of the FIFA Regulations on the Status and Transfer of Players, and in particular the so-called 3+2 Rule the EFL issues a separate guidance note in relation to loans into the non-league which gives Clubs further guidance. A copy of the guidance note for the current Season can be found in the Player Admin section of the Club Portal. Players going out on loan into the non-league on the equivalent basis to a Standard Loan will be permitted to return to play in the EFL Trophy as well as non-first team matches. See also the note to Regulation 56.2.

Regulation 55.5.3: An International Loan 'out' can only be for a half-season or a full-season (calculated by reference to the other National Associations' transfer window), unless otherwise expressly approved in accordance with Regulation 55.6 below – registration of a Player who does not qualify for a Governing Body Endorsement (work permit). However, a player returning from loan inside an EFL Closed Period will not be eligible for your Club until the opening of the next transfer window. Clubs are responsible for ensuring any player returning from international loan receives an International Transfer Certificate in accordance with the requirements of the FIFA Regulations – see also Regulation 47.2.

International Loans - Approach

The EFL's approach will be to monitor the Club's compliance with FIFA RSTP in the context of International Loans. Where the EFL identifies that the Club will breach FIFA RSTP requirements, the EFL's approach will be to refuse the Club's application.

Clubs will still be required to ensure that it is fully compliant with FIFA RSTP and the EFL will have no liability to the Club in the event that it fails to remain compliant.

International Loans – Restrictions on loans to and from the same Club

- *The maximum number of Players that a Club can sign on loan from the same international club is 3.*
- *Clubs may only send a maximum of 3 Players out on loan to the same international club.*
- *International Loans – Restrictions on total number of loans*
- *From 1 July 2023 to 30 June 2024, a Club may have a maximum of seven professionals loaned out and seven loaned in at any given time during a Season.*
- *From 1 July 2024, the same configuration will apply but limited to a maximum of six professionals.*
- *Players aged 21 and younger who are club-trained players will be exempt from these limitations.*
- *Player Under 21 and club-trained player are defined in the FIFA regulations once published*

Moves between Clubs in England and Wales may not be caught by these limits now.

Players under 21 and club-trained players are as defined in the FIFA Regulations.

- 55.6 Where the League permits the registration of a Player under Regulation 47.5, the League shall be entitled to permit that Player to go out on loan for such longer period than otherwise permitted by Regulation 55.5.3 (applying Regulation 56.1) but the period of any such loan must begin and end within the period of the Contract Player's registration with the Club.
- 55.7 Clubs shall be permitted to charge or pay a Loan Fee. The provisions of Regulation 52 shall apply in respect of the method of payment (and all associated matters relating thereto) of any Loan Fee save as follows:
- 55.7.1 the first sentence of Regulation 52.2.1 shall apply unless otherwise agreed between the two Clubs;
- 55.7.2 Regulation 52.2.2 shall not apply;
- 55.7.3 subject to Regulation 55.7.4, any such Loan Fee payable by a Member Club shall be payable on or before the date agreed between the parties, the latest of which must be 30 June immediately following the conclusion of the Season in which the Temporary Loan Transfer commenced;
- 55.7.4 any Loan Fee which is payable as a result of the Transferee Club's promotion from one division to another shall be payable on or before the date agreed between the parties, the latest of which must be 31 August immediately following the conclusion of the Season in which the Temporary Loan Transfer commenced; and
- 55.7.5 payment of any levy in accordance with the provisions of Regulations 52.2.9 and 52.2.11 shall only become payable where a Temporary Loan Transfer is subsequently made permanent. In such circumstances the appropriate levy payable shall be 5% of the aggregate amount of any Loan Fee and/or subsequent Transfer Fee and/or Compensation Fee payable in respect of the same Player.

Guidance

Clubs are reminded to consider whether sell on clauses in transfer agreements include or exclude Loan Fees. Note the provisions of Regulation 53.2 which provides that Loan Fee will be added to the transfer fee in EFL Club only transfers (unless the financial agreement states otherwise).

- 55.8 During the period of any Temporary Loan Transfer, a Player shall not play against his Transferor Club without the prior written permission of the Transferor Club (which, if given, must be indicated on the appropriate Temporary Loan Transfer form).

Guidance

The EFL will permit Clubs to amend a loan agreement to include permission where this is agreed by both Clubs and the Player at a later date.

- 55.9 Where a Transferor Club wishes to recall a Player from a Temporary Loan Transfer (including to a non-member Club) then the recall notice must be submitted to and approved by the League prior to the Player playing in any competition for the Transferor Club in which it is eligible to compete.

Guidance

Any recall notice must be uploaded via iFAS on the Club Portal, and the recall notice must not be treated as approved by the League until approval has been confirmed via iFAS.

56 STANDARD LOANS

- 56.1 Subject to the provisions of Regulation 55, Standard Loan transfers shall only be approved in accordance with following provisions:

- 56.1.1 subject to the proviso that the duration of a Standard Loan must be the time between two Transfer Windows, Standard Loans can be for half a Season or a full Season;
- 56.1.2 any recall clause requiring the early termination of a Standard Loan can only be included in a full Season Standard Loan and this can only be activated during the Winter Transfer Window;

Guidance

The EFL will permit Clubs to amend Standard Loan Agreements to include an early termination clause where this was omitted from the original agreement.

- 56.1.3 any other early termination of a Standard Loan must be by way of a mutual agreement in writing (including by way of a recall clause within the Standard Loan Agreement) between the Transferor Club, the Transferee Club and the Player but can only be completed:
- (a) after the expiry of 28 days; and
 - (b) only during a Transfer Window (but subject to Regulation 56.1.4 below) unless otherwise agreed by the League in its absolute discretion (subject to such conditions as the League deems appropriate).

Guidance

An example of the circumstances in which the League might exercise its discretion is where a Player on a Standard Loan is unable to represent the Club temporarily holding his registration for the remainder of the loan, e.g. due to a long-term injury or other reasons having the same effect. In such circumstances, The League might approve the termination of the Standard Loan on the condition that the Player is prohibited from making any first team appearances at the Club with which he re-registers.

56.1.4 A Player whose Standard Loan expires (or terminates) at the end of the Season of the Transferee Club but prior to the completion of the League Matches of his Transferor Club (where it is a Member Club) will not be eligible to play in any remaining League Matches for the Transferor Club in that Season;

Guidance

Examples where this may apply are (a) differential season ends for different divisions or (b) a player finishing a loan and his 'parent club' has qualified for the play-off competitions.

56.1.5 Notwithstanding the provisions of Regulation 56.1.1, a Standard Loan of a goalkeeper (but not otherwise) may be subject to a recall clause exercisable at any time. Any recall may only be implemented:

- (a) in extenuating circumstances and with the consent of The League, such extenuating circumstances to be determined in The League's absolute discretion; or
- (b) where the Club seeking to exercise the recall has only one Professional Goalkeeper available (applying the criteria set out in Regulations 58.1.1 to 58.1.3 below). The recall will be subject to not less than 24 hours' written notice.

56.1.6 A goalkeeper shall not be permitted to resume any Standard Loan following the exercise of a recall.

Guidance

Under Regulation 56.1.5(b), the Club seeking to recall a goalkeeper from another EFL Club due to injury(ies) to other goalkeeper(s) will be required to submit independent medical evidence to substantiate the basis for the recall. The EFL will not require independent evidence when recalling a player from non-league, but will require a signed confirmation of injuries from the Club doctor.

If all parties are in agreement to an earlier recall, this will be permitted notwithstanding the last sentence of Regulation 56.1.5(b).

56.2 A Player registered on a Standard Loan may continue to play non-first team football for his Transferor Club, and The League shall disregard any non-first team appearance when assessing whether any application for registration of a Player would otherwise comply with the requirements of Article 5(3) of the FIFA Regulations. Clubs acknowledge that such non-first team appearances may still be considered by other leagues, national associations and/or FIFA when assessing compliance with Article 5(3) on any subsequent application by the Player to be registered with any other club.

Guidance

The EFL has secured a separate concession from the Football Association which allows players going out on loan into the National League, national league south and national league north on the equivalent basis to a Standard Loan will be permitted to return to play in the EFL Trophy as well as non-first team matches. This is reflected in the Rules of the EFL Trophy.

The Club taking a Player on loan is required to contribute towards the wage costs of the Player e.g. by way of bonus schedule and/or contribution to weekly wage. The parent club cannot pay appearance monies to a Player for making appearances whilst on loan. Such arrangements would be considered to be contrary to the principles of Section 10 (association and dual interests). However:

- *that doesn't stop the parent club passing on via its payroll appearance monies due from and paid by the Club at which the Player is on loan; or*
- *the parent the Club and Player are also free to determine whether such appearances on loan count towards any appearance triggers in the contract of employment (e.g. increase in wages or offer of new contract).*

The basic wage for the period of the loan can also be varied by agreement.

The Player will normally be subject to the Transferee Club's bonus payments and these should be clearly set out on the agreement or the incentive schedule attached to the agreement and signed by all three parties. See also the note to Regulation 48.5 in relation to minimum contributions in respect of any Player being signed on standard loan following a permanent transfer.

It is also acceptable to state that the parent club will still be responsible for his wages providing the Transferee Club pays bonuses or reasonable travelling expenses, or in the event of the player not playing, then the Club signing the Player on loan will reimburse the parent Club for all the wages.

To avoid Players seeking payments to agree loan arrangements, the EFL does not permit lump sum payments to be paid to Players going on loan. It is however permissible for the Transferee Club to make a lump sum payment to a Player at the end of the Season for promotion or retaining divisional status.

A Player registered on a Standard Loan at a Club may subsequently be transferred to that Club at any time during a Closed Period.

FIFA have confirmed the following for loans involving Welsh Clubs in the English Pyramid:

- *Loans to and from FAW-affiliated Clubs that play in the English pyramid will not count towards the international loan cap (7 in/out at any one time for the 2024/25 season);*
- *The limit on loans between clubs remains in force (3 in/out at any one time);*
- *All other RSTP-related provisions remain in force, such as the requirement for international clearance;*
- *Loans between FAW-affiliated Clubs that play in the English pyramid and other FAW Clubs will be considered international.*

57 INTERNATIONAL LOAN

57.1 Clubs may also sign players on a Temporary Loan Transfer from an International Club in accordance with the principles set out in Article 10 of the FIFA Regulations subject to the following provisos:

- 57.1.1 the onus is on the Transferee Club to identify whether the signing of the Player from the International Club is a permanent transfer or International Loan. Players may not be signed from an International Club on any other basis;
- 57.1.2 Players signed on an International Loan must sign an employment contract with the Transferee Club in a form equivalent to the Standard Contract;
- 57.1.3 the onus is on the Transferee Club to comply with the requirements of the FIFA Regulations.

Guidance

Welsh Club's participating in the English pyramid are regarded as domestic Clubs when moving on loan, so are dealt with under Regulations 55 and 55.9. However, they will still require an International Transfer Certificate when registering on standard loan. International rules will be applied on a domestic basis for Welsh Clubs.

Clubs wishing to sign a Player who requires permission to work in the UK (a Governing Body Endorsement) should seek advice from the Football Association.

58 EMERGENCY GOALKEEPER LOAN

58.1 If all the Professional Goalkeepers at a Club are unavailable as a result of:

- 58.1.1 having been certified by an independent medical practitioner as being unfit to play;
- 58.1.2 being suspended;
- 58.1.3 having been called up to play for his national association representative matches in accordance with the requirements of FIFA as laid down from time to time; or
- 58.1.4 such other exceptional circumstances as determined by the League (and any such determination will be final and binding and not subject to review in accordance with Section 10 of the Regulations),

a Club may register (either before or after the deadlines laid down in Regulations 44.2 and 44.3), a further goalkeeper on a short term basis in accordance with the following provisions.

Guidance

A Professional Goalkeeper is a goalkeeper (excluding any goalkeeper registered as a Non-Contract Player) who has been named in the starting eleven on five or more occasions by:

- *any Club (or Premier League club) in any matches in the relevant league or first team cup competitions (other than the EFL Trophy); and/or*
- *any other club in a professional league in that club's home association (by way of example, any division of the Scottish Professional Football League, or Serie A, B or C).*

Examples of exceptional circumstances (based on prior examples) for the purposes of Regulation 58.1.4 are bereavement from close family members, childbirth, in custody or suspended by a Club pending the outcome of criminal investigations or proceedings.

- 58.2 The Club must supply to The League written evidence to demonstrate the circumstances set out in Regulation 58.1 apply, together with the appropriate form(s) for his registration and The League having confirmed that the circumstances conform to the provisions of this Regulation:
- 58.2.1 in respect of any fixture played on a weekday when the Office is normally open, at least three hours before the match; or
- 58.2.2 in respect of any other fixture:
- (a) 12 noon on the day of the match; or
 - (b) at least three hours before the match,
- whichever is the earlier.

Guidance

Medical evidence cannot be accepted from anyone connected to the Club, nor is it acceptable to obtain a report from another Club's club doctor.

Goalkeepers that have been deemed unavailable cannot be named on a team sheet during the loan period.

Goalkeepers on an Emergency Goalkeeper loan may be recalled by their Parent Club during the period of the loan in exceptional circumstances and subject to the approval of the League (i.e. as per the similar rights in the context of Standard Loans of goalkeepers).

Clubs should be aware that the Premier League does not permit Premier League Clubs to send goalkeepers on seven day emergency loans into the EFL.

- 58.3 The period of any Emergency Goalkeeper Loan:
- 58.3.1 shall be for a period of seven days, inclusive of the starting date and finishing date; and
- 58.3.2 may be renewed for seven days at a time, subject to compliance with Regulation 58.2 in respect of each proposed renewal.
- 58.4 Any goalkeeper registered under the provisions of this Regulation must be included in the starting 11 on the Team Sheet and must start the Match.
- 58.5 The provisions of Regulation 55.4.2 shall not apply to an Emergency Goalkeeper Loan.

59 MEDICAL INSURANCE AND MEDICAL RECORDS

- 59.1 Clubs must ensure that the following heart screening checks are performed for each Player registered with that Club:
- 59.1.1 for any Player in Under 15 age group (as determined in accordance with the Youth Development Rules):
- (a) the completion of a cardiac history questionnaire; and
 - (b) a standard 12-lead electrocardiogram ('ECG');

SECTION SIX | EFL REGULATIONS

59.1.2 Players registered as a Scholar, at the commencement of their Scholarship Agreement (and any other Players of an equivalent age who continue to be registered with a Club):

- (a) the completion of a cardiac history questionnaire and a physical examination;
- (b) an ECG; and
- (c) an echocardiography;

59.1.3 for any Player in the Under 19 and Under 21 age groups:

- (a) the completion of a cardiac history questionnaire; and
- (b) an ECG.

59.2 In all cases:

59.2.1 the results of the tests must be reviewed by an experienced sports cardiologist;

59.2.2 the results of the tests must be uploaded into the central record of cardiac screens operated and maintained by the Football Association; and

59.2.3 Clubs must ensure that any additional heart screening check(s) that are recommended by that sports cardiologist are undertaken promptly at the cost of the Club.

59.3 Clubs must ensure that, where any Player over the age of 16 does not have results of any required physical examination, questionnaire, ECG or echocardiography, in their medical records, the relevant test(s) are completed.

59.4 The:

59.4.1 results of any ECG;

59.4.2 results of any echocardiography; and

59.4.3 cardiac history questionnaire(s),

must be contained in the Player's medical records.

Guidance

The FA Cardiac Screening Programme, supported financially by the PFA and Football Association, is available for those Players commencing their Under 17 Year. In practice Clubs will be able to manage that age group as part of the Scholar intake process. Clubs not operating a Scholarship programme will need to ensure they make similar arrangements.

Whilst some of the costs for cardiac screening are met through the PFA and FA the Board have agreed to provide funding of not less than £1,600 per Club from the Youth Development levy for each Club that provides appropriate evidence to confirm that Players from each of the requisite age groups have undergone the appropriate heart screening checks in accordance with Regulation 59. The League will send out details at the beginning of each season as to how Clubs can claim the funding.

In order for Clubs to gain the funding for players in the Under 15 age group, their screening must take place between 1 May and 30 November in the Season which that player turns 15.

The FA utilises a database called Ultraling, which enables easy access to prior screens for Cardiologists and Club Doctors, thus ensuring appropriate continuity of care for Players as they move Clubs during their careers. It is a requirement that this system is used to ensure full cover and assist with monitoring of compliance with these arrangements. As the FA use Ultraling to verify the screening, funding will not be provided until all Players screened are uploaded to the system.

Clubs will receive information regarding the process for screening Players and claiming funding at the start of the season. It will not be a mandatory requirement that all screens are conducted prior to the start of the relevant Season given the number of screens to be performed across the whole game. However, Clubs should ensure they are completed as soon as possible to ensure appropriate diagnoses take place.

- 59.5 **Private medical insurance.** Every Club shall have cover for all Contract Players and Scholars (football related injuries only for Scholars) through a Private Medical Insurance Scheme while an agreement between The League and The Professional Footballers' Association for the subsidising of such schemes is in being.
- 59.6 **Medical records.** Clubs shall ensure that their medical practitioner or physiotherapist keeps detailed up to date medical records for all Contract Players in accordance with standard medical practices.
- 59.7 **Monitoring and Compliance.** Clubs shall co-operate at all times with the monitoring and compliance programmes and inspections as required by The Football Association and/or The League from time to time.
- 59.8 **Transfer of Medical Records.** When a Player's registration is about to be transferred (including a temporary loan transfer), the Transferor Club, provided that the consent of the Player has been obtained, must make such records available to the medical practitioner or physiotherapist of the Transferee Club. This procedure shall also apply to Players transferred under the provisions of Regulations 55 to 58.
- 59.9 **Baseline Concussion Tests.** All Clubs must ensure that it conducts SCAT (Sport Concussion Assessment Tool) and computerised neurocognitive baseline tests (in form mandated by The League from time to time) for each Player registered with the Club at the point of their registration and repeat at intervals of not less than two years.

Guidance

Clubs must ensure that a SCAT and computerised neurocognitive baseline test is conducted for each Player by no later than the day before that Club's first League Match of the Season. Where a Player has been registered with the Club after the first League Match of the Season, the Club must ensure that the SCAT and computerised neurocognitive baseline test is conducted by no later than 2 weeks after the Player being registered with the Club.

Clubs should note that return to play after suffering a concussion injury is addressed in Regulation 36.7.

- 59.10 **Injury and Illness Audit.** All Clubs will co-operate at all times with any request from The Football Association to provide anonymised data in respect of Player injuries and illnesses.

60 REGISTRATION OF NON CONTRACT PLAYERS

- 60.1 Clubs may register individuals as a Non-Contract Player only where the individual:
- 60.1.1 was registered as a Non-Contract Player in Season 2024/25, and wishes to renew that registration for Season 2025/26; or
 - 60.1.2 is employed by the Club in an official coaching or management role at the Club (and for which they are remunerated in line with all applicable legislation).
- 60.2 The registration of a Non-Contract Player will be valid only for the Season in which the registration form is signed.
- 60.3 A Club may only register a Non-Contract Player (subject to the provisions of Regulation 44.3) during a Closed Period if he is an Out of Registration Player.
- 60.4 A Non-Contract Player's registration will expire at the end of the Season which for the purposes of this Regulation, will be deemed to be the third Saturday in May or within four days of the Club's last match of the Season, whichever is the later. After this date the Player may sign for another Club for the following Season or he may choose to re-sign for his former Club.
- 60.5 A Club wishing to immediately re-sign a Non-Contract Player should include his name on its Club List of Players for the following Season and notify the Player of its intentions in accordance with the procedure laid down in Regulation 70.

61 TERMINATION OF REGISTRATION OF NON-CONTRACT PLAYER

- 61.1 The registration of a Non-Contract Player may only be terminated during the Season as follows:
- 61.1.1 by mutual consent of Club and Player, the details of which must immediately be notified in writing to The League, with a copy to the Player; or
 - 61.1.2 by the Board if in its absolute discretion it determines that the Player has not played in the class of match which his ability warrants; or
 - 61.1.3 for other reasons satisfactory to the Board.

62 YOUTH DEVELOPMENT RULES

- 62.1 In consultation with The Football Association, The Premier League, Clubs and other appropriate bodies The League has power to adopt rules relating to youth development and young Players.
- 62.2 These rules will form a section of the Handbook and will have the same force as Regulations. The Board has power to alter, delete or add to such rules and Regulation 2 does not apply.
- 62.3 Any application for permission to operate an Academy will require, in addition to such other requirements as the Board may determine following consultation in accordance with Regulation 62 above, Clubs to procure an appropriate educational element of work based training for Academy Players.
- 62.4 League Child Protection policies, practices and procedures, as advised from time to time by The League, will be applied to all aspects of Club activities involving children. Clubs must abide by the Government legislation that applies to children under the age of 18. The League policies and procedures are set out in the Appendix to Youth Development Rules and shall be issued to all Academy Players and their parents/guardians.

Guidance

See also Section 11 of these Regulations which contain mandatory provisions relating to Safeguarding.

63 MONTHLY/MULTIPLICITY REGISTRATIONS

- 63.1 Subject to Regulation 63.2 below, a Club may register a Player for a period of one (and, for the avoidance of doubt, not less than one) calendar month or more calendar months provided that the registration expires on or before 30 June following registration. Notwithstanding the foregoing, any Club seeking to register in June any Player who would otherwise have become an Out of Contract Player as at 30 June and for whom the Club will be liable to make payment in accordance with the provisions of Regulation 68.16 shall be permitted to register that player until 30 June even though that may be less than a calendar month.

Guidance

A Monthly Contract will expire on the last day of the month if the commencement date is the first day of the month, or the previous day if part way through a month (13th - 12th).

Multiplicity Contracts either (a) commence on the 1st day of the month and expire on the last day of the month, or (b) commence and end on the same date where it commences part way through a month (e.g. 13th January to 13th March, April etc.). However, a registration would not be rejected if a Multiplicity Contract was lodged with dates of 13th January to 12th March, April etc. Any subsequent Monthly/Multiplicity registration during a closed period must be continuous to comply with transfer windows, any lapse in registration will prevent the Player from being registered.

- 63.2 A Club may only register a Player in accordance with Regulation 63 (subject to the provisions of Regulation 44.3) during a Closed Period if he is an Out of Registration Player.
- 63.3 The Club shall complete the prescribed League registration form and forward it to The League together with a copy of the contract of employment. For second and subsequent months a monthly extension registration form G1 (extension) must be completed and forwarded to The League.

Guidance

If the financial terms are different from the previous month, a new contract of employment must be completed.

- 63.4 Players on a second or subsequent monthly contract are entitled to notice as to whether the Club intends to offer a further period of engagement not later than seven days before the expiry of that monthly contract.
- 63.5 Players on a contract for two or more months are entitled to notice as to whether the Club intends to offer a further period of engagement. The notice is not less than two weeks before the expiry date where the contract expires on or before 31 December and not less than four weeks before the expiry date where the contract expires on or after 1 January.

Guidance

If a player on a Multiplicity/Monthly Contract is given the appropriate notice in accordance with Regulation 63.5 then, provided the following clause is added to the contract, no severance payment is due to that Player after the expiry of his contract:

“For the avoidance of doubt, it is agreed that the provisions of Clause 19 in respect of severance pay do not apply to this contract. Instead, the player will be entitled to notice in accordance with EFL Regulation 63.”

- 63.6 On the expiry of a registration under this Regulation a Player is entitled to sign for any Club of his choice without restriction and without payment of any compensation.

64 CONDITIONS OF CONTRACT

- 64.1 A Player under the age of seventeen years may not enter into a contract of employment with a Club and may only be registered as an Academy Player. Any contract of employment signed by a Player under the age of eighteen at the time of signing must also be signed by a parent or guardian.

Guidance

A Player signing a contract at the age of 17 cannot sign for a period longer than 3 years or 3 seasons (whichever is the shorter) – see Article 18(2) of the FIFA Regulations. The Football Association has now advised that this includes the period of any option period included in the agreement, so any contracts which are lodged which include an option that would result in a term in excess of three years will be rejected.

- 64.2 All contracts between Clubs and Players must be in the equivalent of Form 20 of Premier League rules (the **‘Standard Contract’**).

Guidance

Expiry dates - All Contracts expire 30 June with the exception of Monthlies/Multiplicities which must expire on or before 30 June following registration.

Note: Clubs are free to include option clauses to extend the contract of employment provided the clause complies with the provisions of FA Rule C1(j)(xiii) – in essence the option period cannot be longer than the period of the original contract term, and the financial provisions applicable to the option period must be no less favourable. Clubs cannot apply an ‘option on an option’.

- 64.3 The Standard Contract must be signed on behalf of the Club by either the chairperson alone or the club secretary or duly appointed signatory together with one director.

Guidance

Authorised Signatories - Clubs must complete the authorised signatory form prior to the season commencing and update as and when they appoint additional signatories. Any Director signing the standard contract must be on the board of directors of the Club and approved under the Owners’ and Directors’ Test. See also the guidance to Regulation 47.1.

- 64.4 Clubs shall be free at any time to re-negotiate or amend the financial provisions set out in Schedule 2 of the Standard Contract (other than paragraph 7 “The Professional Footballers’ Pension Scheme”) with its own Players on such terms as shall be mutually acceptable except that where a contract is so re negotiated or amended during a Season and the effect of the renegotiation or amendment is to increase the Player’s

remuneration (which term shall include any benefits in kind) it shall be dated to expire at least one year later than the existing contract between the Club and Player.

Guidance

During the Close Season there is no restriction on amendments, and for the purposes of this Regulation only the EFL will accept a Player signing the Club's standard bonus schedule after the start of the Season in exceptional circumstances provided this is done and received by the EFL before he has been named on a team sheet (any competition, not just first team).

As bonus entitlements are contractual benefits, this Regulation applies equally to any Club bonus scheme. See also the notes to Regulation 64.6 below.

Any request to make an amendment where the Player does not benefit financially will be looked at favourably without the need to extend.

- 64.5 Clubs must submit copies of all contracts between Clubs and Players to The League within five days of their being made.
- 64.6 Full details of all payments to or benefits paid in cash or in kind on behalf of Players, including particulars of any Image Contract Payment, must be included in the Standard Contract except such specific payment or benefits as shall be specified in advance by The League in writing. In the event that the Standard Contract covers more than one Season it must specify the rate of basic remuneration to be paid relative to the divisional status of the Club.

Guidance

Image Rights Agreement – Clubs must ensure that all Image Right Contracts are referred to in the Player's Contract of Employment and a copy is forwarded to The EFL.

Should a Player sign an Image Right Contract or amend/vary an existing agreement during the playing season, his Playing Contract will have to be extended by at least 12 months in accordance with Regulation 64.4. To help ensure that principle is adhered to, Clubs must ensure that the following wording is included in all Image Right Contracts:

"Variation

No variation of this Agreement shall be valid unless it is in writing and signed by or on behalf of each of the parties and is lodged with and accepted by The EFL."

Divisional pay – If the salary is remaining the same regardless of divisional status that must be stated in the Contract otherwise the contract will be returned.

Loans to Players – To reflect the principle of this Regulation, Regulation 47.3, and the controls around lump sum payments and signing on fees, a Club is required to notify the League if it proposes to enter into a financial loan with a Player, and obtain pre-clearance from the League for it. The following conditions will be imposed as part of any approval:

- *A formal loan agreement will need to be concluded with the Player. That loan agreement will need to:*
 - *make provision for interest payable at a rate at least equivalent to the current Building Society borrowing rate;*

- *provide for regular repayment of the capital sum plus interest from net salary payments (including any lump sum payments) recovered at source by the Club after the deduction of PAYE;*
- *include a clause to the effect that, should the Player leave the employment of the Club prior to repayment, then all monies outstanding will become repayable immediately.*
- *The League will require to know the purpose for which the loan is being made.*

Clubs should note that the League reserves the right to demand an auditor's certificate to establish that the terms of any loan agreement have been fulfilled.

Club Bonus Schedule – As the bonus/incentive schedule forms part of the contract, it cannot be unilaterally withdrawn or varied downwards during the period of the contract. If an individual Player is not to receive a bonus/incentive schedule then this must be clearly stated on Schedule 2, under paragraph 8.2.

The same schedule does not have to apply to all Players.

Clubs can, however, propose to vary the amounts payable (including downwards) under the terms of any bonus/incentive schedule as part of an offer to retain the registration of a Player beyond the expiry of his contract. The only caveat to this position is where, when taken as whole, the amounts payable under the offer would be "less favourable" than the amounts paid in the most favourable year's terms of the existing contract and in those circumstances Clubs may lose compensation rights for an Under 24 Player.

Bonuses/incentives may be amended on such terms that are mutually acceptable to both Player and Club, except that if this is done during the Season and the effect is to increase the Player's remuneration, the Contract must also be dated to expire at least one year later than the existing Contract between the Club and Player (Regulation 64.4). This is why any bonus/incentive schedule applicable to the Club must be lodged prior to the commencement of the Season.

Due to the wording of Paragraph 8.2 of Schedule 2 of the Standard Contract, there is a presumption that any bonus schedule will apply for the duration of the agreement.

It is up to individual Clubs to structure their own bonus/incentive arrangements, as each Club will have their own thoughts on the issue. The only element which cannot feature in a bonus/incentive schedule is any amount in respect of appearing on TV as this is prohibited by Regulation 78.1.

- 64.7 The terms of a Standard Contract between a Club and a Player shall be strictly adhered to.

Guidance

In line with decisions of the PFNCC the EFL cannot accept termination / break clauses in Contracts, except in cases where the PFA, on behalf of the player, agree.

The only situations where agreement has been given have related to known serious medical conditions which pose the risk of having to cease playing e.g. heart conditions.

Similarly, the EFL cannot accept contracts which seek to contradict or remove any of the provisions of the Standard Contract unless (a) they relate to clause 4 – image rights, provided equivalent provisions are contained within the image rights

agreement; or (b) excluding clause 19 (severance pay) in a multiplicity contract (see Regulation 63.5).

The requirement for a Club to pay player wages is fundamental and late payment will result in misconduct proceedings, an embargo and also count towards the 30 days and the eventual fee restriction pursuant to Regulation 52.6

- 64.8 Clubs must ensure that any boy signing a contract part way through his scholarship must continue the educational aspect of the scholarship.
- 64.9 Fines suspensions and notices of termination under the Standard Contract must be reported to The League and The Football Association and such notification must be accompanied by a copy of the notice served on the Player.

Guidance

If any disciplinary action is taken against a Player, the letter should state that he has the right of appeal to the EFL. Clubs should follow the guidelines regarding fines which are approved by PFNCC and circulated each season. Copies are available in the Player Administration section of the Club Portal.

- 64.10 Any appeal by a Player under the provisions of the Clause 10.3 of, or Paragraph 3.3.2 of Part 1 of Schedule 1 to, the Standard Contract, or by a Club under the provisions of Clause 11.2 of the Standard Contract shall be referred to a Player Related Dispute Commission.
- 64.11 Either the Club or Player may appeal against the decision of a Player Related Dispute Commission to the League Appeals Committee and such further appeal shall be made within seven days of receipt of the Commission's decision and shall be heard within fourteen days of receipt of the notice of appeal. Section 9 of these Regulations will not apply.
- 64.12 The Player shall have the right to a personal hearing before a Player Related Dispute Commission and shall have the right on any appeal to be accompanied or represented by any officer of The Professional Footballers' Association. The Player shall also be entitled to be legally represented but he must give The League prior written notice of his intention to be legally represented.
- 64.13 Unless otherwise agreed by The League, no lump sum payment shall be paid or payable by a Club to a Player during the first year of his employment as a Contract Player with that Club save for:
- 64.13.1 a Signing-on fee (which must be paid in accordance with Regulation 64.14); or
- 64.13.2 a sum paid in respect of the Player's relocation expenses not exceeding the amount from time to time permitted by HMRC to be paid for this purpose without income tax and national insurance liability.

Guidance

The introductory wording of Regulation 64.13, and the provisions relating to signing on fees in the following Regulation are intended to avoid situations where Players take large payments in Season one of a multi-year contract, and then seek to demand uplifts in subsequent years. The Regulations are as a direct result of requests from Clubs for these measures.

Lump sum payments. *No payment can be made prior to twelve months' service unless contract runs for less than twelve months, in which case payment can be made on the last day of contract. See also note to Regulation 65.*

Appearance payments. *To meet the above requirements, lump sum payments in respect of appearances may only be paid after twelve months' service, but the EFL will also accept provisions which allow payments after 40 appearances, and the Board has also determined that Clubs may make payments after a lesser number of appearances providing it is continuous provision throughout the period of the contract.*

In respect to Appearance payments only, service both as a Scholar and a Contract Player will count towards the 12-month threshold. Other Academy registrations will not count.

Loyalty payments. *The EFL will permit Clubs to agree 'loyalty payments' provided the Player has completed 12 months service as a Contract Player and the contract makes it clear that to receive the payment the Player must still be in the service of the Club on the due date. Should the Player for any reason leave the Club, at the Club's request prior to the date, a sum shall be paid pro-rata on the services given at the date of cessation of employment with the Club and subject to the prior permission of the EFL Board.*

Clubs should be aware that only signing on fees are classed as 'once only' payments for the purposes of Regulation 68.3 and any other types of bonuses including any loyalty bonus would need to be part included in any subsequent offer to an Under 24 Player before the Club will be able to retain compensation rights on expiry of the contract. One option for Clubs is to make a loyalty bonus subject to completion of a specified number of years' service, in which case the Player is not entitled to a similar payment under the new contract until he has completed an equivalent length of service under that new contract.

Relocation Expenses. *Under current HMRC Guidelines (available [here](#)) subject to meeting the relevant criteria, a Player may receive up to a maximum £8,000 tax free. The contract should provide that payment will only be made on the production of valid receipts.*

- 64.14 Signing on fees may be paid only to Contract Players and must be paid in equal annual instalments over the period of the contract. If the Player's registration is transferred at any time during the currency of his contract at the request of the Club any balance of the signing on fee then unpaid shall become immediately due and payable to the Player, unless a Player Related Dispute Commission, having considered at the Club's request, the circumstances in which the request of the Club was made, consider that such payments shall not be made. If the Club or the Player is not satisfied with the decision of the Player Related Dispute Commission there shall be a right of appeal to the League Appeals Committee within fourteen days of receipt of the Player Related Dispute Commission's decision. The decision of the League Appeals Committee shall be final.

Guidance

Signing-on-Fees are the only payment in a Contract that can be referred to as once only or one-off for purposes of Regulation 68.3.

When a Player transfers during the term of his contract, if the intention is to waive any rights to future instalments of the signing on fee this must be secured by the Player

signing a waiver. Failure to provide the EFL with a copy of the document will result in EFL Regulations failing to be applied.

Where a Club seeks to register an Out of Registration Player after the closure of the mid-season transfer window, Clubs can choose to include a Signing-on-Fee, pay one pro-rata for the period up to 30 June or wait until the following season.

If a Player signs an updated contract, the parties are free to carry over any outstanding instalment from a previous contract if they so wish. Where this is agreed, provisions must be included to that effect in the new contract.

- 64.15 If a Player's registration is transferred by reason of his written request or there is a proven statement in the media by the Player or his Intermediary to the effect that he wants to join another Club, or he leaves a Club by reason of a breach by him of his contract, he shall forfeit any instalments of the signing on fee that fall due for payment after the date on which the registration is transferred, unless the Player Related Dispute Commission is satisfied that his request for a transfer was made on reasonable grounds.
- 64.16 If the Club or the Player is not satisfied with the decision of the Player Related Dispute Commission there is a right of appeal to the League Appeals Committee within 14 days of receipt of the Player Related Dispute Commission's decision. The decision of the League Appeals Committee is final. Section 9 of these Regulations does not apply.
- 64.17 If any such future payments have been waived by the Player or are in dispute when the Player's registration is transferred, the fact of the waiver or dispute must be notified to The League at the time of transfer by the Transferor Club. In the absence of such notification, the outstanding instalments will be payable unless there are exceptional reasons acceptable to the Player Related Dispute Commission as to why the notification was not made at the proper time.
- 64.18 None of Regulations 64.14 to 64.17 shall apply where a Player is signed for a period of less than three calendar months.
- 64.19 All Contracts of Service between Clubs and Players must be treated as private and confidential.
- 64.20 When a Player's Standard Contract is terminated by mutual consent and/or by the Player exercising his rights under Regulation 4(7) of the Transfer of Undertakings (Protection of Employment) Regulations 2006, the Club may retain the Player's registration until he signs for another Club and shall be entitled, without further payment to the Player to a Transfer Fee or Compensation Fee (as applicable) in respect of any subsequent transfer of his registration. The Player shall be informed of the Club's intention to retain his registration. Any dispute in relation to the level of any Transfer Fee or Compensation Fee (as applicable) shall be determined in accordance with the provisions of Regulation 64.22.

Guidance

Clubs are free to enter into a compromise agreement with a Player on termination of the contract of employment. Copies of all compromise agreements, or confirmation no such agreement exists, must be supplied to the EFL along with the form for the cancellation of the registration, and the registration will not be cancelled until such time as the relevant agreement / confirmation has been received.

As a dispensation from Regulation 51.1.4 the Board has determined that payments due to a Player under a compromise agreement by reference to any transfer fee received/ to be received by the Club, may be paid in line with such incoming transfer fee receipts in respect of that Player (i.e. to enable the Club to spread such payments so that they correspond with the date of receipt of any future instalments of the transfer fee). Any other amounts agreed between the Club and the Player under the compromise agreement (including, but not limited to, severance pay and wage allowance) can be paid in instalments, provided the full amount is paid within 12 months or by the date the relevant Player's contract should have expired, whichever is sooner. Any extended terms will require the prior approval of the EFL.

Clubs should take independent professional advice on tax consequences of termination payments.

- 64.21 When a Player's Standard Contract is terminated by his Club, the Club may retain the Player's registration until he signs for another Club and shall be entitled to a Transfer Fee or Compensation Fee (as applicable) in respect of the next transfer of his registration. The Player whose Contract is so terminated shall after six weeks from the date of the notice of termination be entitled to a weekly sum equivalent to his last weekly basic wage. The Club may at any time apply to the League Appeals Committee for that entitlement to be suspended either because of the facts leading to the termination or on the grounds that the Player has without good reason refused offers of employment from another Club or for other relevant reasons.
- 64.22 Any dispute between the Club holding the Player's registration and any other Club negotiating to obtain such registration as to the amount of compensation payable shall be determined by the Professional Football Compensation Committee whose decision shall be final and binding.
- 64.23 All Clubs must submit a Return of Players' Earnings for the previous tax year not later than 30 June in any year.

Guidance

It is customary for wages to remain constant throughout the year. However, you may, subject to the consent of the Player reduce the wage during the close season.

To ensure Clubs are not avoiding the restrictions imposed by Regulation 64.13, any Club which seeks to reduce wages in second or subsequent years of the contract will be asked to substantiate the basis for doing so. It will speed up the process of registration if this is made clear at the time of submission of papers to this office.

Clauses providing for payment in Euros are acceptable, but Clubs accept any risks in relation to changes in the rate of exchange during the term of the contract.

Payments should be in the same currency throughout the contract.

65 MINIMUM WAGES

- 65.1 The minimum weekly wage for Players shall be such sum as shall be specified by law from time to time.

Guidance

Minimum wage - Clubs must abide by the National Minimum Wage and National Living Wage legislation, further details of which can be found on www.gov.uk. The EFL has also issued detailed guidance (copies of which are available in the Player Admin section on the Club Portal). HMRC will from time to time visit EFL Clubs and therefore Clubs do need to make sure that they are not in breach of Government legislation.

66 APPROACHES BY CLUBS

- 66.1 Clubs shall not directly or indirectly approach any Player whose name is on the Clubs List of players (as described in Regulation 70) of another Club except in accordance with Regulations 68 or 71.
- 66.2 Any Club wishing to obtain the services of a Player whose registration is open to transfer whilst under contract (as indicated on a Club's List of Players) must communicate any offer in writing (or if there is insufficient time, by telephone, confirmed in writing) to the Club holding the registration of such Player.

67 CLUBS CEASING TO BE MEMBERS

- 67.1 In the event of a Club ceasing to be a member of The League otherwise than by reason of promotion to The Premier League (and except as provided for in Regulation 67.3) all Contract Players and Scholars of such Clubs shall from the date of such cessation be deemed to be registered with The League and The League shall have the same rights in respect of the transfer of the registrations of all such Contract Players and Scholars as such Club had until the date of such cessation. The Board shall assess the fees to be placed upon the transfers of such registrations, subject to any appeal to the Professional Football Compensation Committee, and any fees derived from such transfers shall belong to The League. The registration of any Academy Player shall be released forthwith.
- 67.2 The Board shall have the power to make from any fees received by The League, a grant to any Club to which Transfer Fees and/or Compensation Fees are owed by the Club ceasing membership. The amount of the grant shall be entirely a matter for the Board and no Club shall have a claim as of right to all or any part of such fees. In its absolute discretion the Board shall apply the following:
- 67.2.1 where the fees are received from the transfer of a particular Player, those fees shall be paid to any Club or Clubs owed Transfer Fees or Compensation Fees in respect of that same Player. Where there is more than one Club, payment shall be pro-rata; and
- 67.2.2 if any fees remain after paying the Club or Clubs referred to in Regulation 67.2.1, such fees shall be paid to any other Club or Clubs owed Transfer Fees or Compensation Fees by the Club ceasing membership. Where there is more than one Club, payment shall be pro-rata.
- 67.3 In the event of a Club retiring as a member of The League and joining The National League under the provisions of Regulation 10 the following conditions shall apply to Players registered with such Club.
- 67.4 An Under 24 Player who has refused an offer of re engagement made by his Club in accordance with Regulation 68 who remains in dispute with his Club as at the 15 July next following the Club's loss of League status must sign a National League registration form and Contract with his Club which Contract must contain a clause consistent with Regulation 68.9.1 to the effect that the Player remains free to speak to other Clubs without restriction subject to him keeping the Club with which he is contracted, aware of any negotiations. The Contract should contain the same financial terms as were included in clauses Schedule 2 of his last Standard Contract except that a signing on fee stipulated to be a once only payment need not be repeated and the Player will be bound by any new incentive schedule. If the Player refuses to be registered in The National League then his Club will be entitled to retain compensation

rights without payment of a wage. The Professional Football Compensation Committee will on application from a Club or Player determine a dispute over the Compensation Fee.

- 67.5 A Player's Contract which is not due to expire until after the next 30 June following the Club's loss of League status will remain valid in The National League.
- 67.6 The registrations and contracts of Scholars may be maintained provided that the Club continues to fulfil the requirements imposed by the Scholarship Agreement and the Youth Development Rules relating to the operation of a Scholarship Programme, otherwise the Scholars will be entitled to their release.
- 67.7 The registrations of Academy Players may be retained by The League in favour of the Club provided that the Club continues to fulfil the requirements imposed by the Academy Player's registrations and the Youth Development Rules relating to the operation of an Academy, otherwise the Academy Players will be entitled to their release.

68 TRANSFERS AFTER EXPIRY OF CONTRACT

- 68.1 Subject to the provisions of these Regulations, (and, in particular, Regulation 44) a Player shall be free to seek registration with any Club of his choice, on the expiry of his contract of employment.
- 68.2 Any Club wishing to re-engage a Contract Player whose contract is due to expire on 30 June must, save as mentioned in Regulations 68.2.1 to 68.2.4 below, notify him in writing by the third Saturday in May in the final year of his contract whether or not they offer him terms of re engagement specifying (where applicable) such terms. Notification of the terms offered may only be deferred:

Guidance

Accordingly, via the PFNCC, the PFA, Premier League and EFL have agreed template holding letters which are available in the Player Administration Section of the Club Portal. Clubs have the choice of re-engagement letters. Form A1 is the traditional letter which sets out in detail the terms offered and Form A2 is the holding letter which enables the Club to protect its compensation rights prior to sitting down with the Player and negotiating in detail the new terms.

- 68.2.1 in the event of a Club not having completed its League programme by the third Saturday in May, and then only if any outstanding fixture or fixtures could have some bearing on the issues described in Regulation 10 or on possible qualification for other competitions; or
- 68.2.2 in the event of a Club being involved in the end of Season Play Off competition as described in Regulation 10; or
- 68.2.3 in the event of a Club still being involved in a Football Association Cup Match on or after the third Saturday in May; or
- 68.2.4 in the event of a Club still being involved on or after the third Saturday in May in a competition arranged under the auspices of The League.

In these circumstances Players must be notified of the terms offered within four days of the Club's last such match.

- 68.3 Subject to the provisions of this Regulation 68, any Club which makes an offer in accordance with Regulation 68.2 of re engagement to a Contract Player who is an

Under 24 Player and which is in the opinion of the Board not less favourable than the current remuneration provisions set out at Schedule 2 of the Player's Standard Contract, shall be entitled to a Compensation Fee in respect of the loss of the Player's registration, should the Player sign for another Club. In order to comply with this Regulation, the annual value of the terms offered must be at least equivalent to the most favourable year's remuneration provisions in the Player's previous contract (taking into account prospective divisional status and any divisional related payment provisions). The terms offered to Players for re engagements must be as favourable overall except that a signing on fee included in the previous contract and stated to be a once only payment need not be repeated. Copies of all offers of re engagement made to Contract Players must be sent to The League.

- 68.4 The Player must notify in writing the Club holding his registration within one month of the date on which notification of the said terms of re engagement were sent, whether or not he accepts their offer of re engagement. If the Player has not replied in writing to the Club's offer of re engagement by 30 June, the offer shall automatically lapse. In the case of an Under 24 Player, the Club's compensation rights shall not be affected.

Guidance

The EFL position is that after the one month period set out in the first sentence of Regulation 68.4, the Club may withdraw the offer at which point the Player will not be able to unilaterally accept that offer, leaving the Club free to pursue alternative options for new players without the risk of the player accepting. If the offer is not withdrawn, it will then lapse automatically on 30 June at which point the Player will not be able to unilaterally accept. However, there has been no decided case on this point, and nor has the PFCC considered the impact of a Club adopting that approach on the level of compensation which might be awarded under Regulation 68.5.

- 68.5 If by or following the expiry date of the Player's contract the Club holding the Player's registration and any other Club which subsequently obtains or is then negotiating to obtain such registration have not reached agreement on the amount of Compensation Fee payable either of the Clubs concerned or the Player shall have the right to request that the fee be determined by the Professional Football Compensation Committee in accordance with Regulation 69 and in the event of such right being exercised, it or he shall inform the other such parties and the Secretary of the Professional Football Compensation Committee forthwith. Both such Clubs shall provide the Professional Football Compensation Committee with all relevant information. The Professional Football Compensation Committee shall as soon as possible determine the amount of Compensation Fee and its determination shall be final and binding.

Guidance

In the event of the Player wishing to sign for a Club not in membership of The League or The Premier League, i.e. a non-League Club, The Football Association Rule C.79.1.2 applies in respect of the registration of Players by clubs in other leagues.

- 68.6 If a Player, who is an Under 24 Player, wishes to claim a Free Transfer on the basis of his offer of re engagement being less favourable than his current contractual terms, he must send a written application to The League, with a copy to his Club, by 30 June, otherwise the Club's compensation rights will be retained.
- 68.7 If such Player's application is successful he shall continue to receive from his Club as severance payment his weekly basic wage for a period of one month from the expiry

date of his contract or until the Player signs for another Club, whichever period is the shorter, provided that where a Player signs for a Club within one month at a reduced basic wage then his old Club shall make up the shortfall in basic wage for the remainder of the month.

- 68.8 The Board shall determine any dispute between Clubs about the method of payment of a Compensation Fee.
- 68.9 If the Player, who is an Under 24 Player, does not accept the said offer of re engagement and/or indicates that he wishes to leave the Club holding his registration, but his registration is not transferred to another Club before the date of expiry of his contract, then the Club holding his registration may after such expiry date either:
- 68.9.1 enter into a contract with the Player in accordance with the provisions of Regulation 64 but providing that the Player's registration may be transferred to another Club at any time during the currency of such contract (subject to the provisions of Regulation 44 for a fee determined in accordance with these Regulations); or
- 68.9.2 continue to pay the Player the basic wage payable under the contract which shall have expired. In such event the Player shall not be eligible to play for the Club holding his registration nor be subject to the regulations and discipline of such Club, and (so long as it continues to pay the Player the basic wage as aforesaid) such Club shall be entitled to a Compensation Fee from any other Club wishing to obtain the registration of the Player. The Player shall be an Out of Registration Player for the purposes of Regulation 44.2.1. On the application of the Club made on or after the first day of the Season the Professional Football Compensation Committee may rule that because the Player has without good reason refused offers of employment with another Club or other Clubs or because there are other relevant circumstances, the Club may retain its entitlement to a Compensation Fee as aforesaid without being obliged to continue to pay over basic wage after a date stated in this ruling; or
- 68.9.3 agree with the Player that the Player shall continue playing for the Club on a week by week basis under the financial terms of his last contract unless the Club incentive schedule paid in accordance with that contract has been changed in which case the Player will receive the revised incentives. The Player will, in these circumstances, be subject to Club regulations and discipline and to the Football Association Rules and these Regulations. In order to maintain compensation rights on the registration of a Player employed at the end of a Season on a week by week basis under the provisions of this Regulation a Club must, between the fourth Thursday in March and the third Saturday in May (both dates inclusive) notify the Player in writing of its intentions. If the week to week contract expires during a Closed Period then the Player will not be eligible to play for another League Club until the commencement of the next following Transfer Window; or
- 68.9.4 cease to pay the Player the basic wage as detailed in Regulation 68.9.2, in which case the Player shall be free to negotiate with, sign for and be registered with any other Club at any time without payment by such other Club of any Compensation Fee; or

68.9.5 cease to pay and play the Player on a weekly basis as detailed in Regulation 68.9.3, in which case the Player shall be free to negotiate and sign for any other Club at any time (but he will not be eligible to play for another League Club until the commencement of the next following Transfer Window) without payment by such other Club of any Compensation Fee.

In either of the circumstances set out in Regulations 68.9.4 or 68.9.5, two weeks' notice in writing must be given before payment to the Player ceases.

- 68.10 Any attempt by a Club to use negotiations to prevent a Player joining the Club of his choice will be regarded as Misconduct.
- 68.11 Clubs must notify the Player and The League of all offers received for the Player's registration.
- 68.12 Any Club wishing to place the name of a Non-Contract Player on its List of Players for the following Season must so notify him in writing in accordance with the procedure laid down in Regulation 68.2.
- 68.13 An Under 24 Player who has not received written notice from his Club of an offer of re engagement in accordance with this Regulation shall continue to receive from his Club as severance payment his weekly basic wage for a period of one month from the expiry date of his contract or until the Player signs for another Club, whichever period is the shorter, provided that where a Player signs for a Club within the month at a reduced basic wage then his old Club shall make up the shortfall in basic wage for the remainder of the month.

Guidance

Players over the age of 24 who have not been offered terms of re-engagement or the terms offered are less favourable, will be entitled to severance pay in accordance with the terms of the contract, subject always to a cap of double the maximum sum which an Employment Tribunal can award from time to time as a compensatory award for unfair dismissal (c£173,000).

If the salary is reduced during the summer months, the severance payment is calculated on the average monthly salary across the final year of the contract.

- 68.14 The action of a Club in securing a Player's signature on a Standard Contract shall constitute an acknowledgement of that Club's liability to pay the appropriate Compensation Fee in accordance with these Regulations.
- 68.15 A Player who, having refused to accept his Club's offer of re engagement made in accordance with this Regulation, elects to sign for a Club in another country shall not be re-registered in The League until after a lapse of twelve months from the date he joined the foreign Club unless the special consent of the Board is obtained. The Board may refer any question of compensation to his previous Club to the Professional Football Compensation Committee whose decision shall be final and binding.
- 68.16 For the purposes of both Regulations 68.7 and 68.13, a Player who is entitled to receive his basic weekly wage for a period of one month from the expiry date of his contract and subsequently signs for another Member Club will be deemed to have signed for that new Member Club on the date:
- 68.16.1 of his contract of employment with the new Club;
- 68.16.2 on which the new Club publicly announces the signing of the Player;

68.16.3 on which the new Club nominates the Player as one of those covered by the League's centrally purchased Player's personal accident insurance policy (if any); or

68.16.4 the Player was named by the new club on a team sheet in any match (including friendly or training matches),

whichever is the earlier. For the purposes of determining the amount payable by the new Club, the Player's salary with that Club will be deemed to be an amount equal to the average weekly wage to be paid to that Player by the new Club in the first Season of his employment.

Guidance

The above Regulation was amended to ensure that Clubs signing out of contract players make up the wages with effect from the practical date of signing the Player. The practical date of signing will be deemed the earliest of the following: the Player is announced as having signed, participates in a friendly match or is allocated as one of the Club's Players under the EFL's centrally purchased personal accident insurance policy.

The obligation will only arise in the event the Player signs a contract with the new Club. It will not cover Players who only ever trial at a Club. However, where a Player who is trialed in the first instance and then signs a full contract, the effective date for payment of the wages will be the earlier date. For the purposes of determining the amount payable by the new Club, the Player's salary with that Club will be deemed to be an amount equal to the average weekly wage to be paid to that Player by the new Club in the first Season of his employment.

69 COMPENSATION FEE FOR PLAYERS OUT OF CONTRACT

- 69.4.6 the Player's playing record in Club and international team appearances; and
- 69.4.7 substantiated interest shown by other Clubs in acquiring the services of the Player.

A resolution under this Regulation shall be sought at close of bidding and recommended offer stage, however the Board shall be entitled to seek further ratification of the approval granted if the Board considers there to be material changes which arise out of the negotiation process.

- 79.3 Any contract agreement so entered into by The League shall be binding upon Clubs and Clubs shall not enter into commercial contracts which are at variance with commercial contracts entered into by The League.

Guidance

Clubs should refer to the EFL Commercial Handbook for an overview of the requirements of such commercial contracts entered by the League, along with any other communications the League may provide to Clubs from time to time. - 79.5 The League shall inform Clubs of the relevant terms of all such commercial contracts entered into by The League and when doing so can (without prejudice to the rights of The League to bring proceedings before a Disciplinary Commission for breaches thereof) designate certain requirements of those commercial contracts as strict liability offences in accordance with Regulation 88 and subject Clubs to the imposition of fixed penalties in the event of default.

- 79.6 In any event, each Club shall indemnify The League against any liability The League may incur in the event of a finding by a Court of Law or other body of competent jurisdiction that The League induced the Club to breach a contract with a third party as a result of requiring the Club to comply with this Regulation 79.

SECTION SIX | EFL REGULATIONS

- 79.7 The League shall establish a Commercial Committee to advise and assist the Executive and the Board on all matters relating to the negotiation of all commercial contracts relating to television, broadcasting and radio rights and Internet programming and title sponsorship of The Championship. The terms of reference relating to the operation of the Commercial Committee will be determined by the Board and the Commercial Committee and communicated to all Clubs.

- 79.12 Each Club Representative will be required to enter into an agreement with The League outlining their roles and responsibilities, which will also need to be countersigned by their Member Club. All League matters reported to or discussed amongst the Commercial Committee must be treated in strict confidence (and in any case in accordance with the confidentiality obligations set out in the Club Representative's agreement with The League). The term of office of each Club Representative shall be three Seasons, subject to the provisions of Regulations 79.8 to 79.10.
- 79.13 Any commercial contract recommended by the Commercial Committee shall nevertheless remain subject to formal approval of the Board (and where applicable approval of the Clubs pursuant to Regulation 79.2).

- 79.14 Where there is any conflict between a commercial contract entered into by a Club and one entered into by The League then the latter shall prevail and Clubs shall reflect this Regulation in any of their commercial contracts.
- 79.15 Where, however, a Club has registered a commercial contract with The League then The League shall pay compensation to the Club in the event of The League entering into a commercial contract which is at variance with the Club's registered commercial contract and where, as a result of the provisions of The League's commercial contract prevailing, the Club incurs a financial penalty or loss of income, provided always that the Club shall take all reasonable steps to mitigate any such penalty or loss.
- 79.16 The compensation payable by The League to a Club under the foregoing provisions shall be such as is agreed between the parties or in default of agreement as determined in accordance with Section 9 of these Regulations.

Guidance

Clubs are reminded that the facilities required at each ground will depend upon the terms of each commercial contract. Details can be obtained from the Commercial Department. League and Cup competitions differ.

Guidance

Adverts delivered under this Regulation should meet the standard 'MPU' measurement of 300 pixels wide by 250 pixels tall. Should any Club site need to feature adverts with different proportions then the League will consider those as acceptable where it can be shown that those alternatives provide an equivalent level of exposure to the standard.

82 PRE AND POST-MATCH MEDIA ARRANGEMENTS

- 82.1 Each Club shall facilitate pre-match media arrangements with its Manager at least one day in advance of each match played under the auspices of The League. These should include interviews for The League's broadcast partners where requested and the opportunity for accredited representatives of other media to ask relevant questions.

No Club will be required to procure attendance more than twice in any Season with at least one attendance designated to the EFL's central annual community activity (as designated from time to time).

SECTION 8

INVESTIGATIONS AND DISCIPLINARY PROCEEDINGS

84 INVESTIGATIONS AND DISCIPLINARY PROCEEDINGS

- 84.1 The League shall have power to initiate and prosecute disciplinary proceedings against any person subject to these Regulations for breach of these Regulations or other conduct amounting to Misconduct.
- 84.2 The League shall have the power to investigate any of the following:
- 84.2.1 suspected or alleged breach of any of these Regulations; and/or
 - 84.2.2 any complaint, allegation or suspicion of financial or other irregularity; and/or
 - 84.2.3 misconduct,
- by any Club, Official or Player.
- 84.3 The League shall have the power to require any Club, Player or Official to:
- 84.3.1 provide such specific or general information on League affairs as The League may request in writing; and/or

 - 84.3.3 to produce documents within their power, possession, custody and / or control,
- as The League may direct.

- 84.7 No Club, Player or Official shall be under an obligation to disclose any documents rendered confidential by either the order of a court of competent jurisdiction or by statute or statutory instrument.
- 84.8 The League shall, in all cases, charge its costs of investigations (including but not limited to all legal fees (including in-house solicitors), professional fees and disbursements) to the relevant Club charged as a result of The League's investigation and whereby that charge is resolved by:
- 84.8.1 an Agreed Decision (as per Regulation 86); or
 - 84.8.2 an order of a Disciplinary Commission (or League Arbitration Panel) in favour of The League,
- such costs shall be paid within 14 days of being demanded by The League.

Guidance

The Club in receipt of a charge should be the party who should ultimately pay the costs of the League's investigation, should such charge result in an Agreed Decision or an arbitration award in favour of the League. This will help ensure costs of investigations are paid by the relevant Club in breach of the Regulations and not from central funds of the League.

- 86.2 Agreed Decisions may set out the obligation(s) to be fulfilled by the Club, Official, Player or other individual (in each case current or former) (the '**Proposed Respondents**'), including any possible application of sanctions and measures and, where necessary, a specific timeframe.
- 86.3 Agreed Decisions may include any sanction that could be imposed by a Disciplinary Commission.
- 86.4 Subject always to Regulation 84.8, the EFL will propose a sanction and detail its reasons in writing (a '**Proposed Sanction**'). The Proposed Respondents shall have two options:
- 86.4.1 to accept the Proposed Sanction within 14 days of receipt; or
 - 86.4.2 to reject the Proposed Sanction, in which case the matter shall be referred to the Disciplinary Commission in accordance with this Section 8.
- 86.5 In the event that no response is received within 14 days the matter shall be referred to the Disciplinary Commission for determination in the manner set out in this Section 8.
- 86.6 Where the Proposed Respondent accepts the Proposed Sanction in accordance with this Regulation 86, the matter shall be referred to one of those individuals who have elected to act as a chairperson of the Disciplinary Commission (using the same appointment process as set out in Regulation 91.4).

- 86.7 In the event that the individual appointed pursuant to Regulation 86.6 does not ratify the Proposed Sanction, the matter shall be referred to the Disciplinary Commission for determination in accordance with this Section 8. The individual appointed pursuant to Regulation 86.6 shall not act as the chairperson of the Disciplinary Commission pursuant to Regulation 91.4.
- 86.8 Any Club, Official, Player or other individual (in each case current or former) who accepts an Agreed Decision shall be deemed to have consented to publication in the media of the Agreed Decision in accordance with the principles of Paragraph 20 of Appendix 2 to these Regulations.

- 86.10.1 make any proposal regarding an Agreed Decision on a without prejudice save as to costs (or equivalent) basis; and/or
- 86.10.2 argue that a refusal by the League to propose and/or enter an Agreed Decision provides grounds for:
- (a) mitigation; and/or
- (b) an award of costs in their favour.

87 CONTINUING JURISDICTION

- 87.1 For the avoidance of doubt, any:
- 87.1.1 Club promoted from The League to The Premier League (a **'Promoted Championship Club'**);

In such a case:

87.3.1 The League's powers set out at Section 8 of these Regulations will apply in full in respect of the investigation (with the reference to 'these Regulations' in Regulation 84.1 deemed to include the Relevant PL Rules); and

The League shall decide the level of fines for first and subsequent offences, whether the subsequent offence is in respect of the same or another Article of Association or Regulation and shall notify the Clubs in writing of the offences and the fines. The designation of any such breach of the Articles of Association or of the Regulations shall not prevent The League from exercising its powers of investigation and subsequent lodging of charges where a Club is in further breach within the same Season; and

88.1.2 increase, reduce or otherwise vary any monetary payment or figure specified in the Articles of Association or the Regulations by notifying the Clubs in writing.

- 88.2 Any appeal against the imposition of a fine or against the amount of such a fine under this provision for a strict liability offence shall be referred to the Disciplinary Commission.
- 88.3 Any party wishing to appeal shall also lodge with The League a deposit of £1,500 in respect of the costs of the appeal.

 - 96.1.3 that the issues in each such arbitration shall be decided in accordance with English law;

96.5.2 in all other cases, the Appeal shall not take the form of a de novo hearing but instead shall be limited to a consideration of whether the decision being appealed was in error and the burden of establishing the decision was in error shall rest with the appellant; and

96.5.3 in the case of appeal against sanction, the grounds are that the original sanction was too severe or too lenient having regard to all the circumstances.

96.6 The grounds for appeal / review applicable:

96.6.1 to a Sporting Sanction Appeal, are as set out in Regulation 12.12; and

- 125.1.3 where any application is received from any Minority Candidate(s), invite one or more Minority Candidate(s) to interview for that Specified Role.
- 125.2 Clubs must still comply with Regulation 23 (Club Employees / Relationships), but the refusal of another Club to grant permission to approach their Minority Candidate will not relieve the recruiting Club of its obligations under Regulation 125.1.
- 125.3 Invitations to interview any Minority Candidate for a Specified Role, whether accepted or declined, should be documented directly by the Club in a writing (which may be given by email) to the Minority Candidate, a copy of which must be retained by the Club.
- 125.4 Where an invitation to interview for a Specified Role is accepted, the Club must then interview the Minority Candidate.

- 125.6 Nothing in this Regulation obliges a Club to offer the Specified Role to a Minority Candidate. Any appointment should be made on the basis of merit alone.

that Club shall invite one or more Minority Candidate(s) to interview for the role of Manager.

126.2 Clubs shall provide reports in such format and at such times as The League requires relating to their compliance with the provisions of this Regulation. The League shall be entitled to publish anonymised data derived from those reports.

126.3 The requirements of both Regulation 125 and this Regulation 126 are supplemental to any requirements of the Codes of Practice.

Guidance

The League understands that many Clubs now use the I-Recruit system for recruitment purposes and that such system works on an anonymised basis. Therefore, those Clubs using I-Recruit will be exempt from complying with Regulations 125 and 126 insofar as they relate to the monitoring of Minority Candidates. For the avoidance of doubt, where a Club uses I-Recruit for some but not all of its recruitment activity, it must still comply with Regulations 125 and 126 in those instances where I-Recruit is not utilised. Having the I-Recruit system does not provide a Club with a blanket exemption from these Regulations.

For reporting purposes pursuant to Regulation 125.8 and 126.2, Clubs should clearly indicate when I-Recruit has been used so that the League can factor this into the data compiled from such reports.

127 PROHIBITED CONDUCT – OBSERVING TRAINING SESSIONS

127.1 Without prejudice to the requirements of Regulation 3.4 (that each Club shall behave towards each other Club with the utmost good faith), no Club shall directly or indirectly observe (or attempt to observe) another Club's training session in the period of 72 hours prior to any match scheduled to be played between those respective Clubs.

The League will be a party to the cross-sport code but it will expect Clubs to (i) support the League's compliance with that code, and (ii) enter to and comply with any football specific code.

The League shall publish / make available the applicable Code(s) to Clubs and any amended or replacement versions.

in each case free of charge.

SECTION SIX | EFL REGULATIONS

- 21.3 The nominated press officer(s) of the Away Club shall, in addition to the items specified in paragraph 21.2 above, receive appropriate access to those facilities at the Home Club as are necessary to fulfil their duties for the Away Club but to include, as a minimum, all media areas, the Away Club's dressing room and the tunnel area.
- 21.4 Clubs must provide a wireless access point accessible to all accredited media representatives attending the match in all designated areas.

Guidance

It is recommended that the Stadium dedicates guaranteed bandwidth or is supplied with exclusive internet connectivity for broadcasters, accredited representatives of the media, data partners and representatives of The League to use. It is also advised that if connectivity per connection is limited, then the minimum should be 10MB upload and 10MB download per device / connection.

- 21.5 **ISDN Lines.** Each club should provide a level of access to ISDN lines or another solution as approved by the League to enable it to satisfactorily accommodate requests from The League's Broadcasting Partner(s), Independent Local Radio Stations (home and away) and club webmasters (home and away). This may involve the sharing of lines where appropriate. Access to ISDN Lines (or another solution as approved by the League) may be at no cost to the end user, through a hire charge (either from the club or a third party provider) or by the club providing broadcasters the opportunity to install their own facility. The provision of the above ISDN lines (or another solution as approved by the League) is in addition to those already installed by the BBC for their own use. Broadcasters must be provided suitable commentary positions in the immediate vicinity of the relevant ISDN line (or another solution as approved by the League).

Guidance

The League acknowledges the migration away from ISDN lines (by December 2025). Broadcast Partner(s) commentary teams may use ISDN or IP dependant on what is available at each ground. Clubs must have the minimum required amount of active ethernet ports available to enable the smooth transition / option for commentary over IP (the internet) and radio broadcasters must be given priority access to such ethernet ports. Clubs must inform the League when/if contacted by their local network provider about the removal of ISDN from their Stadium.

In relation to future commentary solutions each Club shall ensure that it allows access for the League's Broadcast Partner(s) to install hardwiring to the League's specification at its home Stadium. Club's requiring guidance on this can contact the League.

- 21.6 **Media Room.** Championship clubs must provide a dedicated room for post-match press arrangements, including a designated room or area for post-match interviews to be conducted away from the press conference room. League One and League Two clubs should provide a similar room or a dedicated area, which is under cover, where the post-match interviews can be conducted. Any designated area for post-match interviews must be as close to the dugouts / tunnel as practically possible.

22 BROADCAST FACILITIES

- 22.1 Where a Club demonstrates to the League that it is unable to comply with one or more of the requirements of paragraphs 21 and 22, despite the Club using its best endeavours, due to the nature of the construction and configuration of its Stadium, the

League may at its absolute discretion suspend action for breach of such rules for such period of time and subject to such further order as the League considers appropriate.

22.2 Television gantry. Each Club shall ensure that its stadium has a television gantry which:

22.2.1 is situated so that cameras can be positioned on the half-way line;

22.2.2 is at least 9 metres wide;

22.2.3 permits the cameras to have a full and clear view of the whole pitch;

22.2.4 permits each camera position and commentary position to be easily accessible by technical personnel during the League Match without disturbing the cameramen or commentators; and

22.2.5 has at least one 16Amp power supply available for the Broadcast Partner(s).

Guidance

To the extent any Club in League One or League Two is unable to meet the criteria set out in paragraph 22.2, it shall notify the League in writing prior to the start of the Season with full and accurate information as to which criteria it is unable to satisfy (and the Club shall use its best endeavours to ensure the criteria is satisfied as soon as reasonably practicable). Pending satisfaction of the same Clubs shall permit the Broadcast Partner(s) to carry out such works and access such facilities as it requires to implement any alternative arrangements.

When considering the location of the television gantry, Clubs should be aware of the need to position the gantry so as to ensure that the cameras positioned on it do not face directly into the sun. If Clubs are considering building or relocating a gantry please contact the EFL for advice and to arrange a site visit, which may include the Broadcast Partner(s).

Clubs must note the order of priority access to their main gantry: (i) TV broadcast cameras, (ii) broadcast commentators (when on site); (iii) Sky In-Vision (when on site); (iv) analysts – home and away; (v) Club broadcast camera(s); (vi) third party analysts / tracking; and (vii) others. For the avoidance of doubt, the applicable Broadcast Partner(s) always have first priority access. Alternative locations can be agreed subject to the agreement of the League and the Broadcast Partner(s).

22.3 Club cameras. Subject and without limitation to Regulation 77.1, for fixtures being broadcast, Club staff filming for Club owned digital channels, including any internal or third party videographers engaged by the Club, must be allocated and adhere to static positions behind the goals or along the touchline and must not enter the field of play from the point at which the Players exit the tunnel and walk onto the pitch to when all Players and staff have left the pitch.

Guidance

Any filming carried out by Clubs must always be subject to the terms of any commercial contract entered into by the League and notified to Clubs pursuant to Regulation 79.5.

22.4 Outside Broadcast Compound. At each League Match, the Home Club shall provide a secure, level area (suitable for the parking of the Broadcast Partner(s) vehicles) outside and adjacent to the Stadium of at least 1500m² for Championship Clubs and 600m² for League One and Two Clubs, for the exclusive use of the League's and Broadcast Partner(s) vehicles ('**Outside Broadcast Compound**').

SECTION SIX | EFL REGULATIONS

22.5 The Outside Broadcast Compound shall:

- 22.5.1 be sufficiently close to the Stadium to allow for access to the Stadium power supply;
- 22.5.2 guarantee access to the Stadium's network access facility for the Broadcast Partner(s);
- 22.5.3 be separate from (or sufficiently divided from) the general supporter car park(s);
- 22.5.4 have sufficient drainage, waste disposal and recycling facilities; and
- 22.5.5 have at least one male and one female toilet facility for the exclusive use of the Broadcast Partner(s) that are available from the arrival of the Broadcast Partner(s) on the day of the League Match until the time that the Broadcast Partner(s)' vehicle(s) leave the Stadium site.

Guidance

Toilet facilities at the Outside Broadcasting Compound must be serviced by hot running water and have adequate cleansing facilities. These facilities can be temporary provided they comply with the requirements set out in paragraph 22.5. Where a Club is unable to provide adequate toilet facilities within the Outside Broadcasting Compound, alternative toilet facilities for use by the Broadcast Partner(s) should be agreed between the Clubs and the League.

Clubs should endeavour to include as part of the Outside Broadcasting Compound; (i) a security hut to offer shelter, lighting and heating for security guard(s); and (ii) recycling bins to allow Broadcast Partner(s) crew to recycle waste and reduce landfill waste.

The Outside Broadcasting Compound should include a minimum of 20 parking spaces in, or as near to, the compound as possible for use by Broadcast Partner(s) crew, which is included in the total space required for the Outside Broadcasting Compound (i.e. it is not additional to the requirements of paragraph 22.4). Where possible, these spaces should include a minimum of 4 spaces equipped with EV rapid charging points (the precise location of which can be agreed between the Clubs and the League) for use at agreed times on match days and, where reasonably requested, up to 3 days before match day. The Club shall be entitled to charge the Broadcast Partner(s) for power usage at cost only.

- 22.6 **Security for broadcasters.** Home Clubs shall ensure that there is adequate policing and/or stewarding in and around all press facilities and designated Broadcast Partner(s) areas, including the Outside Broadcast Compound and all manned camera positions.

Guidance

In order to assess whether policing and/or stewarding is 'adequate' for the purposes of this paragraph, it is recommended that Clubs engage in appropriate risk assessments and, where appropriate, liaise with League and media representatives.

- 22.7 **Broadcast Partner(s) refreshment facilities.** Each Home Club shall provide refreshment and catering facilities at each League Match and EFL Cup Match played at its Stadium which shall be at an equivalent standard to the facilities provided for accredited media representatives at a time to be agreed between the League and the Club. Where a Club is unable to provide refreshment and catering facilities to the

required standard, it shall endeavour to agree a suitable standard with the Broadcast Partner(s) at the start of each Season.

Guidance

The refreshment facilities should include a designated area for the Broadcast Partner(s) crew to eat and rest during the agreed time(s).

As a minimum, any food to be provided should include hot food, with at least one vegan option. Clubs should follow best practice when catering for any dietary requirements. The Broadcast Partner(s) should inform Clubs of the number of crew requiring refreshments and catering and the timeframe in which it will be required at the start of the Season or, where this is subject to change, within 14 days before the date of the League Match.

Clubs shall be entitled to charge the Broadcast Partner(s) for refreshments at the same price usually charged.

- 22.8 Access to stadia for the Broadcast Partner(s) on-match day set up.** Each Club shall provide reasonable access to the Broadcast Partner(s) from two days prior to each League Match played at its Stadium to enable the Broadcast Partner(s) to set up the required equipment. Each Club shall ensure that appropriate Officials and/or Staff are present on these days to enable the Broadcast Partner(s) access.

Guidance

If a Broadcast Partner(s) requests access to the Club's Stadium for more than 2 days prior to the League Match to be broadcast, the Club shall aim to accommodate such request as far as it is reasonably practicable.

Where a Home Club undertakes a training session at the Stadium on a day that the Broadcast Partner is present to set up its equipment, the Club shall be entitled to request that the Broadcast Partner vacate the pitch area for the duration of such training session, or to only work above pitch level for the duration.

- 22.9 Light Shows.** For any Club planning a light show ahead of a League Match to be broadcast, it must ensure that such show is concluded before the Players walk out ahead of kick off.
- 22.10** For any planned light shows following the conclusion of any Match played under the auspices of the League, Clubs must allow for a period of 90 seconds before such show commences to allow for the Broadcast Partner(s) to film closeups and scenes and conduct any super flash interviews on the pitch.

Guidance

Both the referee and away team manager mark the condition of the home pitch. Should a Club's average pitch mark fall below 3, the EFL will write to the Club requesting observations on why their pitch has deteriorated and what remedial measures will be undertaken to ensure that the pitch improves.

APPENDIX 2

PROCEDURAL RULES**1 INTRODUCTION**

- 1.1 These Procedural Rules shall apply in the absence of agreement between the parties and Applicable Tribunal, or further order of the Applicable Tribunal.
- 1.2 **'Applicable Tribunal'** means a Player Related Dispute Commission, Disciplinary Commission or League Arbitration Panel, as appropriate.

2 CONTROL OF PROCEEDINGS

- 2.1 The Applicable Tribunal shall have overall control of the conduct of the proceedings and/or hearing.
- 2.2 The chairperson of the Applicable Tribunal shall decide all procedural and evidential matters and for that purpose within 14 days of their appointment he shall either give directions for the conduct of the arbitration addressed in writing to each party or require their attendance at a preliminary meeting at which he will give directions.

3 ADDITIONAL PROVISIONS REGARDING APPOINTMENT OF TRIBUNAL MEMBERS

- 3.1 Where a party to proceedings before an Applicable Tribunal fails to select a side member within 3 days of a written request to do so, the chairperson shall be at liberty to do so on their behalf so as to avoid any possible delay in the conduct of the proceedings before the Applicable Tribunal.
- 3.2 Members of any Applicable Tribunal shall be entitled to receive from The League a reasonable sum by way of fees and expenses, as determined by the Board from time to time.
- 3.3 Any member of an Applicable Tribunal (**Tribunal Member**) may be challenged if circumstances exist that give rise to justifiable doubts as to their impartiality or independence. A party who intends to challenge any Tribunal Member shall send to the other party or parties a notice of challenge setting out the reasons for its challenge within 7 days after notification of the appointment of the challenged Tribunal Member, or within 7 days from the date when the party making the challenge is informed of any facts and circumstances which may give rise to such a challenge (if such date is subsequent to the receipt of notification of appointment). A copy of the notice shall be sent simultaneously to the Tribunal Member who is challenged and the other members of the Applicable Tribunal and the League. The notification shall be in writing and shall state the reasons for the challenge.
- 3.4 If any of the other parties does not accede to the challenge, or the challenged Tribunal Member does not withdraw, the decision on the challenge will be made by the chairperson of the Applicable Tribunal (where they are not the subject of the challenge) and by an independent third party otherwise qualified to act as a chairperson of the League Arbitration Panel, as nominated by the Football Association. If the chairperson of the Applicable Tribunal is the subject of the challenge, then the matter will be decided solely by the Football Association nominee. If the challenge is sustained, a replacement Tribunal Member shall be appointed pursuant to Rule 3.5 below.
- 3.5 If following their appointment a Tribunal Member refuses to act, withdraws, becomes incapable of acting, is removed by order or dies, the party nominating them (or, in the case of the chairperson, The League (or the Football Association if The League is a

party)) shall appoint a replacement as soon as reasonably practical and in any event within 3 days.

4 THE TRIBUNAL'S GENERAL POWERS

4.1 The chairperson of the Applicable Tribunal shall have power to:

- 4.1.1 allow either party upon such terms (as to costs and otherwise) as it shall think fit to amend any statement of claim and defence;

- 4.1.12 determine any application made pursuant to Regulation 97.1 (Standing).

5 CONSOLIDATION OF PROCEEDINGS

5.1 An Applicable Tribunal shall have the express power to consolidate the proceedings with other substantially similar or related proceedings and/or order that concurrent hearings be held in relation to such proceedings.

6 EVIDENCE

- 6.1 The Applicable Tribunal may direct the proceedings by deciding on what issues it requires evidence to be presented, the nature of the evidence that it requires and the way in which it receives that evidence. This can relate to documents and/or witness statements.
- 6.2 The Applicable Tribunal shall have the power to decide on the admissibility, relevance and weight of any evidence (including the testimony of any fact or expert witness) and shall not be bound by any judicial or evidential rules in relation to such matters. Facts may be established by any reliable means, including admissions.
- 6.3 Expert evidence shall be restricted to that which is reasonably required to resolve the complaint. Therefore, no expert evidence shall be admissible except with the

permission of the Applicable Tribunal. Permission may be given on such terms and conditions as the Applicable Tribunal may decide.

- 6.4 Where two or more parties wish to rely upon expert evidence on the same issue the Applicable Tribunal may order that there be the instruction of a single joint expert. 7 INTERIM APPLICATIONS

- 7.1 The chairperson of the Applicable Tribunal shall have the authority to deal with any interim applications relating to the conduct of the proceedings or any preliminary points of law unless the chairperson determines that such applications must be heard before the full Applicable Tribunal in order to comply with the overriding objective (as defined in Rule 9).

8 SECURITY FOR COSTS

- 8.1 The Applicable Tribunal may order any party to lodge with The League a sum on account of costs. In considering whether to make such an order the Applicable Tribunal shall follow the principles set out in Section II of Part 25 of the Civil Procedure Rules as if the same were set out herein mutatis mutandis, save that any party may make the application (and not just a Respondent).

- 9.1.2 dealing with cases expeditiously and fairly; and
- 9.1.3 acting fairly and impartially between the parties.

- 9.2 Any party involved in proceedings before Applicable Tribunal must assist in furthering the overriding objective and in particular shall do all things necessary for the proper and expeditious conduct of the arbitration and shall comply without delay with any direction of the chairperson of the Applicable Tribunal as to procedural or evidential matters.

10 NON COMPLIANCE BY A PARTY

- 10.1 If a party fails to comply with any order made under these Regulations the Applicable Tribunal may make a peremptory order to the same effect providing such time for compliance with it as the Applicable Tribunal considers appropriate and setting out sanctions to be imposed if the defaulting party fails to comply with the peremptory order, including all or any of the following:

- 10.1.1 debar that party from relying on the matters in respect of which it is in default;
- 10.1.2 draw such adverse inferences from the act of non-compliance as the circumstances justify;
- 10.1.3 proceed to a reasoned award on the basis of such materials as have been properly provided to it.

- 10.2 If the Applicable Tribunal is satisfied that there has been inordinate and inexcusable delay by either party in pursuing or defending any complaints and that delay:

10.2.1 gives rise, or is likely to give rise, to substantial risk that it is not possible to have a fair resolution of the issues in that claim or counterclaim; or

10.2.2 has caused, or is likely to cause, serious prejudice to the other party, the Applicable Tribunal may, after hearing representations from all parties, make a reasoned award in favour of the non-defaulting party.

11 COMMUNICATIONS

11.1 All communications sent in the course of the proceedings by an Applicable Tribunal shall be signed on their behalf by the chairperson.

11.2 Such communications addressed by the Applicable Tribunal to one party shall be copied to the other.

11.3 Any communication sent by either party to the Applicable Tribunal shall be addressed to the chairperson and shall be copied to the other party.

12 THE HEARING

12.1 The chairperson shall fix the date, time and place of the arbitration hearing and shall give the parties reasonable notice thereof.

12.2 At or before the hearing the chairperson shall determine the order in which the parties shall present their cases.

12.3 Any witness who gives oral evidence may be questioned by the representative of each party and by each member of the Applicable Tribunal.

13 PROVISIONAL AWARDS

13.1 The Applicable Tribunal shall have power to make provisional awards during the proceedings including without limitation requiring a party to make an interim payment on account of the claim or the costs of the arbitration. Any such provisional award shall be taken into account when the final award is made.

14 COSTS

14.1 In addition to exercising its other powers, the Applicable Tribunal may (and shall in all cases consider whether it is appropriate to) manage the costs to be incurred by any party in any proceedings. In exercise of this power the Applicable Tribunal may at any time make a 'costs management order' and/or 'costs capping order'.

14.2 The Applicable Tribunal has discretion as to:

14.2.1 whether costs are payable by one party to another;

14.2.2 the amount of those costs; and

14.2.3 when they are to be paid.

14.3 When choosing to make an order for costs, the Applicable Tribunal may make such order in respect of:

14.3.1 the costs of the investigation; and

14.3.2 the costs of the parties; and

14.4 Subject to paragraph 14.5, there is no general rule about orders for costs.

- 14.5 In proceedings before the Player Related Dispute Commission (and, if applicable, League Appeals Committee) relating to proceedings between Academy Players (excluding Scholars) and Clubs in relation to Youth Development Rules:
- 14.5.1 the general rule is that there should be no order as to costs of the parties, but the Player Related Dispute Commission (and, if applicable, League Appeals Committee) may make an order for costs where it considers it appropriate to do so; and
- 14.5.2 any order will in any event be subject to a condition limiting the amount of costs (including disbursements) which the Club may recover to £25,000.
- 14.6 In proceedings before the Player Related Dispute Commission as between Players and Clubs, the League shall contribute a maximum of £5,000 to the administrative costs of such proceedings (to include the costs of the members of the Player Related Dispute Commission) (or a lesser sum where such administrative costs are less than the stated amount). Any order for costs made pursuant to paragraph 14.2 shall be for any costs incurred in excess of the sum payable by the League in this paragraph 14.6.
- 14.7 In deciding what order (if any) to make about costs, the Applicable Tribunal will have regard to all the circumstances, including:
- 14.7.1 the conduct of all the parties;
- 14.7.2 whether a party has succeeded on part of its case, even if that party has not been wholly successful;
- 14.7.3 the provisions of any 'costs management order' and/or 'costs capping order'; and
- 14.7.4 any admissible offer to settle made by a party which is drawn to the Applicable Tribunal's attention.
- 14.8 The conduct of the parties includes:
- 14.8.1 conduct before, as well as during, the proceedings;
- 14.8.2 whether it was reasonable for a party to raise, pursue or contest a particular allegation or issue; and
- 14.8.3 the manner in which a party has pursued or defended its case or a particular allegation or issue.
- 14.9 The chairperson of the Applicable Tribunal shall have power to tax, assess or determine the costs if requested to do so by either party.
- 14.10 Until they are paid in full, the parties shall be jointly and severally liable to meet the fees and expenses of the Applicable Tribunal, the total amount of which shall be specified in an award.

15 REPRESENTATION

- 15.1 A party may be represented before the Applicable Tribunal by a solicitor or counsel provided that 14 days' prior written notice to that effect identifying the solicitor or counsel instructed is given to the other party and to the chairperson.
- 15.2 A Club which is a party may be represented before Applicable Tribunal by one of its Officials. An Official shall not be prevented from representing their Club because they are or may be a witness in the proceedings.

SECTION SIX | EFL REGULATIONS

15.3 However, in the event that a party's representative shall be considered by the Applicable Tribunal to have unduly delayed or hindered those proceedings, the Applicable Tribunal may make an order debarring that representative from appearing on behalf of that party in those proceedings.

16 WAIVER

16.1 A party which is aware of non-compliance with Section 10 of the Regulations and yet proceeds with the arbitration without promptly stating its objection to such non-compliance to the chairperson shall be deemed to have waived its right to object.

17 TIME AND PLACE OF HEARING(S).

17.1 The Applicable Tribunal may hear the parties their representatives and/or witnesses at any time or place and may adjourn the hearing for any period on the application of any party as it thinks fit.

18 RECORDING OF HEARINGS

18.1 The Applicable Tribunal may direct that any hearing in respect of a complaint shall be recorded so as to ensure that there is an accurate record of any such hearing in the event of a dispute regarding the conduct of that hearing.

19 NON PAYMENT OF AWARDS.

19.1 In default the person concerned shall pay interest at the rate of 5 per cent per annum over Barclays Bank base rate in force from time to time calculated on a daily basis on the outstanding sum from the due date to the actual date of payment. The Applicable Tribunal may order that a party's liability for costs be deducted from any other amounts which may be otherwise due to that party under the terms of any order of the Applicable Tribunal.

20 PUBLICATION AND CONFIDENTIALITY

20.1 Subject to Rule 20.2, any Applicable Tribunal shall be entitled to publish any judgment, decision or award.

20.2 Decisions of:

20.2.1 a Disciplinary Commission; and/or

20.2.2 the League Arbitration Panel in proceedings conducted pursuant to Regulations 96.2.1 to 96.2.3 inclusive and Regulation 96.2.5 (where The League is a party, but not otherwise),

shall, unless otherwise agreed between the parties, be published (subject to appropriate redaction to protect third party confidentiality).

20.3 In any event, copies of any judgment, decision or award of any Applicable Tribunal in proceedings to which The League is not a party must be provided to The League within 24 hours of the making of the order. Where The League considers, acting reasonably, that the terms of the judgment, decision or award are of general importance to Member Clubs, The League may produce an anonymised version and/or summary of such judgment, decision or award for distribution to Member Clubs.

20.4 All evidence given and any other elements of the case record (for example pleadings, documents, correspondence, statements and submissions) shall, subject to Rule 20.1, be confidential.

20.5 Each Club, Official and Player shall be treated as having consented to any publication and/or disclosure of any judgment, decision or award pursuant to this Rule 20.

21 INDEMNITY

21.1 Each Club acknowledges and agrees that a member an Applicable Tribunal shall not be liable for anything done or omitted in the discharge or purported discharge of their functions as a member of the Applicable Tribunal unless the act or omission is proven to have been in bad faith.

APPENDIX 3

OWNERS' AND DIRECTORS' TEST**INTRODUCTION**

The intention behind this Appendix 3 is to protect the image and integrity of The League and its competitions, the well-being of the Clubs, and the interests of all of the stakeholders in those Clubs, by preventing anyone who is subject to a 'Disqualifying Event' being involved in or influencing the management or administration of a Club.

More specifically, Appendix 3:

prohibits a person who is subject to a Disqualifying Event from becoming a 'Director' for any Club for so long as the Disqualifying Event subsists;

requires a person who was already a Director before the Disqualifying Event arose to stop being a Director for so long as the Disqualifying Event subsists;

requires each Club not to permit any person who is subject to a Disqualifying Event either to become a Director or (if they were already a Director before the Disqualifying Event arose) to continue to be a Director for the Club, for so long as the Disqualifying Event subsists unless permitted by an order of the League or the League Arbitration Panel; and

prohibits any person(s) from acquiring Control (as defined in Regulation 1) of the Club until such time as the information relating to source and sufficiency of funding has been provided and approved by The League.

Appendix 3 also imposes reporting requirements on Clubs and on persons who are or propose to be Directors of Clubs, to facilitate The League's policing and enforcement of these restrictions. For the avoidance of doubt persons applying under this test will become subject to the League's Regulations at the point of submission of the Declaration.

- 3.3.2 within five Working Days of receipt thereof the League shall advise the Club of the timeframe within which the League, acting reasonably, expects to be able to finalise its enquiries in respect of that Person (where the proposed Director is not someone acquiring Control, it is expected that the League will ordinarily be in a position to take this step within five Working Days of receipt of the Club's submission pursuant to paragraph 3.3.1);
- 3.3.3 following completion of those enquiries, the League will advise the Club whether or not the Person is liable to be disqualified as a Director under the provisions in paragraph 2, and if the Person is so liable the League will take the steps set out in paragraph 5; and
- 3.3.4 the Person shall not become a Director, and the Club may not permit them to do anything which brings them within the definition of a Director, until the Club has received confirmation from the League pursuant to paragraph 3.3.3 above that the Person is not liable to be disqualified as a Director under the provisions of paragraph 2.

 - 7.2.4 any other match conducted or controlled by The League and in which it would otherwise be eligible to compete.
- 7.3 For the purposes of the League Competition, the League shall have power to determine how the cancellation of a League Match caused by the suspension of one of the Clubs which should have participated in it shall be treated.
- 7.4 Upon being reasonably satisfied that the Director of the suspended Club has resigned or has been removed from office, the League shall have power to withdraw the suspension by giving to it notice in writing to that effect.

- 8.3 The only grounds upon which a Person or Club may appeal a disqualification notice are:

- 8.3.1 none of the Disqualifying Events or Potential Disqualifying Events set out in paragraph 2 apply;
 - 8.3.2 in respect of a Conviction of a court of foreign jurisdiction under paragraph 2.1.8, or a finding of the conduct referred to in paragraph 2.1.10 or a suspension or ban by a sport ruling body under paragraph 2.1.18, or a suspension, disqualification or striking-off by a professional body under paragraphs 2.1.19 or 2.1.20, or a finding of a breach of rule by a ruling body of football pursuant to paragraph 2.1.26(b), or a banning order received pursuant to the Football Spectators Act 1989 (or any like sanction pursuant to similar provisions in any other jurisdiction) under paragraph 2.1.8(c)(iii), there are compelling reasons why that particular Conviction, suspension, ban, finding, disqualification or striking-off, should not lead to disqualification; or
 - 8.3.3 the Disqualifying Event is a Conviction imposed between 19 August 2004 and 5 June 2009 for an offence which would not have led to disqualification as a Director under the paragraphs of the League as they applied during that period.
- 8.4 An appeal under the provisions of paragraph 8.2 shall lie to a League Arbitration Panel which shall hear the appeal as soon as reasonably practicable. The League Arbitration Panel shall be appointed in accordance with the provisions of Regulation 99.
 - 8.5 The chairperson of the League Arbitration Panel shall have regard to the procedures governing the procedural rules set out in Appendix 2 but, subject as aforesaid, shall have an overriding discretion as to the manner in which the appeal is conducted.
 - 8.6 On application of the Person or Club bringing the appeal, the League Arbitration Panel may stay implementation of the League's decision pending determination of the appeal, where the Person or Club (as applicable) satisfies it that such a stay is necessary to avoid undue prejudice.
 - 8.7 The Person or Club advancing the appeal shall have the burden of proving the complaint. The standard of proof shall be the balance of probabilities.
 - 8.8 The League Arbitration Panel shall make its decision unanimously or by majority. No member of the League Arbitration Panel may abstain.

 - 8.10 The League Arbitration Panel shall have the following powers:
 - 8.10.1 to allow the appeal in full;
 - 8.10.2 to reject the appeal;
 - 8.10.3 if it determines that a Disqualifying Event or Potential Disqualifying Event exists, to determine that the individual concerned should not be banned for that period during which they will remain subject to it and substitute such period as it shall reasonably determine, having regard to all of the circumstances of the case;
 - 8.10.4 to declare that no Disqualifying Event or Potential Disqualifying Event ever existed or that any Disqualifying Event has ceased to exist;
 - 8.10.5 to order the deposit to be forfeited to the League or to be repaid to the appellants Person or Club; and

- 8.10.6 to order the appellant Person or Club to pay or contribute to the costs of the appeal including the fees and expenses of members of the League Arbitration Panel.
- 8.11 Where a Person or Club does not appeal the disqualification notice, or where any appeal is unsuccessful, the Person may apply to a League Arbitration Panel for an order that their disqualification should be for a prescribed period (a '**Review Application**'). The League Arbitration Panel shall be appointed in accordance with the provisions of Regulation 99.
- 8.12 The Review Application:
- 8.12.1 must be sent to the League, together with a deposit of £1,500 (in the event an appeal and Review Application are made simultaneously, only one deposit of £1,500 is payable);
- 8.12.2 must set out the grounds on which it is brought;
- 8.12.3 shall be heard in accordance with paragraphs 8.4 to 8.9;
- 8.12.4 shall only be upheld if the Person bringing the Review Application satisfies the League Arbitration Panel that the period of disqualification would be disproportionate in light of the nature of that Disqualifying Event.
- 8.13 In respect of a Review Application, the League Arbitration Panel may:
- 8.13.1 uphold the Review Application and specify a shorter period of disqualification; or
- 8.13.2 reject the Review Application, such that the Person is to remain disqualified (in which case, the League Arbitration Panel may specify a period of time within which a further Review Application may not be made).
- 8.14 Decisions of an appeal tribunal of the Premier League in relation to any matters determined under Section F of Premier League Rules shall be binding on Clubs and their Directors when in the EFL, and decisions of a League Arbitration Panel under this Appendix shall remain binding on Clubs after their promotion or relegation from The League.

1.1 Capitalised Terms have the meanings ascribed to them in the Articles of Association and the Regulations of The League unless otherwise indicated below:

1.1.1 **Accounting Reference Period** means the period in respect of which Annual Accounts and Forecast Annual Accounts are prepared.

1.1.2 **Acquiring Registration Costs** means amounts paid and/or payable for the acquisition of a Relevant Player's registration, excluding any internal development or other costs. They include:

- (a) transfer/loan fees and realised conditional transfer amounts, including training compensation and solidarity contributions, paid and/or payable to another Club (or club) and/or third party to acquire the Relevant Player's registration;
- (b) any amount paid and/or payable to any Intermediary or other agent; and
- (c) other direct costs of acquiring the Relevant Player's registration e.g. transfer levy.

1.1.3 **Academy Player** means for the purpose of this Appendix 5 only, a male player (other than an Amateur Player or a Trialist) who is in an age group between Under 9 to Under 21 and who is registered for and who is coached by or plays football for or at a Club which operates an Academy pursuant to the Youth Development Rules save for any Player who has made 10 or more starting appearances for:

- (a) any Club in the following competitions:
 - (i) the Championship division of the League Competition;
 - (ii) the Premier League Competition;
 - (iii) any first team club competition organised by UEFA;
 - (iv) any other equivalent professional domestic league to the Championship division of the League Competition or Premier League Competition or first team Cup competition organised by a national association sanctioned by or affiliated to UEFA and/or FIFA (by way of example, Scottish Premiership, Ligue 1, Serie A and La Liga); and/or
- (b) any other League Match for the Club.

1.1.4 **Adjusted Earnings Before Tax** means Earnings Before Tax adjusted to exclude:

- (a) costs (or estimated costs as the case may be) in respect of the following:
 - (i) depreciation and/or impairment of tangible fixed assets (net of any capital grants);
 - (ii) amortisation or impairment of goodwill and other intangible assets (but excluding amortisation and/or impairment of the costs of players' registrations);
 - (iii) Women's Football Expenditure;
 - (iv) Youth Development Expenditure;
 - (v) Community Development Expenditure;
 - (vi) in respect of Season 2024/25 a Cost of Living Allowance of £2,500,000; and
- (b) with effect from, and including the Accounting Reference Period covering Season 2021/22, profit/loss on disposal of any tangible fixed asset. With effect from Season 2023/24, this includes any profit/loss that may be derived directly or indirectly or for the disposal of any intangible asset (directly or indirectly) where its value derives materially from the ownership of a tangible asset.

Guidance

As Clubs have agreed that the sale of fixed assets should not help Clubs meet the requirements of these Rules, the language should be updated to reflect the fact that this could be achieved via, for example, sales of shares in companies which control fixed assets. By adding in the element of directly or indirectly, it makes clear that such amounts cannot aid Club compliance with these Rules.

Covid-19 Costs in relation to Season 2021/22 will remain applicable to P&S Calculations submitted in March 2024, but not subsequent Seasons.

Each of Youth Development Expenditure, Women's Football Expenditure and Community Development Expenditure shall only be excluded from the calculation of Adjusted Earnings Before Tax if separately disclosed:

- (i) by way of notes to the Annual Accounts and Forecast Annual Accounts; or
- (ii) by way of supplementary information which:
 - 1) has been identified and calculated in accordance with such guidance as issued by The League;
 - 2) reconciles to the Annual Accounts and Forecast Annual Accounts; and
 - 3) has been subject to independent audit.

1.1.5 Annual Accounts means:

- (a) the accounts which each Club's Directors are required to prepare pursuant to section 394 of the 2006 Act; or
- (b) if the Club considers it appropriate or The League so requests, the group accounts of the Group of which the Club is a member and which it is required to prepare pursuant to section 399 of the 2006 Act, or

which it is required to deliver to the Registrar of Companies pursuant to section 400(2)(e) or section 401(2)(f) of the 2006 Act,

provided that in either case the accounts are prepared to an accounting reference date (as defined in section 391 of the 2006 Act) which falls between 31 May and 31 July inclusive. If the accounting reference date falls at any other time, separate accounts for the Club or the Group as appropriate must be prepared for a period of twelve months ending on a date between 31 May and 31 July inclusive, and in such a case “Annual Accounts” means those accounts.

Annual Accounts must be prepared and audited in accordance with all legal and regulatory requirements applicable to accounts prepared pursuant to Section 394 of the 2006 Act and the provisions of Annex 3 (Reporting Requirements in relation to Player registrations).

- 1.1.6 **Associated Party Transaction** means any transaction, whether directly or indirectly, between a Club and an Associated Party. In considering whether a transaction is an Associated Party Transaction, The League will direct its attention to the substance of the transaction and not merely the legal form.

Guidance

If the accounting standards applied by the Club do not require the Club to disclose Associated Party Transactions within the notes to the Annual Accounts, the transactions should be detailed in a separate schedule and submitted to The League.

- 1.1.7 **Cash Losses** means aggregate Adjusted Earnings Before Tax after write back of:

- (a) COVID-19 Costs; and
- (b) amortisation and/or impairment of Players’ registrations; and
- (c) profit or loss on the transfer of Players’ registrations; and
- (d) inclusion of net cash flow in respect of transfers of Players’ registrations.

Guidance

Covid-19 Costs have the effect of reducing losses for the purposes of ‘Adjusted Earnings Before Tax’ but that relates only to compliance (or otherwise) with P&S Rules. Clubs will still require such losses to be funded by way of a Secure Funding Agreement when losses exceed the Lower Loss Threshold.

This amendment therefore ensures that obligation applies with effect from the current Season. Clubs that wish to add-back Covid-19 Costs for prior Seasons based on the proposed updated definition of Covid-19 Costs may be required to provide evidence of injections of Secured Funding up to and including T, acknowledging the updated Cash Losses definition.

- 1.1.8 **Community Development Expenditure** means:

- (a) net expenditure by a Club directly attributable to activities (whether in the United Kingdom or abroad) for the public benefit to promote participation in sport and advance social development; and
- (b) donations made by the Club:

- (i) to United Kingdom charities in a form recognised by such charities; and/or
 - (ii) for foreign charitable purposes in a form which (had the donations been made to registered United Kingdom charities) would have been recognised as charitable.
- 1.1.9 **Cost of Living Allowance** means, subject to Rule 1.1.4(a)(vi), an allowance for increased costs due to inflation;
- 1.1.10 **Earnings Before Tax** means profit or loss before tax, as shown in the Annual Accounts and/or Forecast Annual Accounts.
- 1.1.11 **Fair Market Value** means the amount for which an asset could be sold, licensed or exchanged, a liability settled, or a service provided, between knowledgeable, willing parties in an arm's length transaction.
- 1.1.12 **Forecast Annual Accounts** has the meaning set out in Rule 2.4.2.
- 1.1.13 **Group** for the purposes of these Rules, has the meaning set out in Section 474(1) of the 2006 Act save that it shall also include any other entity that carries on any material aspect of the football operations of the Club.
- 1.1.14 **Loss Limit Requirement** means the requirement to ensure that the Adjusted Earnings Before Tax for each Relevant Period does not exceed the Upper Loss Threshold applicable to that Club;
- 1.1.15 **P&S Calculation** means, save as indicated below, the aggregation of a Club's Adjusted Earnings Before Tax for T, T-1 and T-2.
- 1.1.16 **Player Registration Schedule** means a table (in such a format which shall be agreed by The League with each Club from time to time) which provides such information which is required to be disclosed in accordance with Annex 2 of this Appendix 5.
- 1.1.17 **Premier League Competition** means the annual league competition for Premier League clubs organised by the Premier League.
- 1.1.18 **Relevant Period** means any time during the period covered by the P&S Calculation.
- 1.1.19 **Relevant Player** means:
 - (a) all Players whose registration is held by the Club at any time during the Relevant Period; and
 - (b) all Players in respect of whom some income/expense/profit (or loss) has been recognised at some point in time in the Relevant Period.
- 1.1.20 **Secure Funding** means funds which have been or will be made available to the Club in an amount equal to or in excess of any Cash Losses which the Club has made in respect of the period from T-2 or is forecast to make up to the end of T+2. Secure Funding may not be a loan and shall consist of:
 - (a) contributions that an equity participant has made by way of payments for shares through the Club's share capital account or share premium reserve account; or
 - (b) an irrevocable commitment by an equity participant to make future payments for shares through the Club's share capital account or share premium reserve account. This irrevocable commitment shall be

evidenced by a legally binding agreement between the Club and the equity participant and may if The League so requires be secured by one of the following:

- (i) a personal guarantee from the ultimate beneficial owner of the Club, provided that The League is satisfied that:
 - 1) they are of sufficient standing; and
 - 2) the terms of the guarantee are satisfactory;
 - (ii) a guarantee from the Club's Parent Undertaking or another company in the Club's Group, provided that The League is satisfied that:
 - 1) the guaranteeing company is of sufficient standing; and
 - 2) the terms of the guarantee are satisfactory;
 - (iii) a letter of credit from a Financial Institution of sufficient standing and an undertaking from the Club's Directors to The League to call on the letter of credit in default of the payments from the equity participant being made;
 - (iv) payments into an escrow account, to be paid to the Club on terms satisfactory to The League; or
 - (v) such other form of security as The League considers satisfactory; or
- (c) such other form of secure funding as The League considers satisfactory.

1.1.21 **T** means the Club's Accounting Reference Period ending in the year in which assessment pursuant to Rules 2.2 to 2.15 takes place, and:

- (a) **T-1** means the Club's Accounting Reference Period immediately preceding T;
- (b) **T-2** means the Club's Accounting Reference Period immediately preceding T-1;
- (c) **T+1** means the Club's Accounting Reference Period immediately following T; and
- (d) **T+2** means the Club's Accounting Reference Period immediately following T+1.

1.1.22 **Women's Football Expenditure** means expenditure by a Club directly attributable to activities to train, educate and develop players involved in women's football teams (including, for the avoidance of doubt, such activities as they relate to female players under the age of 18);

1.1.23 **Youth Development Expenditure** means expenditure by a Club directly attributable to activities to train, educate and develop Academy Players net of any youth development grant income received by the Club from any of the football governing bodies. Acquisition Registration Costs of an Academy Player cannot be included as Youth Development Expenditure.

2 PROFITABILITY AND SUSTAINABILITY

2.1 Each Club must ensure that it complies with the Loss Limit Requirement.

- 2.2 Notwithstanding the provisions of Regulation 16.2.1, each Club (including a Promoted Championship Club and any Club relegated into League One) shall submit to The League no later than the 31 December copies of its Annual Accounts for T-1 (and T-2 if these have not previously been submitted to The League) together with copies of the Directors' report(s) and auditor's report(s) and agreed upon procedures (where relevant), on those Annual Accounts.

Guidance

For example, by 31 December 2024 each Club (including any Club promoted to the Premier League or relegated into League One at the end of Season 2023/24) must submit to the League the Annual Accounts for financial year 2023/24.

- 2.3 Each Club promoted or relegated into the Championship shall by 30 June immediately following the promotion or relegation submit to the League the following:
- 2.3.1 a copy of the Player Registration Schedule which would have been provided as at 1 March had it been in the Championship;
- 2.3.2 in the case of a Club promoted to the Championship, Forecast Annual Accounts for the Accounting Reference Period in which promotion / relegation (as applicable) occurred together with:
- (a) a calculation of Earnings Before Tax; and
- (b) a calculation of the Adjusted Earnings Before Tax, for the Accounting Reference Period relating to the Season of promotion (i.e. its last in League One) and the Season prior to that Season, in such format as a prescribed by the League.
- 2.3.3 In the case of a Club relegated to the Championship:
- (a) updated Forecast Annual Accounts for the Accounting Reference Period in which relegation occurred;
- (b) copies of all information submitted to the Premier League in the year of relegation (i.e. its last in the Premier League) pursuant to Section E of the Rules of the Premier League (as amended from time to time) including by way of example and without limitation:
- (i) all versions of the estimated profit and loss account for the Accounting Reference Period;
- (ii) all versions of its calculation of its Adjusted Earnings Before Tax;
- (iii) any details on the assessment of any Associated Party Transactions; and
- (iv) copies of all correspondence with the Premier League relating thereto, relating to the Season in which the relegation occurred.
- 2.4 Each Club shall by 1 March in each Season submit to The League:
- 2.4.1 a Player Registration Schedule;
- 2.4.2 its estimated profit and loss account and balance sheet for T which shall:
- (a) be prepared in all material respects in a format similar to the Club's Annual Accounts; and

SECTION SIX | EFL REGULATIONS

- (b) be based on the latest information available to the Club and be, to the best of the Club's knowledge and belief, an accurate estimate as at the time of preparation of future financial performance;

(the **'Forecast Annual Accounts'**)

- (c) if Rule 2.9 applies to the Club its P&S Calculation in a form approved by The League from time to time and which as at the date of these Rules is set out in Annex 1; and

2.4.3 full details of each and any Associated Party Transaction.

Guidance

The League will in due course consider the Annual Accounts for the Accounting Reference Period in respect of which information pursuant to Rule 2.4.2 is submitted and in particular examine whether any material variances indicate that the estimated financial information was not prepared in accordance with Rule 2.4.2(b).

The definition of Forecast Annual Accounts was added in May 2024. For clarity, the EFL's assessment of the Club's compliance with P&S Rules will continue to be based on the Annual Accounts for T-2 and T-1 together with the estimated profit and loss account and balance sheet for T filed in March of T as per the P&S Rules prior to May 2024.

- 2.5 Each Club shall by 15 October in each Season submit a Player Registration Schedule based on existing registrations as at the 30 September in that Season.
- 2.6 The League shall determine whether consideration included in the Club's Earnings Before Tax arising from an Associated Party Transaction is recorded in the Club's Annual Accounts and/or Forecast Annual Accounts at a Fair Market Value. If it is not, The League shall restate it to Fair Market Value.
- 2.7 The Club will indemnify The League for any associated costs incurred by The League when assessing whether an Associated Party Transaction is recorded at Fair Market Value (including but not limited to costs incurred by instructing a third party to provide a valuation).

Guidance

The League will likely only require an independent fair market valuation where it disagrees with the valuation provided by the Club.

- 2.8 The League shall not exercise its power set out in Rule 2.6 without first having given the Club reasonable opportunity to make submissions as to:
 - 2.8.1 whether the said consideration should be restated; and/or
 - 2.8.2 what constitutes its Fair Market Value.
- 2.9 If the aggregation of a Club's Earnings Before Tax for T-1 and T-2 results in a loss, any consideration from Associated Party Transactions having been adjusted (if appropriate) pursuant to Rule 2.6, then the Club must submit to the Secretary its P&S Calculation.
- 2.10 If the P&S Calculation results in a loss of up to the Lower Loss Threshold (calculated in accordance with Rule 3), then The League shall determine whether the Club will, until the end of T+1, be able to fulfil its obligations as set out in Regulation 16.20.8(a) to 16.20.8(d).

- 2.11 Where The League determines, in its reasonable opinion and having considered any information provided to it by the Club, that the Club may not be able to fulfil its obligations as set out in Regulations 16.20.8, The League shall have the powers set out in Regulation 16.21.
- 2.12 If the P&S Calculation results in a loss that exceeds the Lower Loss Threshold, then the following shall apply:
- 2.12.1 the Club shall provide, by 31 March in the relevant Season, Future Financial Information to cover the period commencing from its last accounting reference date (as defined in section 391 of the 2006 Act) until the end of T+2 and a calculation of estimated aggregated Adjusted Earnings Before Tax until the end of T+2 based on that Future Financial Information;
 - 2.12.2 the Club shall provide such evidence of Secure Funding as The League considers sufficient; and
 - 2.12.3 if the Club is unable to provide evidence of Secure Funding as set out in Rule 2.12.2, The League shall have the powers set out in Regulation 16.21.
- 2.13 Where The League determines, in its reasonable opinion and having considered any information provided to it by a Club and/or any information available to it, including without limitation information provided under Regulation 16 and/or this Appendix 5, that a Club is likely to breach the Upper Loss Threshold in:
- 2.13.1 the Club's current Accounting Reference Period ('**ARP**');
 - 2.13.2 the Club's Accounting Reference Period immediately following ARP ('**ARP+1**'); and/or
 - 2.13.3 the Club's Accounting Reference Period immediately following ARP+1 ('**ARP+2**'),

then The League shall have the powers set out in Regulation 16.21. For the avoidance of doubt, this Rule and the associated powers are applicable to all Championship Clubs at all times, regardless as to divisional status in prior years.

Guidance

General: *Where the League considers, acting reasonably, and after consideration of any information available to it by whatever means, that a Club is at risk of breaching the Upper Loss Threshold (for example where the Club is reliant on future player sales to avoid a breach) in ARP, ARP+1 and/or ARP+2, the League will consider whether it is necessary to require the Club to operate in accordance with the terms of a business plan.*

The business plan could include, by way of example, requirements relating to player acquisitions, disposals, reduction in player costs (i.e. wages) and, where the Club thinks it is achievable, uplifts in revenue) to bring the Club back into compliance with the Upper Loss Threshold for ARP, ARP+1 and/or ARP+2.

The League recognises that in relation to ARP+2 being in the future it could be difficult for Clubs and the League to accurately forecast for the purpose of P&S and the potential exercise of these powers needs to be considered in that context.

The purpose of this Rule is to give Clubs and The League the opportunity to work together to develop the terms of a business plan which will include remedial measures to allow the Club to bring itself back into compliance with these Rules.

The following paragraphs summarise the League's general approach.

Risk of Breach in ARP: *The League will likely take immediate action under Rule 2.13 to try to bring the Club back into compliance with the Upper Loss Threshold as soon as possible.*

The League will require the Club to submit, agree and adhere to a business plan which would avoid a breach of the Upper Loss Threshold in ARP. The League will monitor the Club's compliance with the business plan and act as appropriate. This business plan could include, by way of example, requirements relating to player disposals and associated reduction in player costs (i.e. wages).

The League may refuse the application for the registration of any new player or contract in circumstances where the registration of any such new player or contract is not provided for in the business plan. If a Club wishes to complete a player transaction which is not provided for in the business plan, it should raise the matter as soon as possible with the League.

Risk of Breach in ARP+1: *The Club will be required to submit, agree and adhere to a business plan which would avoid a breach of the Upper Loss Threshold in ARP+1. The League will monitor the Club's compliance with the business plan and take actions as appropriate.*

If the Club is not complying with the business plan (including actioning the remedial measures contained within it) then The League will then consider utilising the more restrictive powers available to it such as refusing the application for the registration of any new player or contract, until the Club can demonstrate that it is complying with the business plan.

Risk of Breach in ARP+2: *The general approach will usually be to request further information in order to gain comfort that the Club has the necessary plans in place to work towards compliance but the League reserves the right to utilise the more restrictive powers afforded to it if circumstances (for example, risk of breach is high and/or quantum of breach is material) deems this necessary. The League will reassess the Club's position continuously based on the updated results posted as part of the usual March submission process and any further information provided by the Club to the League from time to time.*

Clubs will note that this guidance sets out a general approach and that the League will need to determine each set of circumstances based on the merits (including where there is an identified risk of breaching in ARP, ARP+1 and/or ARP+2) whilst also ensuring that all Clubs are treated consistently. This may lead to the League diverging from its general approach where it is appropriate to do so and nothing in this guidance will affect the League's right to do so.

- 2.14 The CFRU shall submit copies of all P&S Calculations and supporting documents to the CFRP within 10 days of receipt.
- 2.15 If the P&S Calculation results in a loss that exceeds the Upper Loss Threshold (calculated in accordance with Rule 3) then:
 - 2.15.1 the Club shall be subject to a Player registration embargo such that The League shall have the right to refuse any application made by that Club to register any Player or any new contract of an existing Player with that Club;
 - 2.15.2 the League may exercise its powers set out in Regulation 16.21; and

- 2.15.3 the Club shall be treated as being in breach of these Rules and accordingly the CFRU shall refer the breach to the CFRP in accordance with Appendix 6 of the Regulations.
- 2.16 The CFRU shall submit copies of all P&S Calculations (after any adjustments performed by the CFRU, together with any reasons for those adjustments), to the CFRP.
- 2.17 Without prejudice to any right of a Club to have a decision of the CFRU reviewed, under these Rules the CFRP shall have the right to conduct a review into any determination of the CFRU made under these Rules (and for the purposes of Appendix 6, this power shall be referred to as a '**Call-in Review**').

3 LOSS THRESHOLDS

- 3.1 The Lower Loss Threshold and Upper Loss Threshold for each Club shall be calculated based on the aggregation of the Annual Lower Loss Thresholds and Annual Upper Loss Thresholds set out in the following table, by reference to the league of which the Club was a member in the Season covered by the applicable Accounting Reference Period:

	Annual Lower Loss Threshold	Annual Upper Loss Threshold
Premier League	Subject to Rule 3.2, £5 million	Subject to Rule 3.2, £35 million
The League	Subject to Rule 3.3, £5 million	Subject to Rule 3.3, £13 million

Guidance

By way of example a Club that was a member of The League in 2021/22, the Premier League in 2022/23 and The League in 2023/24, will have:

- (a) *a Lower Loss Threshold of £15m; and*
- (b) *an Upper Loss Threshold of £61m (using the figures set out in Rule 3.1).*
- 3.2 The Loss Thresholds for any Accounting Reference Periods relating to Seasons when Clubs were members of the Premier League shall be calculated on the basis of the three year aggregated figures set out in Premier League Rules E.49 to E.51 respectively (as amended, extended or replaced from time to time in accordance with the Rules of the Premier League) divided into three equal annual instalments.
- 3.3 Where there is an adjustment to the Premier League's Annual Lower Loss Threshold and/or Annual Upper Loss Threshold, as described in Rule 3.2, then The League's Annual Lower Loss Threshold and/or Annual Upper Loss Threshold for the equivalent period shall be adjusted by a percentage equal to the percentage change applied by the Premier League.

Guidance

By way of example, if for Season 2022/23 the Premier League introduce an Annual Lower Threshold of £6m and an Annual Upper Threshold of £36m then the Thresholds for The League in that Season will be £6m and £13.37m. For ease, threshold figures will be rounded up to the nearest £10,000.

4 DUTY OF DISCLOSURE

- 4.1 The League may require a Club to provide such further information as The League deems necessary (acting reasonably) for the purposes of enabling The League to assess whether a Club has met (as applicable) the Profitability and Sustainability Rules or not. By way of example, and without limitation, additional information may be requested where:
- 4.1.1 any submission is incomplete;
 - 4.1.2 there are insufficient assumptions; or
 - 4.1.3 additional evidence is required to support certain assumptions.
- 4.2 Any such request shall be made in writing (including by email to the Finance Director or equivalent) and shall be responded to in full within 5 Normal Working Days of any such request being made.
- 4.3 Without prejudice to the right of The League to refer any breach of rules to the Disciplinary Commission in accordance with section 8 of the Regulations, where any Club is in breach of any requirement of these Rules relating to the provision of information, The League may refuse any application by that Club to register any Player or any new contract of an existing Player of that Club.
- 4.4 Each Club shall, at all times and in all matters within the scope of these Rules, behave with the utmost good faith both towards The League and the other Clubs (provided always that only The League shall have the right to bring any action whatsoever for any alleged breach of this requirement). Without prejudice to the generality of the foregoing, Clubs shall not manage their affairs or submit information which is intended to seek to or take any unfair advantage in relation to the assessment of fulfilment (or non-fulfilment) of the requirements of the Rules.

5 CLUBS CEASING TO BE MEMBERS OF THE CHAMPIONSHIP

- 5.1 If a Club is promoted or relegated out of the Championship Division that Club shall, notwithstanding promotion or relegation, remain bound by these as if it were still a Championship Club, until such time as it has complied with all of its obligations relating to its last Season as a Championship Club.

6 REVIEW APPLICATIONS

- 6.1 Where in these Rules there is any reference to The League making a determination, including by way of example and without limitation:
- 6.1.1 assessment of Secured Funding; and
 - 6.1.2 determinations by The League in accordance with Rule 2,
- the Club shall subject to the provisions of Appendix 6, Rules 6.2 and 6.3 have a right to have such decision reviewed by the CFRP in accordance with Appendix 6 of the Regulations (a '**Review Application**').

7 CONFIDENTIALITY

- 7.1 Information provided by a Club to the CFRU in accordance with these Rules shall only be made available to such members of The League as are required to know such information in order to fulfil their duties to The League (and who are bound by obligations of confidentiality as part of their contract of employment).
- 7.2 Notwithstanding the provisions of Rule 7.1, the CFRU is expressly permitted to make available to the Premier League any and all information received by the League in

relation to any Club that becomes a Promoted Club to enable the Premier League to exercise its rights under Regulations 87.4 and 87.6**Error! Reference source not found.** This Rule will take precedence over any purported attempt by a Club to disclose information to the League on a private or confidential basis.

 - 2.1.6 Acquiring Registration Costs;
 - 2.1.7 accumulated amortisation brought forward and as at the end of the Accounting Reference Period;
 - 2.1.8 expense/amortisation in the Accounting Reference Period;
 - 2.1.9 impairment cost in the Accounting Reference Period;
 - 2.1.10 disposals (cost and accumulated amortisation);
 - 2.1.11 net book value (carrying amount);
 - 2.1.12 profit/(loss) from disposal of Player's registration; and
 - 2.1.13 sell-on rights (or similar), description and (if possible) quantification of any sell-on rights to a football club that formerly held the Player's registration, excluding training compensation and/or solidarity contributions.
- 3 The aggregate figures in the Player Registration Schedule to be submitted on 1 March must reconcile to the relevant figures in the balance sheet and profit and loss account in the Annual Accounts, Forecast Annual Accounts and Future Financial Information on a brought forward and carried forward basis. The Player Registration Schedule does not need to be disclosed within the Annual Accounts.
- 4 If a Club has restated Relevant Player accounting figures to meet the accounting requirements of this Annex 2, the Club must provide to The League such additional information as The League requires to enable The League to reconcile those figures to the Annual Accounts.

ANNEX 3

REPORT REQUIREMENTS IN RELATION TO PLAYER REGISTRATIONS

1 ACQUISITION

- 1.1 Clubs must capitalise the costs of acquiring a Player's registration as an intangible asset and must apply certain minimum accounting requirements as follows:
- 1.1.1 The acquisition of a Player's registration must be first recognised in the Annual Accounts when all significant conditions for the registration of the Player have been satisfied, i.e. it is effectively unconditional, which means that there must be a legally binding agreement between the two clubs (or other arrangement as approved in accordance with Regulation 50.2) and between the acquiring club and the Player.
- 1.1.2 Only Acquiring Registration Costs can be capitalised. For accounting purposes, the carrying value of an individual Player must not be revalued upwards, even though Officials may believe market value is higher than carrying value. In addition, whilst it is acknowledged that a Club may be able to generate some value from the use and/or transfer of locally trained Players, for accounting purposes costs relating to a Club's own Academy must not be included in the balance sheet – as only the cost of Players purchased is to be capitalised.
- 1.1.3 All forms of consideration to and/or for the benefit of Players (such as sign-on fees) must be treated as employee benefits expenses and not costs of acquiring a Player's registration.
- 1.1.4 Finance costs arising in respect of borrowings are treated as finance costs and are not costs of acquiring a Player's registration even if the borrowings were obtained to help finance the acquisition of Player registrations.
- 1.1.5 Amortisation must begin when the Player's registration is acquired. Amortisation ceases when the asset is fully amortised or derecognised (i.e. the registration is considered as being permanently transferred to another Club or club or the Player is no longer registered with the relevant Club, whichever comes first).
- 1.1.6 In respect of each individual Player's registration, the depreciable amount must be allocated on a straight-line basis equally over its useful life down to zero. Clubs may not use non-zero residual values or expected value of future sale.
- 1.1.7 Capitalised Player values must be reviewed each year by Club Officials for impairment. If the recoverable amount for the capitalised playing squad is lower than the carrying amount on the balance sheet, the carrying amount of the capitalised playing squad must be adjusted to the recoverable amount and the adjustment charged to the profit and loss account as an impairment cost.

2 RENEWAL

- 2.1 If the period of a Player's contract with the Club is extended or renewed, then the intangible asset carrying value of the Player's registration (if any) plus any additional directly attributable contract negotiation costs (e.g. agent/intermediary fees) are to be amortised equally over the extended period of the Player's contract or over the remaining period of the original contract.

3 IMPAIRMENT

- 3.1 In exceptional circumstances when it becomes clear by the end of the Accounting Reference Period that a Player will not be able to play again with the Club, for example if he suffers a career-threatening injury or he is permanently unable to play professional football, then the net book value of the Player's registration on the balance sheet must be fully impaired in that Accounting Reference Period. In this regard, future wages of Players suffering from a career-threatening injury or he is permanently unable to play professional football must continue to be recognised as employee benefits expenses throughout the duration of the Player's contract.

Guidance

Where a Player has suffered a career-threatening injury but remains contracted to the Club via a Standard Contract, the Club may recognise the employee benefits expenses in accordance with the Standard Contract for the purpose of the P&S Rules even if the Club is required to make a provision for the full employee benefits expenses of the Standard Contract immediately due to it being deemed an onerous contract.

- 3.2 The following events do not represent a cause for recognising impairment loss:
- 3.2.1 a Player suffers an injury in a Relevant Period and is temporarily unable to play professional football with the Club; or
- 3.2.2 a Player suffers a decline in fitness or ability and is not selected for participation in first-team matches.

4 DISPOSAL

- 4.1 The profit/(loss) on:
- 4.1.1 the disposal of a Player's registration to another Club or club; or
- 4.1.2 the cancellation of the Player's registration prior to its expiry,
- to be recognised in the profit and loss account is the difference between the disposal proceeds (net of any sales costs) and the residual carrying value of the Player's registration in the balance sheet as at the date of the transfer or cancellation.
- 4.2 Subject to paragraph 4.3, the disposal of a Player's registration must be recognised in the Club's financial statements when all significant conditions for the transfer or cancellation to take place have been satisfied, i.e. it is effectively unconditional, and the risks and rewards have been transferred.
- 4.3 If the Club is committed to permanently transfer the registration of a Player and the transfer occurs just after the Accounting Reference Period (e.g. during the relevant summer transfer window), then the net book value of the Player's registration on the balance sheet can be impaired if the disposal proceeds for the permanent transfer of the Player's registration to the new club is lower than his net book value. The accounting principle must be disclosed in the Annual Accounts and must be applied consistently from one Accounting Reference Period to another.

PART 2 – LEAGUE ONE SALARY COST MANAGEMENT PROTOCOL (SCMP) GUIDANCE NOTES

1 SCMP REQUIREMENT

- 1.1 All League One Clubs (hereafter Clubs or Club) are required to meet the SCMP Requirement (as defined in Note 1.2) for each Reporting Period (as defined in Note 1.3).
- 1.2 The SCMP Requirement is a measure whereby a Club's Player Related Expenditure (as defined in Appendix B) shall not exceed the sum of:
 - 1.2.1 60% of the Club's Relevant Turnover (as defined in Paragraph 1 of Appendix A) for the Reporting Period, plus
 - 1.2.2 100% of the club's Football Fortune Income (as defined in Paragraph 2 of Appendix A) for the Reporting Period.
- 1.3 The Reporting Period in respect of which a Club is assessed for the purpose of the SCMP Requirement is (subject to Note 2) the 12-month period recorded in the Club's Annual Accounts.

Guidance

For those Clubs with a financial year ending in the period May, June or July in any year the Reporting Period for the 20xx/yy Season is the 12 month period ending May, June or July 20yy.

- 1.4 Measurement of a Club's compliance with the SCMP Requirement is based on the submission by the Club of the Pre-Season SCMP Submission and Mid-Season SCMP Submission (each as defined in Note 3 below) (together the SCMP Submissions).

2 VARIATIONS FROM 'STANDARD' REPORTING PERIODS

- 2.1 Clubs may not adjust Reporting Periods for subsequent Seasons without the prior written consent of The League (acting via the CFRU), such consent not to be unreasonably withheld.
- 2.2 If any Club has a financial year ending other than during the period May, June or July, then that Club must prepare its SCMP Submissions for a 12-month period ending on 30 June so as to provide the CFRU with an SCMP Submission aligned to the Reporting Period as defined in Note 1.3.
- 2.3 If any Club has a financial year end other than in June, then that Club may opt to prepare its SCMP Submission for a 12-month period ending June so as to provide the CFRU with an SCMP Submission aligned to Player Contracts.

3 SCMP SUBMISSIONS

- 3.1 By 16 June each year, each Club must submit its Pre-Season SCMP Submission for the immediately following Reporting Period. The Pre-Season SCMP Submission will be in the form of an Excel workbook setting out the information required therein (and including the requirements set out in Note 5 below) and will be in such format as The League (acting via the CFRU) may prescribe from time to time. For the current Season this requires submission of the following Worksheets:

- 3.2 For the avoidance of doubt, the Pre-Season SCMP Submission must be supplied notwithstanding the fact that during the preceding Season the Club was either a Championship Club relegated into League One (Former Championship Club) or a League Two Club which was then promoted into League One (Promoted League Two Club).
- 3.3 By 1 December each year, each Club must submit its Mid-Season SCMP Submission for the current Reporting Period. The Mid-Season SCMP Submission will be in the form of an Excel workbook setting out the information required therein (and including the requirements set out in Note 6 below) and will be in such format as The League (acting via the CFRU) may prescribe from time to time. - 3.4 The SCMP Submission must relate to the Club or if applicable and agreed with The League (acting via the CFRU) (as detailed in Regulation 16.5), the Group of which the Club is a member.
- 3.5 All SCMP Submissions must be sent to the CFRU by e-mail. In the event that an e-mail submission is not possible, the SCMP Submission should be posted to the Office so as to arrive not later than the relevant deadlines set out in this Note 3.

4 DUTY OF DISCLOSURE

- 4.1 The League (acting via the CFRU) may at any time require a Club to provide such further information as The League (acting via the CFRU) deems necessary (acting reasonably) for the purposes of enabling The League (acting via the CFRU) to assess whether a Club has fulfilled (or not) the SCMP Requirement. By way of example, and without limitation, additional information may be requested where:
 - 4.1.1 any SCMP Submission is incomplete;
 - 4.1.2 there are insufficient assumptions; or
 - 4.1.3 additional evidence is required to support certain assumptions.
- 4.2 Any such request shall be made in writing (including by email from CFRU) and shall be responded to in full within 5 Normal Working Days of any such request being made.
- 4.3 Each Club shall, at all times and in all matters within the scope of these Guidance Notes, behave with the utmost good faith both towards The League and the other Clubs

(provided always that only The League (acting via the CFRU) shall have the right to bring any action whatsoever for any alleged breach of this requirement). Without prejudice to the generality of the foregoing, Clubs shall not manage their affairs or submit a SCMP Submission which is intended to seek to or does take any unfair advantage in relation to the assessment of fulfilment (or non-fulfilment) of the SCMP Requirement.

Nothing in this Note 9.2 discharges the Club of any obligation under Note 9.1.
- 9.3 Where:
- 9.3.1 the Club serves Notification; and/or

- 11.1 If a Club becomes aware, or if a Club is informed by The League (acting via the CFRU) that, the Player Related Expenditure of that Club exceeds, or is likely to exceed (having regard to all the circumstances including for the avoidance of doubt the Player Related Expenditure in respect of any Proposed Registration (as defined below)) the Additional Reporting Threshold, then that Club will be subject to the requirements of this Note 11 (a **'Threshold Club'**).

- *1 June 2022 - £10k – captured in SCMP for Season 2021/22*
- *1 January 2023 - £10k – captured in SCMP for Season 2022/23*
- *1 June 2023 - £10k – captured in SCMP for Season 2022/23*

If the Club entered into a similar transaction on 1 June 2022, paragraph 2.4.2 applies and it would be treated as follows for SCMP:

- *1 June 2022 - £10k – captured in SCMP for Season 2022/23*
- *1 January 2023 - £10k – captured in SCMP for Season 2022/23*
- *1 June 2023 - £10k – captured in SCMP for Season 2023/24*
- *1 January 2024 - £10k – captured in SCMP for Season 2023/24*
- *1 June 2024 - £10k – captured in SCMP for Season 2024/25*

In the event that a Club was contracted to receive a payment on 1 May 2023 but was paid on 30 April 2023, the Club would be required to include this in Season 2023/24's SCMP Submission.

Note that any variations to contracts to which 2.4.1 applies which take place after 6 May 2022 will be treated in accordance with 2.4.2.

- 2.8 Donations – Donations from independently run lotteries, PFA contributions for Private Medical Insurance, small gifts from benefactors, donations towards Player salary costs, payment for taxation losses etc. are allowable. Significant donations must be evidenced by a bank receipt or statement to show funds have been credited to the Club's bank account before being included in the Club's SCMP Submission, a signed Letter (in the format required by The League from time to time and which as at the date of these Rules, is as set out in Appendix D) must be received by The League to confirm that there is no interest linked to the donation or any requirement for future repayment of the donation by the Club.
- 2.9 Cash Injections – Before being included in the Club's SCMP Submission, significant cash injections from companies or benefactors must be evidenced by a bank receipt or statement to show funds have been credited to the Club's bank account and a signed Letter (in the format required by The League from time to time and which as at the date of these Rules, is as set out in Appendix D) must be received by The League to confirm that there is no interest linked to the cash injection or any requirement for future repayment by the Club of the cash injection.

- 2.10 Equity Injections – Only include non-redeemable Equity investments received in the relevant Reporting Period. The conversion to Equity of any debt; and/or writing off of any debt, where such debt was created in any prior Reporting Period, does not constitute a form of revenue as no cash injection is provided to the Club to finance wages in the current Reporting Period. Further, any linked transactions whereby loans are repaid followed by an injection of cash in exchange for Equity, will not be allowed. Before being included in the Club's SCMP Submission, any injection of cash as Equity must be evidenced by a bank receipt or statement to show funds have been credited to the Club's bank account, and a copy of the signed Companies House forms confirming the issue of new share capital must also be received by The League.
- 2.10A Paragraphs 2.8, 2.9 and 2.10 and Appendix D were amended with effect from the 28 August 2024. For the purposes of this paragraph 2.10A, the following terms shall apply:
- a) Old Appendix D Letter means a letter supplied to the Club which conformed with the principles of Appendix D prior to the date of amendment;
 - b) New Appendix D Letter means a letter to be supplied to the Club following the date of the amendment which conforms with the principles of Appendix D as amended.

Where any donations, cash injections and/or equity injections included in the 2024/25 Pre Season SCMP Submission were supported by an Old Appendix D Letter, and such amounts are required to enable the Club to meet the SCMP Requirement (assessed as at 1 October 2024), such amounts must be received by the Club by no later than 1 October 2024. Any donations and/or cash injections after 1 October 2024 must comply with the provisions of paragraphs 2.8 and/or 2.9 (each as amended) and be accompanied by a New Appendix D Letter. Any equity injection after 1 October 2024 must comply with paragraph 2.10 (as amended)."

Guidance

Example: if a Club forecasts £1m of donations, cash injections and/or equity injections but £500k is required (as at 1 October 2024) to meet the 2024/25 SCMP requirement, it must receive the £500k by 1 October 2024.

Post 1 October 2024, the League will review each Club's SCMP submission, removing any amounts not evidenced as received by Clubs. Should this result in the Club failing to meet the SCMP Requirement, the Club shall be subject to a Player registration embargo in accordance with Rule 10 of these SCMP Guidance Notes, until such time as the required amounts are received and evidenced. If the required evidence is not received, the embargo will be published on the Embargo Reporting Service in accordance with Regulation 18A.

- 2.11 Accumulated Profit – Only include reserves extracted from audited Annual Accounts that have been filed with Companies House. For the avoidance of doubt any revaluation reserves do not qualify for inclusion.
- 2.12 Other Income – To be assessed on a case by case basis.

3 OTHER NOTES

- 3.1 All amounts should be shown net of attributable VAT.
- 3.2 Where a Club enters into a contract deal with a sponsor (e.g. perimeter advertising in exchange for the provision of motor vehicles to a Club) then, provided there is an independent third party valuation attaching to the supply being provided to the Club, this amount can be incorporated in Relevant Turnover (e.g. within Sponsorship income)

SECTION SIX | EFL REGULATIONS

- 3.3 Where a Club offers equity to investors then that equity is included in the year in which that offer becomes unconditional.
- 3.4 No loan funding, from whatever source and on whatever terms, should be included.
- 3.5 Youth Development funding should NOT be included as part of Relevant Turnover or Football Fortune Income for the purposes of the Salary Cost Management Documentation.
- 3.6 Bad debts should be netted off against the Relevant Turnover line in the period in which any claim for bad debt relief is made.
- 3.7 Management charges received from any group companies should also be netted off income in the year in which the charges are levied. This income should be specified as other income.

APPENDIX B

DEFINITION OF PLAYER RELATED EXPENDITURE

1. Player Related Expenditure includes all expenses that are due during a Reporting Period to a Contract Player, Temporary Contract Player or Under 21 Player under the terms of his contract (save for any payments made in accordance with clause 19.2 of the Standard Contract), calculated in accordance with the following paragraphs.
2. Those Players transferred out on loan should be excluded for any period that they are out on loan. As Clubs have the ability to share the wages of Players sent out on loan, then the treatment of wages should be treated proportionately.
3. Clubs should include all Players registered with them at any point during the current Reporting Period, along with their associated costs for the period of registration.
4. Any salary, fees or remuneration due under the terms of the Player's contract and any image rights contract (if any) should be included. This would include not only basic salaries but also any additional salary payments which may become due dependent upon age etc.
5. Clubs should include any signing on fees due to be paid on registration of a Player.
6. Any additional payments which may become dependent upon appearances, either full or substitute appearances should be included.
7. Clubs should include any match, win, loyalty, promotion or other kind of bonus, save that promotion bonuses would be treated as expenditure in the following Reporting Period.
8. Include any accommodation, holiday, or relocation expenses in relation to a Player (to include all expenses met on behalf of the Player whether the expenses are legal, removal, travel or other associated costs).
9. Include the cost to the Club of providing any benefit in kind, such as the cost of vehicles used privately (the P11d benefit figure should be used in calculating the cost to the Club) and any hotel expenses (other than those directly relating to matches). It is not proposed to include training/fitness Player Related Expenditure.
10. Clubs should include National Insurance Contributions and taxes accrued in respect of the Player.
11. Include any agents' fees payable by the Club, as well as any settled by the Club on the Player's behalf.
12. Pension contributions due in respect of any Player in relation to the current Reporting Period.
13. Clubs should include any insurance premiums paid in respect of any Player. Personal accident, health and life insurance etc., whether or not these are specifically provided for under the terms of any employment contract should be included.
14. Any personal expenses paid as well as other expenses ordinarily and necessarily incurred in connection with complying in full with the obligations under the terms of any employment contract should be included within the Player Related Expenditure.
15. Any loan made, or to be made to a Player which is not repaid within the same Reporting Period should be included as other Player Related Expenditure.

SECTION SIX | EFL REGULATIONS

16. Exclusions may apply in respect of any Players who are declared permanently unfit to play at any point during the Reporting Period, for the period after such declaration, but not for any other period of incapacity (e.g. short term injury and short term illness etc.).
17. Redundancy and/or Compromise payments made to Players (e.g. the payment of the balance of the contract as a lump sum which has been discounted to represent accelerated receipt) should also be included for the purposes of determining Player Related Expenditure. Where redundancy payments are staged they should be allocated into the SCMP Documentation for the Reporting Period in which the payments fall due.
18. Some Clubs appoint Players to other roles e.g. manager or coach. So as to avoid Clubs seeking to load salary payments in favour of the second role, the payments under both roles will be amalgamated and the total will be attributed as Player Related Expenditure for the purposes of determining compliance with the SCMP Requirement. Clubs will have the right to apply to The League (acting via the CFRU) to exclude the payments relating to the individual's secondary role.

Guidance

The CFRU's general approach will be to require the Club to demonstrate that the sums paid in relation to the coaching role are bona fide and is not being used a device to load salary payments in favour of the second role. The CFRU may ask the Club to provide:

- *details of the work being undertaken by the Player in respect of the second role;*
 - *the relevant coaching contract;*
 - *where relevant, evidence of the coaching badges being completed by the Player;*
and
 - *any other information that the CFRU may require.*
19. All of the Player Related Expenditure definitions will be described as being made to a Player or any third party on his behalf, either directly or indirectly, whether in this country or elsewhere.

PART 3 – LEAGUE TWO SALARY COST MANAGEMENT PROTOCOL (SCMP) GUIDANCE NOTES

1 SCMP REQUIREMENT

- 1.1 All League Two Clubs (hereafter Clubs or Club) are required to meet the SCMP Requirement (as defined in Note 1.2) for each Reporting Period (as defined in Note 1.3).
- 1.2 The SCMP Requirement is a measure whereby a Club's Player Related Expenditure (as defined in Appendix B) shall not exceed the sum of:
 - 1.2.1 50% of the Club's Relevant Turnover (as defined in Paragraph 1 of Appendix A) for the Reporting Period; plus
 - 1.2.2 100% of the Club's Football Fortune Income (as defined in Paragraph 2 of Appendix A) for the Reporting Period.
- 1.3 The Reporting Period in respect of which a Club is assessed for the purpose of the SCMP Requirement is (subject to Note 2) the 12 month period recorded in the Club's Annual Accounts.

Guidance

For those Clubs with a financial year ending in the period May, June or July the Reporting Period for the 20xx/yy Season is the 12 month period ending May, June or July 20yy.

Measurement of a Club's compliance with the SCMP Requirement is based on the submission by the Club of the Pre-Season SCMP Submission and Mid-Season SCMP Submission (each as defined in Note 3 below) (together the SCMP Submissions).

2 VARIATIONS FROM 'STANDARD' REPORTING PERIODS

- 2.1 Clubs may not adjust Reporting Periods for subsequent Seasons without the prior written consent of The League (acting via the CFRU), such consent not to be unreasonably withheld.
- 2.2 If any Club has a financial year ending other than during the period May, June or July, then that Club must prepare its SCMP Submissions for a 12 month period ending on 30 June so as to provide the CFRU with an SCMP Submission aligned to the Reporting Period as defined in Note 1.3.
- 2.3 If any Club has a financial year end other than in June, then that Club may opt to prepare its SCMP Submission for a 12 month period ending June so as to provide the CFRU with an SCMP Submission aligned to Player Contracts.

3 SCMP SUBMISSIONS

- 3.1 By 5 July each year, each Club must submit its Pre-Season SCMP Submission for the immediately following Reporting Period. The Pre-Season SCMP Submission will be in the form of an Excel workbook setting out the information required therein (and including the requirements set out in Note 5 below) and will be in such format as The League (acting via the CFRU) may prescribe from time to time. For the current Season this requires submission of the following Worksheets:
 - 3.1.1 Assumptions;
 - 3.1.2 Key Indicators;
 - 3.1.3 Relevant Turnover;

SECTION SIX | EFL REGULATIONS

- 3.1.4 Turnover Reconciliation;
 - 3.1.5 Player Related Expenditure; and
 - 3.1.6 Player Salary Costs.
- 3.2 For the avoidance of doubt, the Pre-Season SCMP Submission must be supplied notwithstanding the fact that during the preceding Season the Club was either a League One Club relegated into League Two or a National League Premier Division Club which was then promoted into League Two.
- 3.3 By 1 December each year, each Club must submit its Mid-Season SCMP Submission for the current Reporting Period. The Mid-Season SCMP Submission will be in the form of an Excel workbook setting out the information required therein (and including the requirements set out in Note 6 below) and will be in such format as The League (acting via the CFRU) may prescribe from time to time. For the current Season this requires submission of the following Worksheets:
- 3.3.1 Assumptions;
 - 3.3.2 Key Indicators;
 - 3.3.3 Relevant Turnover;
 - 3.3.4 Turnover Reconciliation;
 - 3.3.5 Player Related Expenditure; and
 - 3.3.6 Player Salary Costs.

Guidance

By the 10 December 2021 each Club must submit its Mid-Season SCMP Submission for the financial year ending May, June or July 2022 (exactly which date will be determined in accordance with Note 2).

- 3.4 The SCMP Submission must relate to the Club or if applicable and agreed with The League (acting via the CFRU) (as detailed in Regulation 16.5), the Group of which the Club is a member.
- 3.5 All SCMP Submissions must be sent to the CFRU by e-mail. In the event that an e-mail submission is not possible, the SCMP Submission should be posted to the Office so as to arrive not later than the relevant deadlines set out in this Note 3.

4 DUTY OF DISCLOSURE

- 4.1 The League (acting via the CFRU) may at any time require a Club to provide such further information as The League (acting via the CFRU) deems necessary (acting reasonably) for the purposes of enabling The League (acting via the CFRU) to assess whether a Club has fulfilled (or not) the SCMP Requirement. By way of example, and without limitation, additional information may be requested where:
- 4.1.1 any SCMP Submission is incomplete;
 - 4.1.2 there are insufficient assumptions; or
 - 4.1.3 additional evidence is required to support certain assumptions; or
 - 4.1.4 an application is made for a revenue stream to be included as Football Fortune Income.
- 4.2 Any such request shall be made in writing (including by email from CFRU) and shall be responded to in full within 5 Normal Working Days of any such request being made.

- 4.3 Each Club shall, at all times and in all matters within the scope of these Guidance Notes, behave with the utmost good faith both towards The League and the other Clubs (provided always that only The League (acting via the CFRU) shall have the right to bring any action whatsoever for any alleged breach of this requirement). Without prejudice to the generality of the foregoing, Clubs shall not manage their affairs or submit a SCMP Submission which is intended to seek to or does take any unfair advantage in relation to the assessment of fulfilment (or non-fulfilment) of the SCMP Requirement.

7. PROFESSIONAL UNDER 21 PLAYERS

- 7.1 The Individual Player Salary Costs of an Under 21 Player registered with the Club (save for an Under 21 Player registered with the Club on a Temporary Loan Transfer) are excluded from the Club's total Player Related Expenditure for the purposes of assessing whether that Club has complied with the SCMP Requirement. However, the Individual Player Salary Costs for Under 21 Players shall be separately reported in the Player Salary Costs Worksheet of any SCMP Submission in accordance with Note 5.9.4 and/or Note 6.5.

Guidance

The definition of an Under 21 Player is a Player under the age of 21 as at the 1 January in the year in which the Season concerned commences (e.g. for Season 2024/25, born on or after 1 January 2003).

All Under 21 Players need to be disclosed in Section 3 of the submission.

Those Under 21 Players who are registered on loan at the Club need to be disclosed in section 2 of the submission and their cost is included in the assessment of Player Related Expenditure.

8. ON-GOING MONITORING

- 8.1 Each Club is responsible for keeping their SCMP Submission updated at all times and (without prejudice to Note 9 below) reporting any variances to The League (acting via the CFRU).
- 8.2 The League will also monitor Player registrations made by Clubs.

9. NOTIFIABLE EVENTS

- 9.1 Where:

9.1.1 the Player Related Expenditure of a Club exceeds, or is likely to exceed (having regard to all the circumstances), 95% of the maximum amount of Player Related Expenditure permitted under Rule 1.2 ('**Additional Reporting Threshold**'); and /or

- 9.1.2 any Club fails, or is likely to fail (having regard to all the circumstances), to meet the SCMP Requirement,
- that Club shall forthwith notify The League (acting via the CFRU) to that effect in writing (by email or fax) (**Notification**).
- 9.2 Where The League (acting via the CFRU) considers, acting reasonably, that the Club may be subject to an obligation to notify under Note 9.1.1 and the Club itself has not so notified, The League (acting via the CFRU) may serve notice on the Club to that effect in writing (by email or fax). Nothing in this Note 9.2 discharges the Club of any obligation under Note 9.1.
- 9.3 Where:
- 9.3.1 the Club serves Notification; and/or
- 9.3.2 The League (acting via the CFRU) serves notice under Note 9.2,
- the provisions of Notes 10 and/or 11 (as applicable) apply.

10. CONSEQUENCES OF NOTIFICATION / OTHER FAILURE TO COMPLY

- 10.1 A Club which:
- 10.1.1 does not file any SCMP Submission by the required date;
- 10.1.2 does not provide information where requested to do so by The League; and/or
- 10.1.3 fails to fulfil the SCMP Requirement,
- shall be subject to a Player registration embargo (the **Embargo**) such that The League may refuse any application made by that Club to register any Player or any new contract of an existing Player with that Club.

Guidance

A copy of the EFL's Embargo Policy can be found on the Club Portal.

- 10.2 The Embargo will be effective:
- 10.2.1 in the case of a Club which is in default of any obligation to provide information in accordance with this Part 2 of Appendix 5, from the date of default until such time as the default is remedied to the reasonable satisfaction of The League (acting via the CFRU); and
- 10.2.2 in the case of a Club which fails to fulfil the SCMP Requirement, until The League (acting via the CFRU) has been provided with the necessary information in order to be satisfied that the Club is no longer in breach of the SCMP Requirement.
- 10.3 For the avoidance of doubt, where the registration of any Player(s) will in the opinion of The League (acting via the CFRU), acting reasonably, result in a Club failing to meet the SCMP Requirement, such registrations will be refused.

11. CLUBS SUBJECT TO THE ADDITIONAL REPORTING THRESHOLD

- 11.1 If a Club becomes aware, or if a Club is informed by The League (acting via the CFRU) that, the Player Related Expenditure of that Club exceeds, or is likely to exceed (having regard to all the circumstances including for the avoidance of doubt the Player Related Expenditure in respect of any Proposed Registration (as defined below)) the Additional Reporting Threshold, then that Club will be subject to the requirements of this Note 11 (a **Threshold Club**).

SECTION SIX | EFL REGULATIONS

- 11.2 Any Threshold Club that wishes to register a new Player (each a **'Proposed Registration'**) must prior to the lodging of the Proposed Registration, submit a duly completed Self Certification on Club letterhead (in accordance with Appendix C).
- 11.3 Where any Proposed Registration will, in the opinion of The League (acting via the CFRU), acting reasonably, result in the Club failing to meet the SCMP Requirement, that Proposed Registration will be refused.

12. CONFIDENTIALITY

- 12.1 Information provided by a Club to The League (acting via the CFRU) in accordance with these Notes shall only be made available to such members of The League (acting via the CFRU) as are required to know such information in order to fulfil their duties to The League (acting via the CFRU) (and who are bound by obligations of confidentiality as part of their contract of employment) and shall not be disclosed to the Board in any manner so as to enable Clubs to be identified provided always that:
- 12.1.1 generic management reporting to the Board and Clubs is permitted; and
 - 12.1.2 The League shall be entitled to publish reports of any decisions relating to any breaches.

2. FOOTBALL FORTUNE – DEFINITIONS

Football Fortune Income includes the following revenues streams on the basis that they can reasonably be regarded as a “bonus” to Clubs during the Reporting Period.

- 2.1 EFL Cup and EFL Trophy Distributions – Include any EFL Cup or EFL Trophy prize money and facility fees on an actual basis. Budgets should assume the Club does not progress past Round 1 of any competition.
- 2.2 Football Association Distributions – Include any FA Cup prize money and facility fees on an actual basis. Budgets should assume the Club does not progress past Round 1 of any competition.
- 2.3 League Parachute Income – Include all Parachute income receivable from The League for the relevant Reporting Period.
- 2.4 Net Transfer Income – means:
 - 2.4.1 in respect of amounts which are contracted to be received or paid in accordance with any contract (transfer agreement or compensation agreement) originally entered into and registered with The League on or before 6 May 2022, actual cash received in the year from other Clubs or clubs by way of Compensation Fee, Transfer Fee and / or Loan Fee (in these Notes, ‘Transfer Fees’), less any actual cash paid to other Clubs or clubs by way of Transfer Fees. Any advances of Transfer Fees from organisations such as Close Leasing can only be included where the instalments being advanced against fall due within the Reporting Period covered by the relevant SCMP Submission; and
 - 2.4.2 in respect of amounts which are contracted to be received or paid by Clubs in accordance with any contract (transfer agreement or compensation agreement) originally entered into and registered with The League after 6 May 2022, Transfer Revenue less Transfer Expenditure.
- 2.5 **Transfer Revenue** means any monies which are contracted to be received by the Club from other Clubs (or clubs) by way of Compensation Fee, Transfer Fee and/or Loan Fee (in these Rules, ‘Transfer Amounts’) during the Relevant Transfer Period. Clubs must actually receive the monies in order to meet the definition of Transfer Revenue. Transfer Amounts received in a different Relevant Transfer Period to that in which it was contracted to be received will be treated as being received in accordance with the contract submitted to The League.
- 2.6 **Transfer Expenditure** means any monies which are contracted to be paid to other Clubs (and/or clubs) by way of Transfer Amounts during the Relevant Transfer Period.

Transfer Amounts paid in a different Relevant Transfer Period to that in which it was contracted to be paid will be treated as being paid in accordance with the contract submitted to The League. Any advances of Transfer Amounts received by the Club from a Financial Institution can only be included in the Reporting Period in which the Transfer Amount is contracted to be received from the Financial Institution.

- 2.7 **Relevant Transfer Period** means the period of time commencing on 1 May in the immediately preceding Reporting Period and ending on 30 April in the current Reporting Period.

Guidance

For example, if Club A entered into a transaction 1 June 2021 to sell Player 1 with the following instalments, paragraph 2.4.1 applies and would be recognised in SCMP as follows:

- *1 June 2021 - £10k – captured in SCMP for Season 2020/21*
- *1 January 2022 - £10k – captured in SCMP for Season 2021/22*
- *1 June 2022 - £10k – captured in SCMP for Season 2021/22*
- *1 January 2023 - £10k – captured in SCMP for Season 2022/23*
- *1 June 2023 - £10k – captured in SCMP for Season 2023/24*

If the Club entered into a similar transaction on 1 June 2022, paragraph 2.4.2 applies and it would be treated as follows for SCMP:

- *1 June 2022 - £10k – captured in SCMP for Season 2022/23*
- *1 January 2023 - £10k – captured in SCMP for Season 2022/23*
- *1 June 2023 - £10k – captured in SCMP for Season 2023/24*
- *1 January 2024 - £10k – captured in SCMP for Season 2023/24*
- *1 June 2024 - £10k Captured in SCMP for Season 2024/25*

In the event that a Club was contracted to receive a payment on 1 May 2023 but was paid on 30 April 2023, the Club would be required to include this in Season 2023/24's SCMP Submission.

Note that any variations to contracts to which 2.4.1 applies which take place after 6 May 2022 will be treated in accordance with 2.4.2.

- 2.8 Donations – Donations from independently run lotteries, PFA contributions for Private Medical Insurance, small gifts from benefactors, donations towards Player salary costs, payment for taxation losses etc. are allowable. Significant donations must be evidenced by a bank receipt or statement to show funds have been credited to the Club's bank account. Before being included in the Club's SCMP Submission, a signed Letter (in the format required by the League from time to time and which as at the date of these Rules, is set out in Appendix D) must be received by The League to confirm that there is no interest linked to the donation or any requirement for future repayment of the donation by the Club.
- 2.9 Cash Injections – Before being included in the Club's SCMP Submission, significant cash injections from companies or benefactors must be evidenced by a bank receipt or statement to show funds have been credited to the Club's bank account. And a signed Letter (in the format required by the League from time to time and which as at the date of these Rules, is set out in Appendix D) must be received by

SECTION SIX | EFL REGULATIONS

The League to confirm that there is no interest linked to the donation or any requirement for future repayment by the Club of the cash injection.

- 2.10 Equity Injections – Only include non-redeemable equity investments received in the relevant Reporting Period. The conversion to equity of any debt and/or writing off of any debt, where such debt was created in any prior Reporting Period, does not constitute a form of revenue as no cash injection is provided to the Club to finance wages in the current Reporting Period. Further, any linked transactions whereby loans are repaid followed by a cash injection in exchange for equity, will not be allowed. Before being included in the Club's SCMP Submission, any injection of cash as equity must be evidenced by a bank receipt or statement to show funds have been credited to the Club's bank account. And a copy of the signed Companies House forms confirming the issue of new share capital must also be received by The League.
- 2.11 Accumulated Profit – Only include reserves extracted from audited Annual Accounts that have been filed with Companies House. For the avoidance of doubt any revaluation reserves do not qualify for inclusion.
- 2.12 Other Income – To be assessed on a case by case basis.
- 2.13 Clubs are required to apply to The League (providing supporting evidence) in order to utilise the Football Fortune Income streams shown below within their SCMP Submission.

3 OTHER NOTES

- 3.1 All amounts should be shown net of attributable VAT.
- 3.2 Where a Club enters into a contra deal with a sponsor (e.g. perimeter advertising in exchange for the provision of motor vehicles to a Club) then, provided there is an independent third party valuation attaching to the supply being provided to the Club, this amount can be incorporated in Relevant Turnover (e.g. within Sponsorship income).
- 3.3 Where a Club offers equity to investors then that equity is included in the year in which that offer becomes unconditional.
- 3.4 No loan funding, from whatever source and on whatever terms, should be included.
- 3.5 Youth Development funding should NOT be included as part of Relevant Turnover or Football Fortune Income for the purposes of the Salary Cost Management Documentation.
- 3.6 Bad debts should be netted off against the Relevant Turnover line in the period in which any claim for bad debt relief is made.
- 3.7 Management charges received from any group companies should also be netted off income in the year in which the charges are levied. This income should be specified as other income.

APPENDIX B

DEFINITION OF PLAYER RELATED EXPENDITURE

1. Player Related Expenditure includes all expenses that are due during a Reporting Period to a Contract Player, Temporary Contract Player or Under 21 Player under the terms of his contract (save for any payments made in accordance with clause 19.2 of the Standard Contract), calculated in accordance with the following paragraphs.
2. Those Players transferred out on loan should be excluded for any period that they are out on loan. As Clubs have the ability to share the wages of Players sent out on loan, then the treatment of wages should be treated proportionately.
3. Clubs should include all Players registered with them at any point during the current Reporting Period, along with their associated costs for the period of registration.
4. Any salary, fees or remuneration due under the terms of the Player's contract and any image rights contract (if any) should be included. This would include not only basic salaries but also any additional salary payments which may become due dependent upon age etc.
5. Clubs should include any signing on fees due to be paid on registration of a Player.
6. Any additional payments which may become dependent upon appearances, either full or substitute appearances should be included.
7. Clubs should include any match, win, loyalty, promotion or other kind of bonus, save that promotion bonuses would be treated as expenditure in the following Reporting Period.
8. Include any accommodation, holiday, or relocation expenses in relation to a Player (to include all expenses met on behalf of the Player whether the expenses are legal, removal, travel or other associated costs).
9. Include the cost to the Club of providing any benefit in kind, such as the cost of vehicles used privately (the P11d benefit figure should be used in calculating the cost to the Club) and any hotel expenses (other than those directly relating to matches). It is not proposed to include training/fitness Player Related Expenditure.
10. Clubs should include National Insurance Contributions and taxes accrued in respect of the Player.
11. Include any agents' fees payable by the Club, as well as any settled by the Club on the Player's behalf.
12. Pension contributions due in respect of any Player in relation to the current Reporting Period.
13. Clubs should include any insurance premiums paid in respect of any Player. Personal accident, health and life insurance etc., whether or not these are specifically provided for under the terms of any employment contract should be included.
14. Any personal expenses paid as well as other expenses ordinarily and necessarily incurred in connection with complying in full with the obligations under the terms of any employment contract should be included within the Player Related Expenditure.
15. Any loan made, or to be made to a Player which is not repaid within the same Reporting Period should be included as other Player Related Expenditure.

SECTION SIX | EFL REGULATIONS

16. Exclusions may apply in respect of any Players who are declared permanently unfit to play at any point during the Reporting Period, for the period after such declaration, but not for any other period of incapacity (e.g. short term injury and short term illness etc.).
17. Redundancy and/or Compromise payments made to Players (e.g. the payment of the balance of the contract as a lump sum which has been discounted to represent accelerated receipt) should also be included for the purposes of determining Player Related Expenditure. Where redundancy payments are staged they should be allocated into the SCMP Documentation for the Reporting Period in which the payments fall due.
18. Some Clubs appoint Players to other roles e.g. manager or coach. So as to avoid Clubs seeking to load salary payments in favour of the second role, the payments under both roles will be amalgamated and the total will be attributed as Player Related Expenditure for the purposes of determining compliance with the SCMP Requirement. Clubs will have the right to apply to The League (acting via the CFRU) to exclude the payments relating to the individual's secondary role.

Guidance

The CFRU's general approach will be to require the Club to demonstrate that the sums paid in relation to the coaching role are bona fide and is not being used a device to load salary payments in favour of the second role. The CFRU may ask the Club to provide:

- *details of the work being undertaken by the Player in respect of the second role;*
 - *the relevant coaching contract;*
 - *where relevant, evidence of the coaching badges being completed by the Player; and*
 - *any other information that the CFRU may require.*
19. All of the Player Related Expenditure definitions will be described as being made to a Player or any third party on his behalf, either directly or indirectly, whether in this country or elsewhere.

(a) direct The League to suspend making interim payments from the Pool Account to the Club (in accordance with Article 44); and/or

(b) order the withdrawal or loss of benefit otherwise available to the Club by way of basic award or ladder payment,

for such a period of time until the Club complies in full with its obligations under the Financial Regulations (following which the withheld basic award will

2.2 The control of the Competition shall be vested in the Board of the League who shall in all ways act as the Management Committee of the Competition, and who shall have power at any time to alter, delete or add to these Rules in such manner as they in their absolute discretion deem appropriate.

2.3 Prior to making any alteration or addition to or deletion from these Rules, the Management Committee shall consult with the Premier League in the joint standing committee consisting

of representatives of the League and the Premier League that is to be established in relation to the Competition and give consideration to any views expressed or proposals made by them.

3 COMPETITION FORMAT

- 3.1 The Competition shall be a knock out competition and the Management Committee shall make the draw for each tie in the Competition which shall be drawn in couples. These couples shall compete and the winners shall be drawn and shall compete in the same manner, and this shall be continued until the final two Clubs are left in the Competition and shall compete in the Final Tie. The winner of the Final Tie will be declared the winners of the Competition. Immediately after each draw is made notice shall be given to each Club of the name of its opponents, together with a date on which the tie shall be played.

Guidance

For Seasons 2024/25 and 2025/26, the draw for Round 3 of the Competition shall be seeded in order to avoid fixture clashes for those Clubs also participating in the UEFA Champions League or the UEFA Europa League.

- 3.2 In rounds one, two, three, four and five, Competition Matches shall, unless otherwise agreed by the Management Committee after consultation with both Clubs involved, be played on the ground of the first Club drawn. In the event of any match being played on a neutral ground, the Management Committee shall be responsible for the negotiation of ground and other expenses and shall determine how such expenses are distributed between the Clubs.

Guidance

The neutral ground provisions do not relate to situations where a Club is temporarily playing away from 'home' due to, for example, ground redevelopment.

- 3.3 The Semi-Finals shall be played on a two-leg basis, the first leg to be played on the ground of the first Club drawn and the second leg played on the ground of the Club drawn second.
- 3.4 The Final Tie shall be played on a neutral ground to be fixed by the Management Committee. The Management Committee shall have the authority to decide that the Final Tie be played on a Sunday.

4 ARRANGEMENT OF FIXTURES

- 4.1 All Competition Matches shall be arranged as soon as practicable.
- 4.2 The date of a Competition Match shall be determined by the Management Committee after consultation with both Clubs involved. The time of kick off shall be fixed by the Home Club, except in the Final Tie and where a Competition Match is played on a neutral ground, when the kick off time will be fixed by the Management Committee after consultation with both Clubs.
- 4.3 The Management Committee shall adjudicate and/or take any necessary steps in the event of any ties interfering with competition rounds or ties either clashing with UEFA club competitions, Football Association Challenge Cup, League or Premier League matches. If required, this may involve the introduction of seeding arrangements as necessary or other such action as the Management Committee deem appropriate in the circumstances.
- 4.4 International, representative and Football Association Cup matches take precedence over matches in the Competition. Any Club qualifying for a place in a UEFA club competition, up to a maximum of eight such Clubs, shall be exempt from participating in this Competition until round three. When the remaining number of Clubs entered is other than sixty-four the Management Committee shall arrange for byes where necessary. Save for as provided in Rules 5.1, 5.2 and 5.3, no Club shall have a bye in successive rounds of the Competition.

- 4.5 In arranging matches in the Competition, Clubs shall not improperly interfere with home league matches of other Clubs, whether such Clubs are in membership of the League or Premier League.

5 NON-FULFILMENT OF FIXTURES

- 5.1 Each Club will use its best endeavours to ensure that each Competition Match takes place on the date and at the time fixed for it.
- 5.2 Dislocation of Competition Matches caused by any reason whatsoever shall be immediately reported to Management Committee by the Clubs concerned and it shall be the duty of the Home Club in each instance immediately to notify the appointed referee and assistant referees of such dislocation.
- 5.3 If, a Club is unable to fulfil its obligation to complete a Competition Match for any reason then the Management Committee shall use its reasonable endeavours to rearrange the fixture for the earliest reasonable opportunity (including but not limited to arranging for the Competition Match to be played at a neutral venue) which will not be later than the date of the first Competition Match scheduled to take place in the immediately following round. Where the Management Committee determine that the Competition Match cannot be rearranged the Management Committee shall have the power to declare that the Competition Match shall be abandoned. Where the Management Committee declare that the Competition Match shall be abandoned, the Club shall forfeit the Competition Match, pay the opposing Club's expenses in accordance with Rule 5.6 and the opposing Club shall receive a bye into the next round of the Competition.

Guidance – Rearrangement

For example the Second Round of the Competition is scheduled to take place on 27/28 August. In the event that a First Round Competition Match was postponed, the rearranged match must take place by a date that would reasonably allow the winning Club to participate in the following round on the scheduled date. In the event that the match cannot be rearranged for a suitable date to allow the winning Club to participate in the following round then the Management Committee will award a bye in accordance with Rule 5.3.

- 5.4 If, both Clubs are unable to fulfil its obligation to complete a Competition Match for any reason then Management Committee shall use its reasonable endeavours to rearrange the Competition Match for the earliest reasonable opportunity (including but not limited to arranging for the Competition Match to be played at a neutral venue) which will not be later than the date of the first Competition Match scheduled to take place in the immediately following round. Where the Management Committee determines that the Competition Match cannot be rearranged the Management Committee shall have the power to declare that the Competition Match shall be abandoned. Where this results in an uneven number of Clubs being entered into the next round, the Management Committee shall exercise its discretion as to which Club progresses through to the next round including but not limited to arranging for byes where necessary.

Guidance – Rearrangement

For example the Second Round of the Competition is scheduled to take place on 23/24 August in the event that a First Round Competition Match was postponed, the rearranged match must take place by a date that would reasonably allow the winning Club to participate in the following round on the scheduled date. In the event that the match cannot be rearranged for a suitable date to allow the winning Club to participate in the following round then the Management Committee will award a bye in accordance with Rule 5.3.

- 5.5 Failure to fulfil any Competition Match will constitute a breach of these Rules unless the Club can demonstrate that:
- 5.5.1 the dominant and effective cause of the non-fulfilment was the occurrence of an event which was outside the control of the Club (an "Event"); and

SECTION SEVEN | CARABAO CUP RULES

- 5.5.2 the Club could not remedy the consequences of the Event prior to the Competition Match despite using its best endeavours to do so.
- 5.6 Where a Club has breached these Rules in accordance with Rule 5.4 the Management Committee shall have the power to:
- (a) require that Club to forfeit the Competition Match and award to the opposing Club a bye into the next round; and/or
 - (b) impose penalties against the Club in accordance with Rule 22.1; and/or
 - (c) delegate the matter to a Disciplinary Commission in accordance with Rule 22.3.
- 5.7 A Club which breaches these Rules in accordance with Rule 5.4 shall be liable to pay compensation for any expenses actually incurred by the opposing Club as a direct result of the failure. The amount of compensation will be at the discretion of the Management Committee who will consider each such case on its merits. The Management Committee may refer the amount of compensation to be paid to a Disciplinary Commission appointed under Rule 22 dealing with the misconduct by the Club failing to fulfil its fixture.

- 6.3 Players registered on a temporary basis will not be eligible to play unless the Club holding his full registration gives its written consent (also subject to any restrictions on the number of loan players prescribed by applicable Premier League Rules or League Regulations).
- 6.4 No Registered Player shall play for more than one Club in the Competition in any one Season.
- 6.5 Each Club shall play its full available strength in and during all Competition Matches, unless some satisfactory reason is given. The Management Committee may from time to time issue a policy as to what constitutes ‘full available strength’. In the event of the explanation not being deemed satisfactory the Management Committee shall have power to impose such penalties as they shall think fit. The provisions governing disciplinary matters in relation to the Competition are contained in Rule 22.

Guidance

Clubs must ensure that they comply with Rule 6.5 and play its full available strength in Competition Matches. However, where it is necessary for a Club to rely on its full squad of Registered Players in order to fulfil a fixture due to the circumstances described in Rules 5.1 – 5.3 then that Club shall be deemed to have fulfilled the “full available strength” requirements.

7 TEAM SHEETS/PRE-MATCH BRIEFING AND REPLACEMENT OF SUBSTITUTE PLAYERS

- 7.1 A representative of each Club must hand copies of a list of names of Players taking part in the Competition Match (including the name of the nominated substitute or substitutes) (**Team Sheet**) to the referee and a representative of the opponents in the presence of the referee in the referee’s dressing room at least 75 (seventy five) minutes before the advertised time of kick-off. - 7.3.3 where the person described in Rule 7.3.2 is subject to a ban preventing them from attending, another senior representative of the coaching staff, shall attend a briefing with the referee.

Guidance

A breach of this Rule 7.3 is designated a strict liability offence as detailed in Regulation 88 of the EFL Regulations.

- 7.4 Should any nominated Player or substitute sustain an injury or become otherwise incapacitated after the submission of the Team Sheet to the referee and before the kick-off, he may be replaced and the referee shall be informed. Should there be any other extenuating circumstances which require a nominated Player or substitute to be replaced during the aforementioned period, the referee shall allow such replacement and report the full circumstances to The League. The League shall then initiate any inquiries it may deem fit so as to satisfy itself as to the bona fide nature of the replacement.

8 SUBSTITUTES

- 8.1 Subject to Rule 8.3, in all Competition Matches, each Club is permitted to name up to nine substitutes on the Team Sheet, of whom not more than five may take part in the Competition Match. Each Club is only permitted a maximum of three opportunities to make substitutions during the Competition Match. Clubs may make substitutions at half time and any substitutions made will not count towards the maximum of three opportunities. A Club may make more than one substitution at each of its three opportunities.

For example, a Club having used 5 substitutes before extra-time shall still only be permitted the opportunity the use of 1 further substitute making 6 in total. The use of the additional substitute shall commence on the final whistle of regular (inclusive of injury time).

By way of further example, a Club having used 3 substitutes before extra-time shall still only be permitted one additional opportunity the use up to 3 further substitutes making 6 in total. Use of either a 'concussion substitute' or an 'additional substitute' in accordance with this Rule 8.3 shall not count towards the five substitutions permitted to take part in the Competition Match in accordance with Rule 8.1 or towards the permitted number of opportunities to make a substitution in accordance with Rules 8.1 and 8.2. Each Club must provide the League with such information as is necessary to ensure compliance with the IFAB Protocol in respect of any 'concussion substitute' made within 10 days of receiving such a request from the League.

- 20.2 Dislocation of any Match caused by any reason whatsoever shall be immediately reported to The League by the Clubs concerned and it shall be the duty of the Home Club in each instance to immediately notify the appointed referee and assistant referees of such dislocation.
- 20.3 Where only one of the Clubs scheduled to play in a Group Match is unable to fulfil its obligation to complete that Group Match for any reason The League shall use its reasonable endeavours to rearrange the fixture for the earliest reasonable opportunity (including but not limited to arranging for the Match to be played at a neutral venue) and in any case before 20 November 2024. Where The League determines that the fixture cannot be rearranged The League shall have the power to declare that the fixture shall be abandoned. Where the League declares that the fixture shall be abandoned, that Club shall forfeit the fixture and be deemed to have lost the Match 1-0, and the opposing team shall be awarded 3 points.

Where The League declares that the fixture shall be abandoned, the Club shall forfeit the fixture and the opposing team shall be awarded a bye into the next round of the Competition.

Guidance

The League considers that the earliest reasonable opportunity means that the fixture will need to have been rearranged by no later than a date that would reasonably allow the winning Club to participate in the following round on the scheduled date. If that is not possible, The League will consider using its discretionary power to declare that the fixture be abandoned and that the Club forfeit the fixture.

- 20.5 If both Clubs are unable to fulfil their obligation to complete a Knock-out Match for any reason The League shall use its reasonable endeavours to rearrange the fixture for the earliest reasonable opportunity (including but not limited to arranging for the match to be played at a neutral venue) which will not be later than the date of the first Match scheduled to take place in the immediately following round. Where The League determines that the fixture cannot be rearranged The League shall have the power to declare that the fixture shall be void. Where The League declares that the fixture shall be abandoned, both Clubs shall forfeit the fixture. Where this results in an uneven number of Clubs being entered into the next round, The League shall exercise its discretion as to which Club progresses through to the next round including but not limited to arranging for byes where necessary.

Guidance

The League considers that the earliest reasonable opportunity means that the fixture will need to have been rearranged by no later than a date that would reasonably allow the winning Club to participate in the following round on the scheduled date.
